This was an important

movement that highlighted that students not only need to have knowledge of a language but also need to develop the ability to actually use it to achieve communicative purposes.Task s and task-types - Teaching and Learning Languages: A ...tasks. Tasks may or may not involve the production of language. A task usually requires the teacher to specify what will be regarded as

successful completion of the task. The use of a variety of different kinds of tasks in language teaching is said to make language teaching more communicative . . . since it provides a Task-Based Language Teaching - University of Alberta Task-based language teaching (TBLT), also known as task-based instruction (TBI), focuses on the use of authentic language and on asking students to do meaningful tasks using the target language. Such tasks can include visiting a doctor, conducting an interview, or calling customer service for help. Task-based language learning - Wikipedia Task-based learning is a strongly communicative approach to language teaching. In contrast, a PPP lesson is more teacher-driven. Students need to communicate with each other in order to compete a task so they are forced to find new ways of using language and it quickly becomes clear what areas they find difficult and what areas of knowledge they are lacking in.
