## **HOLMES HARVEY**

---

*Very Best of Michael Schenker (Songbook)*  
Hal Leonard Corporation  
Composers, arrangers, conductors, session musicians, and executives worked in easy listening and scoring, complicating an academic focus that lionizes film music while ignoring or deriding easy listening. This book documents easy listening's connections with film music, an aspect

overlooked in academic and popular literature. Fueled by the rise of the LP and home entertainment, easy listening became the largest midcentury commercial music market, generating more actual income for the record business than 7-inch singles. Easy listening roped in subgenres including classical, baroque, jazz, Latin, Polynesian, "exotica," rock, Broadway, and R&B, appropriated and reinterpreted just as they were for cinema. Easy listening provided opportunities in orchestral music for conservatory-trained composers.

Major film composers such as Henry Mancini and Michel Legrand had a prodigious output of easy listening albums. Critics fault easy listening for structural racisms, overlooking its evolution and practitioners. Easy listening helped destabilize a tripartite record business that categorized product as race records, old time records, or general popular music. Charlie Parker's with Strings records altered the direction of jazz, profoundly influencing other performers, encouraging bold crosspollinations, and making money. The

influence of technology and historical contexts of music for work and leisure are explored. Original interviews and primary sources will fascinate scholars, historians, and students of cinema, television, film scoring, and midcentury popular music.

**The 2030 Spike** Vintage

(Guitar Recorded Versions). 16 songs from the 2005 greatest hits release by this popular heavy metal band which were recorded between 1984 & 2000, presented in authentic guitar transcriptions with notes and tablature. Includes: Beyond This Life \* Caught in a Web \* Erotomania \* Fatal Tragedy \* Learning to Live \* Outcry \* Panic Attack \* Stream of Consciousness \* Trial of Tears \* and more.

Jewish Songwriters, American Songs Hal Leonard

The clock is relentlessly ticking! Our world teeters on a knife-edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age.

Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastrophic consequences. In the face of both doomsaying and denial over the state of our world, Colin Mason cuts through the rhetoric and reams of conflicting data to muster the evidence to illustrate a broad picture of the world as it is, and our possible futures. Ultimately his message is clear; we must act decisively, collectively and immediately to alter the trajectory of humanity away from catastrophe. Offering over 100 priorities for immediate action, *The 2030 Spike* serves as a guidebook for humanity through the treacherous minefields and wastelands ahead to a bright, peaceful and prosperous future in which all humans have the opportunity to thrive and build a better civilization. This book is powerful and essential reading for all people concerned with the future of humanity and planet earth.

### Easy Listening and Film Scoring 1948-78

Schocken (Hot Licks). For the first time, the legendary Hot Licks guitar instruction video series is being made available in book format with online access to all of the classic video footage. All the guitar tab from the original video booklets has been re-transcribed and edited using modern-day technology to provide you with the most accurate transcriptions ever created

for this series. Plus, we've included tab for examples that were previously not transcribed, providing you with the most comprehensive Hot Licks guitar lessons yet! Friedman was best known for his solo albums on Mike Varney's Shrapnel label, and for his duo albums with Jason Becker in Cacophony and all this before he had spent an extended period as the guitarist in Megadeth. This book will help any metal guitarist add spice and speed to their playing, as Friedman covers unusual scales (Japanese-sounding scales, half-step bend scales, and more); odd time signatures; picking exercises; and even playing out of time. Learn from this unique guitarist!

**Guitar Atlas** 25 Top Metal Songs - Tab. Tone. Technique. (Songbook)Tab+ (Recorded Version (Guitar)). 15 megahits transcribed in notes and tab from throughout the illustrious career of these thrash metal masters: Angel of Death \* Black Magic \* Chemical Warfare \* Dead Skin Mask \* Dittohead \* Divine Intervention \* Hell Awaits \* Mandatory Suicide \* Postmortem \* Raining Blood \* Seasons in the Abyss \* Serenity in Murder \* South of Heaven \* Spill the Blood \* War

Ensemble.

*The Joe Satriani Collection (Songbook)* Hal Leonard Publishing Corporation  
Perfect for beginning blues and blues-rock guitarists, *Beginning Blues Guitar* is an introduction to basic blues theory, left-hand techniques, rhythm styles of Texas swing, slow blues, and minor blues---plus the styles of blues greats like Muddy Waters and Buddy Guy. Learn about call-and-response phrasing, intros, turnarounds, endings, and even improvisation. The second edition features new licks in the styles of some of the hottest contemporary blues artists, like Joe Bonamassa and Gary Clark, Jr., and includes brand-new video---hosted by expert educator and guitar virtuoso Jared Meeker---with exciting demonstrations of examples and techniques. *Beginning Blues Guitar* is the best step-by-step method for learning the substance and style of the blues.

Billboard Hal Leonard Corporation  
#1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of *The Bobby Bones Show*, one of the most listened-to drive time

morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting *The Bobby Bones Show* at 105.9 KLAZ. Bobby's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to explore the world, and the good values that shaped him. In this

funny, poignant memoir told in Bobby's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, *Bare Bones* is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.

**Slap Bass Bible** Hal Leonard Corporation Sinatra. Streisand. Dylan. Pavarotti. McCartney. Sting. Madonna. What do these musicians have in common besides their super-stardom? They have all worked with legendary music producer Phil Ramone. For almost five decades, Phil Ramone has been a force in the music industry. He has produced records and collaborated with almost every major talent in the business. There is a craft to making records, and Phil has spent his life mastering it. For the first time ever, he shares the secrets of his trade. *Making Records* is a fascinating look "behind the glass" of a recording studio. From Phil's exhilarating early days recording jazz and commercial jingles at A&R, to his first studio, and eventual legendary producer

status, Phil allows you to sit in on the sessions that created some of the most memorable music of the 20th century—including Frank Sinatra's Duets album, Bob Dylan's *Blood on the Tracks*, Ray Charles's *Genius Loves Company* and Paul Simon's *Still Crazy After All These Years*. In addition to being a ringside seat for contemporary popular music history, *Making Records* is an unprecedented tutorial on the magic behind what music producers and engineers do. In these pages, Phil offers a rare peek inside the way music is made . . . illuminating the creative thought processes behind some of the most influential sessions in music history. This is a book about the art that is making records--the way it began, the way it is now, and everything in between.

*Guitar World's 100 Greatest Guitar Solos of All Time* HarperCollins

Required reading for any metalhead, *Iron Maiden* is a compendium of in-depth, entertaining, and profusely illustrated conversations about all sixteen of the legendary metal band's studio albums. This new book from prolific rock journalist Martin Popoff pays tribute to the Iron Maiden's studio discography through a

series of in-depth, frank, and entertaining conversations about all sixteen of the legendary heavy metal band's studio albums. Inside, the author gathers together metal journalists, authors, and musicians, who offer insights, opinions, and anecdotes about every release. Together, the conversations comprise a unique historical overview of the band, covering everything from early albums with original lead singer Paul Di'Anno; the songwriting of founder and bassist Steve Harris; the impeccable talents of drummer Nicko McBrain and guitarists Dave Murray, Adrian Smith, and Janick Gers; mega tours undertaken in support of the LPs; fights within the band; and much more. Even their iconic mascot Eddie is sure to make an appearance or two! Popoff also includes loads of sidebars that provide complete track listings, details on album personnel, and information on where and when the albums were recorded. Every page is illustrated with thoughtfully curated performance and offstage photography, as well as rare memorabilia.

*Making Records* Hal Leonard Corporation (Guitar Educational). Mastering the guitar neck has always been a challenge, even

for very experienced players. The diagrams in Guitar Fretboard Atlas will help you quickly memorize scales and chords that may have previously seemed impossible to grasp. You'll be able to easily see and understand how scale and chord shapes are laid out and how they connect and overlap across the neck. This is a collection of roadmaps for the most important scales and chords. The material is presented in all 12 keys, using complete 24-fret neck diagrams with color-coded displays of the most common fingerings.

**Tab+** Hal Leonard Corporation (Guitar Recorded Versions). 18 of the most memorable songs from Pink Floyd's career in note-for-note guitar transcriptions in notes and tablature, including: Another Brick in the Wall, Part 2 \* Astronomy Domine \* Brain Damage \* Breathe \* Comfortably Numb \* Have a Cigar \* Hey You \* Keep Talking \* Learning to Fly \* Money \* On the Turning Away \* Pigs (Three Different Ones) \* Run like Hell \* Shine on You Crazy Diamond (Parts 1-5) \* Time \* What Do You Want from Me \* Wish You Were Here \* Young Lust \* and more.

**Schwann Compact Disc Catalog**  
Routledge

In *A Fine Romance*, David Lehman looks at the formation of the American songbook—the timeless numbers that became jazz standards, iconic love songs, and sound tracks to famous movies—and explores the extraordinary fact that this songbook was written almost exclusively by Jews. An acclaimed poet, editor, and cultural critic, David Lehman hears America singing—with a Yiddish accent. He guides us through America in the golden age of song, when “Embraceable You,” “White Christmas,” “Easter Parade,” “Bewitched, Bothered and Bewildered,” “Can’t Help Lovin’ Dat Man,” “My Romance,” “Cheek to Cheek,” “Stormy Weather,” and countless others became nothing less than the American sound track. The stories behind these songs, the shows from which many of them came, and the shows from which many of them came, and the composers and lyricists who wrote them give voice to a specifically American saga of love, longing, assimilation, and transformation. Lehman’s analytical skills, wit, and exuberance infuse this book with an energy and a tone like no other: at once sharply observant, personally searching,

and attuned to the songs that all of us love. He helps us understand how natural it should be that Wizard of Oz composer Harold Arlen was the son of a cantor who incorporated “Over the Rainbow” into his Sabbath liturgy, and why Cole Porter—the rare non-Jew in this pantheon of musicians who wrote these classic songs shaped America even as America was shaping them. (Part of the Jewish Encounter series)
