52 Things to Do While You Poo Simon and Schuster

The world's first activity book for kids focused on learning about the future of smarter cities! Exploring Smart Cities Activity Book for Kids provides a fun and engaging educational experience for a wide range of kids ages and learning styles. Activities and rhymes will provide endless hours of enjoyment at home and at school, and ample opportunities for topics to inspire a kid's interests now and into the future. Created by Dr. Jonathan Reichenal, one of the world's foremost authorities on smart cities, and his co-author, Brett Hoffstadt, the producer of many popular children's activity books on current technologies! There are over 40 engaging learning activities including:- Coloring- Mazes- Drawing- Word searches- Crosswords- Cryptograms- Connect-the-dots- Craft construction Plus, several multiplayer activities such as:- Scavenger hunt- Discussion topics- Brainstorming- Even a board game! Kids will be gently introduced to important topics such as:- Civil engineering- Public safety- Water management- The Internet of Things (IoT)- Alternative energy- Drones- Sustainability Today, more than half of the people in the world live in cities. In the years ahead, many more people will join them. Our future belongs to cities! Through fun and interactive activities, woven through an entertaining rhyming storyline, this book gives children a better understanding of the past, the present, and the future of cities.

How do you keep your brain working at its best as it ages? The Brain Fitness Book looks at the well-established science, and recent scientific revelations, and offers a well-balanced, clear, and colourful practical e-guide to keeping your brain fit. First, it shows you how your brain works - explaining how memories are stored and recalled, and how parts of your brain have different functions. It then gives you practical advice to keep the brain working to its maximum potential so that it is less prone to age-related decline and can conquer stress, anxiety, and the risk of depression. The ebook includes mental exercises and activities, featuring challenges from logic puzzles and visual reasoning to language learning and sensory exercises, stimulating as many parts of the brain as possible. As well as mental stimulation, the book highlights the role and importance of sleep, a healthy diet, and physical exercise. Keep challenging your mind in new ways with The Brain Fitness Book and maintain your brain.

The Viking Saga of Harri Bristlebeard Welbeck Publishing

This book has six types of puzzles and activities for young and old, 108 in all. There are: Mazes, Word Search, Crosswords, Complete the grid drawing, Word Creation, and FIND-A-QUOTE. This is a Cajun-themed puzzle and activity book. It introduces the reader to the fun, culture, geography, food, festivals and history of the south Louisiana area known as Cajun Country. Mazes - There are various types of mazes of different styles from easy to more difficult. Word Search is an activity where you find the words in the letter grid. These puzzles range from easy to more difficult and are an educational tool for most ages. Words can go horizontally, vertically and diagonally in all eight directions, including backwards or upside down. Crossword Puzzles - solve these puzzles and learn about Cajun culture at the same time. Word Creation - There are an assortment of Cajun town names listed where you must try to create as many words as possible with the available letters. Here is an example of how Word Creation works. How many words can be created from the word bear? The answer is: bare, bra, ear, bar, are, era, reb, be. Several town names also have anagrams that can be made. Complete the Grid Drawings - There are two drawings in each set. The top drawing is completed and the one below it has areas missing. Complete the drawing with the missing areas by using the completed drawing as your guide. This will help develop fine motor skills and exercise one's artistic abilities. Find-A-Quote - Find the quote by these renowned south Louisiana celebrities. Their quote is hidden in a mass of random letters of the alphabet. This book is helpful for all ages, from elementary through high school on up to senior citizens who want to exercise their brain and keep their mental faculties sharp. OUR PUZZLES ARE MEDICINE FOR YOUR BRAIN!As we get older, we are faced with the challenge of keeping our mind sharp to prevent dementia. It is important that we welcome mental stimulation and challenges. Solving activity book puzzles, such as tracing your path through mazes and solving word puzzles will help activate and exercise your brain. Solving these activities daily is like good medicine for your brain cells. It will go a long way toward protecting your brain and make it less prone to the lesions associated with Alzheimer's disease. Scroll up and click the "ADD TO CART" button to get the FUN TIMES started!

Epic Adventures Puzzle Book Buster Books

Discover and develop your pupils' strengths across the multiple intelligences by improving their problem solving skills. For teachers working across the Foundation Stage, Key Stages One and Two, Headteachers and those working at management level.

Arsène Lupin Puzzles John Wiley & Sons

Why this word search book? because contain coloring page + word search So do you want to boost your child's learning while providing hours of screen-free entertainment? This book of word search puzzles is the perfect choice. Word Searches are not only a great way to pass the time, but also provide a great exercise for keeping your brain fit. Word searches have been found to boost learning in a number of ways including increased processing speed, improved working memory (both short and long term memory), advancing logical and strategic thinking, expanding vocabulary, strengthening spelling proficiency, as well as providing a creative outlet for problem solving and competition. 500 word search puzzles: The large number of puzzles means hours of screen-free entertainment for your young learner. They are designed specifically for this age group (8-12) and were created by college-educated, native English speakers. Kid-friendly themes and categories with illustrations: Travel, Space, inspirational, Summer, and education... Every puzzle has a different theme and category, which helps develop word association and general language arts skills. Your Kid will absolutely love this new interactive way to help them learn and stimulate their minds.How to Solve the Family Word Search - Children will discover it any time regardless of what they attempt. Occasionally simple word searches are more fun than an intricate, multi-step jigsaw puzzle, which is what makes this activity so wonderful! Your child must find all of the correct words, one after the other, in the family word search puzzle!" This is a good idea for younger kids as it helps with phonics, sight words and spelling. Younger kids tend to forget letters while learning new words. By using the family crossword puzzles for kids you can help with this as the letters are easier to identify.

Picture Puzzles John Wiley & Sons

Optiman, Multi-Girl, and Mr. Calculus are Prime City's greatest superheroes. They're also mathematical marvels!
