making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles Decide and Conquer, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. John Wiley & Sons This isn't just "someone's opinion"...It's the first, definitive, evidence-based guide to effective management. In The Truth About Managing People...and Nothing but the Truth, Robbins delivers principles you can rely on throughout your entire management career--regardless of your organization, role or title.

This is a management book that cuts through the soft opinion and conjecture books that have dominated the business shelves in recent years and shows what management researchers know actually works, or doesn't work, when it comes to managing people. Drawing on the author's 30+ years of research and textbook writing experience, Robbins has distilled the results of thousands of research studies on human behavior into over 60 proven "truths" that

can transform how you manage people--and the results that are achieved. The author provides guidance to you organized around key, human-behavior-related problem areas that managers face (hiring, motivation, leadership, communication, team building, conflict management, job design, evaluating performance and coping with change), along with guidance to help you apply the information and improve your managerial effectiveness.

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of

reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader.
