The "He-Coon" is former U. S. Congressman Bob Sikes, once the most powerful figure in Florida's Panhandle. When he died with a diagnosis of malnutrition and a new secret will surfaced, his daughter retraced his final years and the hijacking of his estate by his new, much younger third wife. She found that during the darkened, helpless final years of his long bout with Alzheimer's disease, Bob Sikes was deprived of medical care, isolated from friends and family, and threatened with being sent to a nursing home if he didn't behave - which made him cry; meanwhile, his wife secretly transferred his assets into her name - with the help of his doctor (a state senator), his secretary, the town mayor, and her friends and her sister. During a decade of court battles, the

children and grandchildren of the He-Coon learned that despite copious documentation of evidence, records, and perjury, despite legal precedents and statutes, justice follows political connections and deep pockets.

Justice Denied SAGE

"Fascinating. . . . The kind of book you can open anywhere, maybe thumb back or forth a few pages, and settle into a good story."—USA Today "One of the great, largely unknown stories of American history. This volume is a wonderfully evocative demonstration of something often discounted—how important law and lawyers were, and remain, in realizing the promise of full equality for all citizens."--Kenneth W. Mack, author of *Representing the Race* "Filled with tales of ordinary people exhibiting extraordinary courage, *Voices of Civil Rights Lawyers* provides a penetrating and vital new perspective on one of the most turbulent and important periods in American history."--Lawrence Goldstone, author of *Inherently Unequal* "Spriggs has performed a great service for future historians and for all of us by collecting the personal memories of lawyers who put their boots on the ground and their lives on the line in the Deep South during the tumultuous civil rights movement."--James Blacksher, civil rights attorney, Birmingham, Alabama

"The different voices are incredibly effective at both describing a harrowing series of events for the lawyers and allowing readers to hear how they interpreted those events in their own individual ways. A powerful work."--Thomas Aiello, author of *Jim Crow's Last Stand* While bus boycotts, sit-ins, and other acts of civil disobedience were the engine of the civil rights movement, the law provided context for these events. Lawyers played a key role amid profound political and social upheavals, vindicating clients and together challenging white supremacy. Here, in their own voices, twenty-six lawyers reveal the abuses they endured and the barriers they broke as they fought for civil rights. These eyewitness accounts provide unique windows into some of the most dramatic moments in civil rights history--the 1965 Selma March, the first civil judgment against the Ku Klux Klan, the creation of ballot access for African Americans in Alabama, and the 1968 Democratic Convention. The narratives depict attorney-client relationships extraordinary in their mutual trust and commitment to risk-taking. White and black, male and female, northern- and southern-born, these recruits in the battle for freedom helped shape a critical chapter of American history. Kent Spriggs, author of the two-volume *Representing Plaintiffs in Title VII Actions*, has been a civil rights lawyer for over fifty years. He practices in Tallahassee, Florida, where he was a city commissioner and

mayor.

Congressional Record New Press, The

Editors Birnbaum (writer) and Taylor (history, Florida International U.) have gathered an impressive array of documentary materials from a variety of sources, including excerpts from books and articles, and recent newspaper articles. Their material, divided into the broad categories of slavery, reconstruction, segregation, the second reconstruction, backlash redux, and towards a third reconstruction, traces the ongoing black struggle for civil rights from the arrival of the first Africans to America today. Each major section begins with a brief introduction by the editors. Annotation copyrighted by Book News Inc., Portland, OR

In the depths of the Great Recession, a cancer nurse, a car dealership worker, and an insurance fraud specialist helped uncover the largest consumer crime in American history—a scandal that implicated dozens of major executives on Wall Street. They called it foreclosure fraud: millions of families were kicked out of their homes based on false evidence by mortgage companies that had no legal right to foreclose. Lisa Epstein, Michael Redman, and Lynn Szymoniak did not work in government or law enforcement. They had no history of anticorporate activism. Instead they were all foreclosure victims, and while struggling with their shame and isolation they committed a revolutionary act: closely reading their mortgage documents, discovering the deceit behind them, and building a movement to expose it. Fiscal Times columnist David Dayen recounts how these ordinary Floridians challenged the most powerful institutions in America armed only with the truth—and for a brief moment they brought the corrupt financial industry to its knees.

Florida Constitutional Law, a casebook used throughout Florida since 1992, is now available in a new edition. This new edition updates, deepens, and refines its focus on an array of state constitutional points. The chapters include the functions of a state constitution and how the Florida constitution is amended; separation of power issues; the major constitutional limits on legislative power; the constitutional jurisdiction of the Florida courts, as well as the separation of powers limits on the courts that resemble the article III limits on federal judicial power; units of local government and their relationship to the state and each other; the major constitutional limitations on taxation and borrowing; a selected review of various sections of the Florida constitution's declaration of rights, including Florida's privacy guarantee (which is far more extensive than privacy under the United States Constitution), and Florida's homestead provision. The third edition retains the same clear organizational scheme as the first two. Although principally a casebook, the cases are stitched together with both text and problem sets. Four basic changes have been made: the depth of coverage has been increased; more explanatory text has been added to link the major edited cases together; additional chapter subheadings have been added; and new cases have been substituted for older ones.

Lawyer's Desk Book is an extraordinary guide that you can't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant, authoritative legal answers, without exorbitant research fees. Packed with current, critical

information, Lawyer's Desk Book includes: Practical guidance on virtually any legal matter you might encounter: real estate transactions, trusts, divorce law, securities, tax planning, credit and collections, employer-employee relations, personal injury, and more - over 70 key legal areas in all! Quick answers to your legal questions, without having to search stacks of material, or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The Lawyer's Desk Book, Second Edition incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals, such as the Sarbanes-Oxley Act, and on legislation to cut individual and corporate tax rates, such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues. Previous Edition: Lawyer's Desk Book, 2018 Edition, ISBN 9781454885153

Modern Health Care Law Digest: Miscellaneous matters (HC 5650-5990)

Locate federal cases decided in the U.S. Supreme Court, Court of Appeals, district courts, Claims Court, bankruptcy courts, Court of Military Appeals, the Courts of Military Review, and other federal courts. This Key Number Digest contains all headnotes, classified according to West's® Key Number System, for federal court decisions reported from 1984 to the present. The topics are listed in alphabetical order. The Key Numbers within those topics are listed in numerical order. Each topic begins with scope notes about subjects included and subjects excluded and covered by other topics. Also, there is an outline of the topic, which includes a list of all Key Numbers in that topic. Headnotes are collected by jurisdiction or court and filed according to the West Key Number System®.

Securities Regulation & Law Report

A helpful and practical tool for leaders of residential cooperatives in Florida. It is the only complete guide to their operations and management, and it gives special attention to the unique components of mobile home cooperatives.
