Constitutional Government Access Code Cengage Learning

The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

Power and Citizenship in American Politics - Brief Edition Pearson College Division

AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION, 2016-2017, shows you how easily and effectively you can participate in the political process. New features, up-to-date political news and analysis, and a great price make this text a top seller. Praised for its succinct format, balanced coverage, clarity, and readability, this book examines all the key concepts of American government, while providing interesting student-oriented features that further convey what active citizenship means. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition,

American Government: Roots and Reform provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

Central Ideas in American Government 11th Edition (generic) American Rivers Bundle Wadsworth Publishing Company

American Constitutional Law, Volume II provides a comprehensive account of the nation's defining document, examining how its provisions were originally understood by those who drafted and ratified it, and how they have since been interpreted by the Supreme Court, Congress, the President, lower federal courts, and state judiciaries. Clear and accessible chapter introductions and a careful balance between classic and recent cases provide students with a sense of how the law has been understood and construed over the years. The Tenth Edition has been fully revised to include twelve new cases, including key decisions *Obergefell v. Hodges*, *Burwell v. Hobby Lobby Stores*, *Shelby County v. Holder*, *Horne v. Department of Agriculture*, and *Riley v. California*. A revamped and expanded companion website offers access to even more additional cases, an archive of primary documents, and links to online resources, making this text essential for any constitutional law course.

Power and Purpose CQ Press

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features involve students in the material, including chapter outlines, suggested web links for research, and How Things Work boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents, election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes Who governs? And to What Ends? questions that open each chapter to engage students in the material, and Reconsidering Who Governs and Reconsidering to What Ends at the close of the chapter to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.

American Government and Politics Today Routledge

In today's climate of hyper-partisanship, blurred lines between political news, analysis, and entertainment, and outrageous comments from the chattering classes, who better than Tom Patterson to provide students with the tools and context to make informed judgments and become skilled political thinkers? Patterson's *The American Democracy* has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 11th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources. With expertise in the areas of public opinion, the media, and elections among other areas, Tom Patterson is a voice you can trust to help develop your students critical thinking skills when it comes to politics and political science. As Patterson notes, "Political thinking takes place within the context of a person's political interests and values, which can lead equally thoughtful individuals to reach opposing opinions on the same issue." If you are looking for learning materials to help ensure your students leave your course among those "thoughtful individuals" that will carry the debate forward in measured and informed ways, *The American Democracy* is the right choice for you.

GOVT McGraw-Hill Education

We the People develops students' political thinking skills through its innovative adaptive program. This brief program provides analytical tools that sharpen and deepen students' understanding of American politics, and supports them in mastering the core concepts of the course by learning how—not what—to think about politics.

Roots and Reform 2011 University of North Georgia

"Mass Media and American Politics is the most comprehensive and best book for political

communication. This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America. It has great utility and insight while being comprehensive but not overwhelming for students." —Jason Martin, DePaul University Known for its readable introduction to the literature and theory of the field, *Mass Media and American Politics* is a trusted, comprehensive look at media's impact on attitudes, behavior, elections, politics, and policymaking. This Tenth Edition is thoroughly updated to reflect major structural changes that have shaken the world of political news and examines the impact of the changing media landscape. It includes timely examples from the 2016 election cycle to illustrate the significance of these changes. This classic text balances comprehensive coverage and cutting-edge theory, shows students how the media influence governmental institutions and the communication strategies of political elites, and illustrates how the government shapes the way the media disseminate information. Written by Doris A. Graber—a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics—and Johanna Dunaway, this book sets the standard. American Government Wadsworth Publishing Company

Now considered a classic amongst political experts, "American Public Policy" is an excellent overview of the fundamental processes and content of American public policy. Peters gives a clear exposition of the public policy environment from agenda setting to evaluation, identifying the governmental structures and procedures through which policy is designed and implemented. With characteristic flair for lucid and lively discussion, Peters examines the problems, goals, and important issues in substantive policy areas, including health care, social security and welfare, education, energy, environment, defense and law enforcement. A new chapter on social policy covering important contemporary topics such as abortion, school prayer, and gay rights enhances the currency of this accomplished review of public policy.

American Constitutional Law, Volume II Boston : Little, Brown

The best text for teaching students to think analytically about American politics.

We the People Wadsworth Publishing Company

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, Point/Counterpoint and What Would You Decide?, where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, *PUBLIC ADMINISTRATION IN AMERICA* builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference!
