Pearson Higher Ed  
ALERT: Before you  
purchase, check with your

instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may

not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong

ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Directed primarily toward undergraduate courses in human resource management, this text also provides practical content to current and aspiring industry professionals. Fundamentals of Human Resource Management covers a wide range of HR topics and shows readers the importance of human resource management within the restraints of a compact semester.

Offering a wealth of functional examples and applications, this text emphasizes the notion that all managers need basic human resource management skills. This edition is the first text on the market to build its core around the talent management process—which the author defines as the goal-oriented and integrated process of planning, recruiting, developing, managing, and compensating employees. Note: This is the standalone book, if you

want the book/access card order the ISBN below: 013335508X / 9780133355086

 Human Resource

Management introduces you to the daily tools and skills you'll need to function as successful managers, in both HR and business in general. Using a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. With a heavy focus on emerging industry trends and the positive impacts of technology on HR, the 17th Edition prepares you with everything you need

to be effective managers and HR personnel in the 21st century.

### **Human Resource Management**

Pearson Education India

Dessler's book is written with the general manager in mind who wants to understand fundamental HR practices, methods, topics and relevant legal findings that would be helpful in making future HR decisions and solving multi-faceted problems. Topics include personnel planning and recruitment, training and developing employees, performance

management and appraisal, compensation, and corporate ethics.

Intended for practicing human resource and line managers who want to update their HR skills.

*Human Resource Management with MyManagementLab*

Prentice Hall

Modern human resources: technology, social media, and management. Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in

both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more

time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. For courses in management . Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight,

take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily customize the table of contents, schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer

insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.

Management of Human Resources: The Essentials, Fifth Canadian Edition, recognizes that human resources are now among the most important organizational assets, and thus brings both human resources and non-human resources readers into a current and comprehensive discussion about human resources today. The term human

resources refers to the employee--employer relationship in the workplace. The knowledge, skills, assets, and competencies employees bring to their work help the organization achieve its objectives; these resources provide a source of competitive advantage for organizations in a hyper-competitive, global environment.
