Lonely Planet Israel & the Palestinian Territories

In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on newreaders' lip.

Badlands is a witty first-hand account of his travels through some of the most repressive and dangerous regimes in the world: Afghanistan, Albania,

Burma (Myanmar), Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colorful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today.

Israel and Palestine

Lonely Planet

A controversial, award-winning story about the passionate but untenable affair between an Israeli

woman and a Palestinian man, from one of Israel's most acclaimed novelists. When Liat meets Hilmi on a blustery autumn afternoon in Greenwich Village, she finds herself unwillingly drawn to him. Charismatic and handsome, Hilmi is a talented young artist from Palestine. Liat, an aspiring translation student, plans to return to Israel the following summer. Despite knowing that their love can be only temporary, that it can exist only away from their conflicted homeland, Liat lets herself be enraptured by Hilmi: by his lively imagination, by his beautiful hands and wise eyes, by his sweetness and devotion. Together they explore the city,

sharing laughs and fantasies and pangs of homesickness. But the unfettered joy they awaken in each other cannot overcome the guilt Liat feels for hiding him from her family in Israel and her Jewish friends in New York. As her departure date looms and her love for Hilmi deepens, Liat must decide whether she is willing to risk alienating her family, her community, and her sense of self for the love of one man. Banned from classrooms by Israel's Ministry of Education, Dorit Rabinyan's remarkable novel contains multitudes. A bold portrayal of the strains—and delights—of a forbidden relationship, *All the Rivers* (published in Israel as *Borderlife*) is a love

story and a war story, a New York story and a Middle East story, an unflinching foray into the forces that bind us and divide us. "The land is the same land," Hilmi reminds Liat. "In the end all the rivers flow into the same sea." Praise for *All the Rivers* "Rabinyan's book is a sort of *Romeo and Juliet*, a forbidden love affair between a Jewish girl from Tel Aviv and a Palestinian boy from Hebron. . . . [A] beautiful novel."—*The Guardian* "A fine, subtle, and disturbing study of the ways in which public events encroach upon the private lives of those who attempt to live and love in peace with each other, and, impossibly, with a riven and irreconcilable world."—John Banville, *Man Booker*

Prize-winning author of *The Sea* “I’m with Dorit Rabinyan. Love, not hate, will save us. Hatred sows hatred, but love can break down barriers.”—Svetlana Alexievich, winner of the Nobel Prize for Literature “Astonishing . . . [a] precise and elegant love story, drawn with the finest of lines.”—Amos Oz “Rabinyan’s writing reflects the honesty and modesty of a true artisan.”—Haaretz “Because the novel strikes the right balance between the personal and the political, and because of her ability to tell a suspenseful and satisfying story, we decided to award Dorit Rabinyan’s [*All the Rivers*] the 2015 Bernstein Prize.”—From the 2015

Bernstein Prize judges’ decision “[*All the Rivers*] ought to be read like J. M. Coetzee or Toni Morrison—from a distance in order to get close.”—Walla! “Beautiful and sensitive . . . a human tale of rapprochement and separation . . . a noteworthy human and literary achievement.”—Makor Rishon “A captivating (and heartbreaking) gem, written in a spectacular style, with a rich, flowing, colorful and addictive language.”—Motke “A great novel of love and peace.”—La Stampa “A novel that truly speaks to the heart.”—Corriere della Sera

 The first major account of the life of an extraordinary soldier and statesman, King Hussein of Jordan. Throughout his long reign (1953—1999), Hussein remained a dominant figure in Middle Eastern politics and a consistent

proponent of peace with Israel. For over forty years he walked a tightrope between Palestinians and Arab radicals on the one hand and Israel on the other. Avi Shlaim reveals that Hussein initiated a secret dialogue with Israel in 1963 and spent hundreds of hours in talks with countless Israeli officials. Shlaim expertly reconstructs this dialogue from previously untapped records and first-hand accounts, significantly rewriting the history of the Middle East over the past fifty years and shedding light on the far-reaching impact of Hussein's leadership.

The Middle East Lonely Planet

In *Itineraries in Conflict*, Rebecca L. Stein argues that through tourist practices—acts of cultural consumption, routes and imaginary voyages to neighboring Arab countries, culinary desires—Israeli citizens are negotiating Israel’s changing place in the contemporary Middle East. Drawing on ethnographic and archival research conducted throughout the last decade, Stein analyzes the divergent meanings that Jewish and Palestinian citizens of Israel have attached to tourist cultures, and she considers their resonance with histories of travel in

Israel, its Occupied Territories, and pre-1948 Palestine. Stein argues that tourism’s cultural performances, spaces, souvenirs, and maps have provided Israelis in varying social locations with a set of malleable tools to contend with the political changes of the last decade: the rise and fall of a Middle East Peace Process (the Oslo Process), globalization and neoliberal reform, and a second Palestinian uprising in 2000. Combining vivid ethnographic detail, postcolonial theory, and readings of Israeli and Palestinian popular texts, Stein considers a broad range of Israeli leisure cultures of the Oslo period with a focus on the Jewish desires for Arab things,

landscapes, and people that regional diplomacy catalyzed. Moving beyond conventional accounts, she situates tourism within a broader field of “discrepant mobility,” foregrounding the relationship between histories of mobility and immobility, leisure and exile, consumption and militarism. She contends that the study of Israeli tourism must open into broader interrogations of the Israeli occupation, the history of Palestinian dispossession, and Israel’s future in the Arab Middle East. *Itineraries in Conflict* is both a cultural history of the Oslo process and a call to fellow scholars

to rethink the contours of the Arab-Israeli conflict by considering the politics of popular culture in everyday Israeli and Palestinian lives.
