Enter the golden age of Chinese culture and explore the everyday lives of its people.

The Secret Language of Stones Kristen Ashley

“An interactive and empowering book” to help African American men and women create a new vision of better health and navigate the health care system (BET.com). According to the federal Office of Minority Health, African Americans “are affected by serious diseases and health conditions at far greater rates than other Americans.” In fact, African Americans suffer an estimated 85,000 excess deaths every year from diseases we

know how to prevent: heart disease, stroke, cancer, high blood pressure, and diabetes. In this important and accessible book, Dr. Michelle Gourdine provides African Americans with the knowledge and guidance they need to take charge of their wellbeing. Reclaiming Our Health begins with an overview of the primary health concerns facing African Americans and explains who is at greatest risk of illness. Expanding on her career and life experiences as an African American physician, Dr. Gourdine presents key insights into the ways African American culture shapes health choices—how beliefs, traditions, and values can influence eating choices, exercise habits, and even the decision to seek medical attention. She translates extensive research into practical information and presents readers with concrete steps for achieving a healthier lifestyle, as well as strategies for navigating the health-care system. This interactive guide with

illustrations is a vital resource for every African American on how to live a healthier and more empowered life, and an indispensable handbook for health-care providers, policy makers, and others working to close the health gap among people of color. Says Gourdine, "I wrote this book to empower our community to solve our own health problems and save our own lives."

House of Kwa Storyville Press

The treacherous, magical, seductive world of Kingdom of the White Sea, introduced by USA Today bestselling fantasy author Sarah M. Cradit in *The Kingless Crown*, continues in this thrilling sequel, *The Broken Realm*. The crown demanded everything. The kingdom will answer. Chaos paints the White Kingdom. Missing children, dead nobles, and a daring escape have created an upheaval that threatens the future of the entire realm. The lords and ladies are armed with a powerful secret weapon as they prepare to make a stand against the crown, but the resistance has plenty to overcome before they can claim triumph. The lordless Westerlands prepares for war with the formidable Quinlanden Guard spreading their men and cruelty to every corner of their Reach. In the Easterlands, the sorcerer Mortain cultivates his ominous influence over the enslaved Saleen, a decisive threat he could unleash upon the kingdom with a snap of his finger. To the kingdom, it appears as if these assaults on their freedom are cosigned by the crown. It seems only a matter of time before the king's victory becomes total. But from his isolated throne in Duncarrow, King Eoghan has discovered his authority is not absolute. There are other powers at play, as sinister as they are resilient. Those close to him curate the facts

he is fed, keeping him tucked away in the dark while they issue orders in his name. As his control spirals, and opposing forces gain ground, the king's fragile resolve turns to desperation. Yet, across the kingdom, a quiet but powerful awakening of magic is taking place. One that began generations ago, on a cold night in Duncarrow... For content warnings, please visit sarahmcradit.com.

From award-winning author Ken Liu comes his much anticipated second volume of short stories. Ken Liu is one of the most lauded short story writers of our time. This collection includes a selection of his science fiction and fantasy stories from the last five years—sixteen of his best—plus a new novelette. In addition to these seventeen selections, *The Hidden Girl and Other Stories* also features an excerpt from book three in the *Dandelion Dynasty* series, *The Veiled Throne*.

Lord of Fire Totally Entwined Group (USA+CAD)

A New York Times Book Review Editor's Choice "Roger Clarke tells this [the story that inspired Henry James' *The Turn of the Screw*] and many other gloriously weird stories with real verve, and also a kind of narrative authority that tends to constrain the skeptical voice within... [an] erudite and richly entertaining book." —New

York Times Book Review "Is there anybody out there?" No matter how rationally we order our lives, few of us are completely immune to the suggestion of the uncanny and the fear of the dark. What explains sightings of ghosts? Why do they fascinate us? What exactly do those who have been haunted see? What did they believe? And what proof is there? Taking us through the key hauntings that have obsessed the world, from the true events that inspired Henry James's classic *The Turn of the Screw* right up to the present day, Roger Clarke unfolds a story of class conflict, charlatans, and true believers. The cast list includes royalty and prime ministers, Samuel Johnson, John Wesley, Harry Houdini, and Adolf Hitler. The chapters cover everything from religious beliefs to modern developments in neuroscience, the medicine of ghosts, and the technology of ghosthunting. There are haunted WWI submarines, houses so blighted by phantoms they are demolished, a seventeenth-century Ghost Hunter General, and the emergence of the Victorian flash mob, where hundreds would stand outside rumored sites all night waiting to catch sight of a dead face at a window. Written as grippingly as the best ghost fiction, *A Natural History of Ghosts* takes us on an unforgettable hunt through the most haunted places of the last five hundred years and our longing to believe.

Chinese Civilization Liveright Publishing

With the invasion of Dara complete, and the Wall of Storms breached, the world has opened to new possibilities for the gods and peoples of both empires as the sweeping saga of the award-winning *Dandelion Dynasty* continues in this third book of the "magnificent fantasy epic" (NPR). Princess Théra, once known as Empress Ūna of Dara, entrusted the throne to her younger

brother in order to journey to Ukyu-Gondé to war with the Lyucu. She has crossed the fabled Wall of Storms with a fleet of advanced warships and ten thousand people. Beset by adversity, Théra and her most trusted companions attempt to overcome every challenge by doing the most interesting thing. But is not letting the past dictate the present always possible or even desirable? In Dara, the Lyucu leadership as well as the surviving *Dandelion Court* bristle with rivalries as currents of power surge and ebb and perspectives spin and shift. Here, parents and children, teachers and students, Empress and Pékyu, all nurture the seeds of plans that will take years to bloom. Will tradition yield to new justifications for power? Everywhere, the spirit of innovation dances like dandelion seeds on the wind, and the commoners, the forgotten, the ignored begin to engineer new solutions for a new age. Ken Liu returns to the series that draws from a tradition of the great epics of our history from the *Aeneid* to the *Romance on the Three Kingdoms* and builds a new tale unsurpassed in its scope and ambition.

The King in Yellow HarperCollins

Wild Swans meets *Educated* in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been

sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in *House of Kwa*. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, *House of Kwa* is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthrals like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, *House of Kwa* is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets

of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multicultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, *House of Kwa* is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, *House of Kwa* is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book *Educated* by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM

'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

The Golden Dynasty St. Martin's Press

As a young double agent infiltrating the Soviet spy network in Nazi-occupied Paris, Andrew Hale finds himself caught up in a secret, even more ruthless war. Two decades later, in 1963, he will be forced to confront again the nightmare that has haunted his adult life: a lethal unfinished operation code-named Declare. From the corridors of Whitehall to the Arabian desert, from post-war Berlin to the streets of Cold War Moscow, Hale's desperate quest draws him into international politics and gritty espionage tradecraft -- and inexorably drives Hale, the fiery and beautiful Communist agent Elena Teresa Ceniza-Bendiga, and Kim Philby, mysterious traitor to the British cause, to a deadly confrontation on the high glaciers of Mount Ararat, in the very shadow of the fabulous and perilous Ark.

The Broken Realm (Kingdom of the White Sea Trilogy) DigiCat

The battle continues in this silkpunk fantasy as science and destiny collide against the will of the gods in this final installment

in the epic Dandelion Dynasty series from Hugo, Nebula, and World Fantasy Award-winning author Ken Liu. The concluding book of The Dandelion Dynasty begins immediately after the events of The Veiled Throne, in the middle of two wars on two lands among three people separated by an ocean yet held together by the invisible strands of love. Harried by Lyucu pursuers, Princess Théra and Pékyu Takval try to reestablish an ancestral dream even as their hearts grow in doubt. The people of Dara continue to struggle against the genocidal Lyucu as both nations vacillate between starkly contrasting visions for their futures. Even the gods cannot see through the Wall of Storms, for only mortal hearts can decide mortal fates. Award-winning author Ken Liu fulfills the covenants first laid out a decade ago in a series delving deep into the connection between national myths and national constitutions in this ambitious, "magnificent fantasy epic" (NPR).

Reclaiming Our Health Simon and Schuster

Written in English by a Japanese scholar in 1906, "'The Book of Tea'" is an elegant attempt to explain the philosophy of the Japanese Tea Ceremony, with its Taoist and Zen Buddhist roots, to a Western audience in clear and simple terms. One of the most widely-read English works about Japan, it had a profound influence on western understanding of East Asian tradition.

The Daily Show (The Book) PublicAffairs

When do governments merit our allegiance, and when should they be denied it? Ian Shapiro explores this most enduring of political dilemmas in this innovative and engaging book. Building on his highly popular Yale courses, Professor Shapiro evaluates the main contending accounts of the sources of political

legitimacy. Starting with theorists of the Enlightenment, he examines the arguments put forward by utilitarians, Marxists, and theorists of the social contract. Next he turns to the anti-Enlightenment tradition that stretches from Edmund Burke to contemporary post-modernists. In the last part of the book Shapiro examines partisans and critics of democracy from Plato's time until our own. He concludes with an assessment of democracy's strengths and limitations as the font of political legitimacy. The book offers a lucid and accessible introduction to urgent ongoing conversations about the sources of political allegiance.

[It's Better to Be Feared: The New England Patriots Dynasty and the Pursuit of Greatness](#) Penguin

From the author of the million-copy bestselling *The Art of Racing in the Rain* comes the breathtaking and long-awaited new novel. This novel centres on four generations of a once terribly wealthy and influential timber family who have fallen from grace; a mysterious yet majestic mansion, crumbling slowly into the bluff overlooking Puget Sound in Seattle; a love affair so powerful it reaches across the planes of existence; and a young man who simply wants his parents to once again experience the moment they fell in love, hoping that if he can feel that emotion again, maybe they won't get divorced after all.

The World Book Encyclopedia IndyPublish.com

As evocative and unpredictable as the people and places it chronicles, P.F. Kluge's *MacArthur's Ghost* is his most absorbing and ambitious novel to date. Set in the Philippines during the chaos of World War II and the decadent twilight of the Marcos era forty years later, *MacArthur's Ghost* is a complex and moving tale

of war and revolution, victory and defeat, promise and betrayal. Shifting back and forth in time, *MacArthur's Ghost* tells the story of Harry Roberts Harding, a reclusive American war hero who returns to Manila forty years after V-J Day courtesy of a film company making a movie about his exploits. To keep him out of trouble-- and out of their hair--the movie's shadowy producers pair Harding up with another American, a burnt-out young travel writer named George Griffin, who has washed up in the Philippines along with a hundred other "media professionals" on a tourism-industry junket. Hired to ghost-write Harding's memoirs, Griffin accompanies the old man up-country to retrace the progress of Harding's World War II campaigns. What begins as a simple excursion designed to reawaken old memories turns out in the end to be a dangerous and ultimately unforgettable odyssey of revelation and discovery. As the two men make their way further into the exotic countryside, and into Harding's hidden past, hints of a long-suppressed wartime secret dog their tracks--with life-and-death implications for the Philippines of the 1980s. Rich in characters and incident, sophisticated in structure and sensibility, *MacArthur's Ghost* brings alive the connections between past and present, victor and vanquished, in a world that America conquered but never controlled. Cheers Sterling Seagrave, best-selling author of *The Soong Dynasty*: "*MacArthur's Ghost* is a shrewd and witty book, well-wrought and full of memorable images. As a novel, it's more than a good read. Kluge has a gift for sharp political satire and a refreshing grasp of how America turned the Philippines into the world's largest brothel." [Christine Kringle](#) Yale University Press

The Tudors are England's most dramatic royal family-Henry VIII

notoriously divorced his queen and broke with the church of Rome, and Elizabeth I became the greatest English queen in history. But they are a dynasty still more extraordinary than the one we thought we knew. In an epic narrative sweeping from 1437 to the first decade of the seventeenth century, Tudor traces the rise and rule of the dynasty. Brutal political instability dominated England, and Leanda de Lisle reveals the personalities, passions, and obsessions of the men and women at its epicenter. This groundbreaking story opens at the unlikely beginning of the Tudor dynasty-with Owen Tudor, a handsome Welsh commoner who, with a pirouette and a trip, landed squarely in the lap of the English Monarchy. The struggle of Owen's grandson Henry VII and his heirs to secure the line of succession-and the hopes, loves, and losses of the claimants-are the focus of this book. The universal appeal of the Tudors also lies in the family stories: of a mother's love for her son, of the husband who kills his wives, of siblings who betray one another, of reckless love affairs, of rival cousins, of an old spinster whose heirs hope to hurry her to her end. Thrilling to read and bristling with religious and political intrigue, Tudor tells the true story behind the myths, throwing a fresh, new light on this perennially fascinating era.

Azura Ghost Simon and Schuster

"The Revolutionary War" provides a detailed overview of the American battle for independence and the forging of a nation. From the earliest skirmishes at Lexington and Concord to the decisive victory at Yorktown, to the writing of the Constitution and the struggles of early national America, this book tracks both the logistical and intellectual dimensions of the "revolution,"

which, as John Adams said, took place "in the hearts and minds of Americans . . . before a single drop of blood was shed." As much as it vividly documents the particulars of battle, it is the dizzying aftermath of the war and the complexities of fulfilling the "idea" of America that form the impressive substance of this book. Also discussed are the social, cultural, and artistic advances of the post-Revolutionary period, including women's suffrage and the beginning of public education, with special emphasis given to the "American Renaissance" and the rising of distinctly American literature.

The Moral Foundations of Politics Simon and Schuster
Chinese Civilization sets the standard for supplementary texts in Chinese history courses. With newly expanded material, personal documents, social records, laws, and documents that historians mistakenly ignore, the sixth edition is even more useful than its classic predecessor. A complete and thorough introduction to Chinese history and culture.

The Book of Tea Greenwood Publishing Group

Presents a behind-the-scenes look at the Roberston family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television.

Grace & Steel Orbit

"This important volume adds a significant number of new and unique materials for teachers at all levels of higher education to use in classroom and seminar discussion about the issues of gender, society, and religion in imperial China."--Benjamin Elman, author of *A Cultural History of Civil Examinations in Late Imperial*

China "The eighteen primary documents in this anthology, all of them translated for the first time, provide a rich array of sources on the lives of women in China's past. The anthology is important not only for the selection of documents but for the ways it

suggests we can think about, and find sources about, women in China. It is must reading for scholars and students alike."--Ann Waltner, author of *The World of a Late Ming Visionary: T'an-Yang-Tzu and Her Followers*
