*TinkerActive Workbooks: 1st Grade Math* Popular Book Company  
In this First Grade Science Workbook, your student will journey through three major divisions of science: 1. You and Your Environment - This section covers all of Unit 1 and focuses on methods to use for measurement, 2. Living and Non Living Things - This division covers Units 2 -5 and explores topics such as Plants and Animals, the significance of Soil, Moving Air, and Uses of Water, 3. You and Technology - This is the final section and it covers Units 6 - 8. This division of the workbook adds depth to previous knowledge gained about colors, such as how they are formed; it covers topics such as How to Draw, and the different forms of Energy, such as Light energy and Sound Energy. The journey of learning elementary principles of Science and Technology is presented in a meaningful and age-appropriate fashion in this workbook.

### **Conquering Kindergarten** Workman Publishing

Build essential skills while having fun with Home Workbooks! Now updated with fun, colorful pages and engaging art, each book measures 7" x 9.25" and is filled with 64 pages of age-appropriate activities, puzzles, and games. These teacher-approved books are perfect for home, school, summer breaks, and road trips! Skills covered include beginning reading and phonics, beginning writing, one- and two-digit addition and subtraction, graphing and measurement, and more! An incentive chart and 140 full-color stickers are also included to help parents or teachers track student progress. Home Workbooks are available for prekindergarten through grade 3 students, and feature titles in a wide variety of skill areas to suit any need.

### Creepy Crawly Insects : 1st Grade Science Workbook Series

Speedy Publishing LLC

**\*\*3 BOOKS IN 1!\*\*** Building a strong foundation in math is essential for children in the first grade. The activities in this 3-in-1 Super Workbook are designed to help your student become familiar with math concepts like numbers and operations, solid and plane shapes, and graphs and charts. They will help your

child to catch up, keep up, and get ahead—and best of all, to have lots of fun doing it! Here are some of the great features you'll find inside: **BASIC MATH** The Cupcake Eater Counting cupcakes on a plate, and then crossing off the eaten cupcakes and counting how many are left, helps children learn subtraction. **MATH GAMES & PUZZLES** Safe Crackers Children write numbers from smallest to largest or identify place-value digits to find the right combination for a safe. **SHAPES & GEOMETRY** Get In Place Children draw a line from each picture outside a Venn diagram to where it belongs inside the diagram, matching food and objects of different shapes. Give your child's confidence a boost with First Grade Super Math Success!

### Conquering First Grade Teacher Created Materials

This reusable write-and-wipe workbook in the Ready to Learn series helps first-graders (ages 5 to 7) develop their reading, writing, and math skills. The Ready to Learn: First Grade Write and Wipe Workbook helps kids ages 5 to 7 build the foundation to keep up and thrive in first grade. Reading, writing, and math are the topics covered in this reusable book that allows kids to complete activities as often as they like—students can simply use the included erasable marker, wipe the page clean, and do it all over again. Repeating the reading comprehension, writing exercises, and math skills in Ready to Learn: First Grade Write and Wipe Workbook is a great way to get ready for first grade, get some extra practice during the school year, or prepare for the move to second grade. Hones first-grade reading, writing, and math skills. Write-and-wipe format allows for skill reinforcement. Includes write-and-wipe marker. Pages wipe clean for repeated use. Meets Common Core State Standards. 60 full-color and illustrated pages. Get to know the Ready to Learn series!

Developed for kids entering pre-kindergarten all the way through third grade, Silver Dolphin's Ready to Learn series of educational and engaging workbooks, workpads, write & wipe formats, and flash cards will put young learners on the path to success. Focusing on three key subjects—reading, writing, and math—each grade level is vetted by experts in early education to adhere to the Common Core State Standards Initiative. Foundational, buildable skills are introduced, developed, and reinforced with colorful illustrations and familiar learning formats that will

encourage learning confidence as kids benefit from extra educational opportunities outside the classroom.

### **How to Be Good at Science, Technology and Engineering** Grade 2-5 Teacher Created Materials

Hooray for first grade! This award-winning workbook reinforces what kids are learning in the classroom with a fresh approach to developing skills for school success. With over 250 pages of fun puzzle-based activities including Highlights™ Hidden Pictures®, first graders will practice a variety of skills in subjects like language arts, math, and science through exercises that will boost their confidence and supplement what they're learning in school. The book also has an introduction with simple tips for parents, a Certificate of Achievement and online activities. Developed with educational experts, teacher-approved, and aligned with state standards, this workbook will engage students and get them excited about learning! Includes: Word recognition Digraphs and consonant blends Homophones Shapes Numbers Addition Subtraction Sequencing Science and more! Winner, Family Choice Award Winner, PAL (Play Advances Language) Award A Parents' Choice Recommended Book PAL (Play Advances Language) Top Ten Pick

### **Science, Grade 1** Evan Moor Educational Publishers

In DK Workbooks: Science: Grade 2, second graders can practice what they learn in school with exercises on liquids, solids and gases, global weather patterns, life cycles of living creatures like frogs, jellyfish, and locusts, and more. Help your child move to the head of the class! DK Workbooks: Science is an innovative series of workbooks aligned to school curriculum that helps make learning easy and fun. Each title is packed with exercises and activities to strengthen knowledge from the science lessons taught in school. Developed in consultation with curriculum experts, these science workbooks reinforce learning and understanding of key concepts such as force and motion, materials, and ecosystems. A parents' section contains answers, tips, and guidance to provide support, and a certificate of achievement will reinforce confidence in kids by rewarding their accomplishments. Supports the Common Core State Standards. *Common Core Science 4 Today, Grade 1* Sylvan Learning Publishing

Children get a Smart Start with colorful activities that practice science, math, reading, geography, and thinking skills. Fun art projects provide opportunities for hands-on activities such as cutting, gluing, coloring, and more! Children practice foundational skills such as following directions, using picture clues, and problem solving. There are six certificates for children to display and a full sheet of stickers to mark their achievements!

[All About The Moon \(Phases of the Moon\) | 1st Grade Science Workbook](#) Sylvan Learning Publishing

This Big First Grade Workbook combines popular 32-page School Zone workbooks into one convenient 320-page volume. Child-friendly exercises and full-color illustrations make learning fun. Use Big Workbooks to reinforce or review grade-level skills or prepare for the upcoming school year. Contents include: First Grade Enrichment, Beginning Phonics, Manuscript Writing, Story Problems, Time, Money & Fractions, First Grade Math, and First Grade Scholar. (Ages 5-6)

**180 Days of Science for First Grade** Rainbow Bridge Publishing

Designed for children entering the first grade, this workbook helps provide a solid foundation of basic math skills that is essential for early success in math.

**1st Grade Science Workbook: Reptiles and Amphibians** Evan-Moor Corporation

Spectrum(R) Grade Specific for Grade 1 includes focused practice for reading, language arts, and math mastery. Skills include parts of speech and sentences, grammar and usage, capitalization and punctuation, fact families, adding and subtracting to 100, composing 2-D and 3-D shapes, place value, and measurement. -- Each Spectrum(R) Grade Specific workbook includes a writer's guide and step-by-step instructions, helping children with planning, drafting, revising, proofreading, and sharing writing. Children in grades 1 to 6 will find lessons and exercises that help them progress through increasingly difficult subject matter.

Aligned to current state standards, Spectrum is your child's path to language arts and math mastery.

*Second Grade Language Arts Success* Carson-Dellosa Publishing  
Nothing beats the education your kid gets from this book and the benefits of that! Kids can spend hours doing these activities and learning! My Big Fun First Grade Workbook is filled with exciting activities for 1st-graders. The educational exercises support skills

in Grade 1 and keep the learning going all year round. First Grade Workbook makes learning reading, writing, and math fun and inspiring. Cute coloring illustrations make the first grade workbook inspiring and fun for your young students. Inside the workbook, your kid will find: fun-filled and engaging activities for reading comprehension to help students learn to understand what they're reading. The tasks begin with more straightforward questions and advances to more challenging tasks and activities to help discover essential connections; amazing language arts activities - fun stories, mazes, word search, coloring, and more to make kids want to spend hours learning and sharpening their skills, grasp new concepts in spelling, grammar, vocabulary, and strengthen existing ones; with each page, kids explore another fun way to build math confidence and master all kinds of math skills, including addition and subtraction, rounding, estimations, understanding fractions, time, money, geometry, and shapes. First grade math learning becomes fun, reinforcing a positive attitude towards math, complementing word problems, and problem-solving skills. Different approaches to learn number sense, addition, subtraction, including number bonds and CogAT test prep questions, help build fluency and speed in basic math concepts. My Big Fun First Grade Workbook features: 125+pages to build reading comprehension, grammar, vocabulary, math, and science skills for Ages 6 to 8 multiple Skills: Reading Comprehension, Grammar, Vocabulary, Writing, Addition and Subtraction, Place Value, Fact Families, Number Bonds, Word Problems, Problem-Solving Skills, Geometry, Time, and Money easy-to-follow instructions and clear examples help kids learn at their own pace on their own as they progress from easy to medium to more challenging exercises. First Grade Workbook by Home Run Press is the perfect way to introduce, review, and maintain essential first grade skills along with fun activities that support common core standards.

These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

[Ready to Learn: First Grade Write and Wipe Workbook](#) DK Children

Plant a seed of interest in science and watch it grow! Your budding scientist is sure to enjoy learning about weather, plants, insects, reptiles, birds, mammals, and more through informative activities and hands-on experiments such as "condensation on a

can" or a model for air pressure. They can make their very own rainbow on a sunny day or be a "flake detective" on the next snowy day. Build a pinecone bird feeder, separate fact from superstition, power through themed mazes, or break the "spider code." Develop vocabulary and reading comprehension skills, and also find suggestions for subject-related storybooks and informational books. Fun facts and the occasional riddle add to the joy. What a great STEM friend!

**Core Skills Science Grade 1** Penguin

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital materials. Provide students with the skills they need to think like scientists with this essential resource!
