Knowing the Holy Spirit Through the Old Testament Baker Academic

Volker Rabens answers the question of how, according to the apostle Paul, the Holy Spirit enables religious-ethical life. In the first part of the book, the author discusses the established view that the Spirit is a material substance which transforms people ontologically by virtue of its physical nature. In order to assess

this "Stoic" reading of Paul, the author examines all the passages from the Hebrew Bible, early Judaism, Hellenism and Paul that have been put forward in support of this concept of ethical enabling. He concludes that there is no textual evidence in early Judaism or Paul that the Spirit was conceived as a material substance. Furthermore, none of these or any of the Graeco-Roman writings show that ethical living derives from the transformation of the "substance" of the person that is imbued with a physical Spirit. The second part of

the study offers a fresh approach to the ethical work of the Spirit which is based on a relational concept of Paul's theology. Rabens argues that it is primarily through initiating and sustaining an intimate relationship with God the Father, Jesus Christ, and with the community of faith that the Spirit transforms and empowers people for ethical living. The author establishes this thesis on the basis of an exegetical study of a variety of passages from the Pauline corpus. In addition, he demonstrates that Paul lived in a context in which this dynamic of ethical empowering was part of the religious framework of various Jewish groups. Reviews of the first edition: "Rabens's book is a model of thorough research, lucid argument, and careful exegesis."

Peter Orr in *Themelios* 35 (2010), pp. 452-455 "Overall Rabens has provided us with a fascinating and convincing account of how the process of "walking in the Spirit" takes place." Gary W. Burnett in *Journal for the Study of the New Testament* 33.5 (2011), p. 84 "To conclude, I recommend this monograph for three reasons. One, it is truly a "model" thesis in that it accomplishes its aims with clarity and simplicity. Secondly, it provides an excellent survey of Pauline pneumatology and ethics. Lastly, another benefit of this monograph is the intentional bridging of continental and English NT scholarship." Carsten Lotz in *LST - InSight Spring* 2011, p. 17 "This is a beautifully written book, detailed, stimulating and fresh. Its central thesis is strongly argued and

makes an important contribution to understanding Paul's ethics, theology and pneumatology." Jane Heath in *The Expository Times* 123 (2011), p. 138 "R.'s study is remarkably comprehensive and well-informed." Gitte Buch-Hansen in *Theologische Revue* 108 (2012), pp. 118-119 "Rabens" relational approach is carefully argued and will be of particular use to specialists in Pauline pneumatology and ethics, although the implications [...] will cause this study to be of interest to other specializations within Pauline studies in particular and biblical studies in general (e.g., cosmology, anthropology, soteriology)." Matthew P. O'Reilly in *Religious Studies Review* 38 (2012), pp. 20-21 "And here is the strength Rabens" work offers us. Not only is *The Holy Spirit and Ethics in Paul*

the work of a competent Neutestamentler who is able to realistically place Paul in both his traditional and contemporary context, but it is also a model of what effective biblical theology can offer the Church in a wider conversation." Mark Saucy in *Journal of Biblical and Pneumatological Research* 4 (2012), pp. 109-122 "Overall, R. provides a fascinating and convincing account of the work of the Spirit in the ethical transformation of the individual." Archie T. Wright in *Journal for the Study of Judaism* 44 (2013), pp. 117-118 "Systematisch klar, begrifflich hochpräzise und mit einem Interesse weckenden Spannungsbogen im Aufbau seiner Arbeit nähert sich Rabens einem "Glaubensthema" und beschreitet dabei den Weg von der Frage zu den Texten.

[...] Von der Gründlichkeit des Autors zeugt schließlich ein über 50-seitiger Appendix, der die Forschungsgeschichte der letzten 140 Jahre zum Thema "Paulus und Ethik" aufarbeitet." Hildegard Scherer in *Biblische Zeitschrift* 56 (2012), S. 306 "In der Paulus-Forschung wird die Beziehungs-Dimension in jüngerer Zeit zu Recht stärker wahrgenommen. In diesem Rahmen bietet Rabens" Arbeit eine wichtige und meines Erachtens notwendige Auseinandersetzung mit einem Paradigma der Paulus-Forschung, die zu Korrekturen nötigt." Stefan Schreiber in *Biblische Notizen* 152 (2012), S. 141

For many years Gordon Fee, one of today's foremost evangelical scholars, has been asked to bring his trusted biblical expertise together with his well-known passion for the gospel and the church. *Listening to the Spirit in the Text* is his answer. Gathered here are Fee's best studies and reflections on the art of attending to the biblical text critically yet with a deep spiritual sensitivity. These insightful chapters cover a wide range of contemporary topics, including the relationship between Bible study and spirituality, gender issues, worship, tongues speaking, church order and leadership, the believer and possessions,

and the role of the gospel in our global society.

We tend to think of the Holy Spirit as the straggler of the Trinity, a latecomer in God's interaction with the world. But our first introduction to the Holy Spirit is not the drama of Pentecost in the second chapter of Acts. We first meet the Holy Spirit in the second verse of the Bible, hovering there, speaking the world into existence. Christopher Wright begins here and traces the Holy Spirit through the pages of the Old Testament. We see the Third Person of the Trinity in the decrees of prophets and psalmists, in the actions of judges and craftspeople, in the anointing of kings and the promise of a new creation. Knowable and discernable in the Old Testament, the

Holy Spirit is thus eminently knowable to us. The witness of the whole of Scripture, from its first pages to its last, directs us to a Holy Spirit empowering the people of God, and sustaining and renewing the face of the earth.

It is impossible to separate our knowing of God and our experience of God. Our knowledge of God is an exact proportion to our experience of Him. Authentic Christianity is a life lived in and through

the sweet empowering presence of Jesus. The Holy Spirit as the presence of God in the world has been given to us to make the living Christ experientially knowable. We only know God to the degree that we experience the living person of Jesus. Without experiencing Him Who alone is Life we cannot simply live. It is by the continuous experience of Him that we continue to live and develop into His same image. His presence is not a gift for the holy but a gift to make us holy. Come to Jesus. He will take you, hold you and kill your fears, doubts and rebellious nature with the closeness of His embrace.

Bestselling Author Shows How to Access the Power of the Holy Spirit The majority

of Christians understand grace as not getting the judgment they deserve and receiving the eternal life they don't deserve. But the greatness of God's grace and his salvation are far more than what most of us have come to expect! Here Randy Clark shares what that "more" is--more love for God and others, more power, more joy, more faith, more results in prayer--and how believers can experience God's empowering presence in their lives to do more than they ever imagined. "More" is not only biblical, explains Clark, but essential for greater fruitfulness in ministry and for serving in the kingdom of God with joy and effectiveness. *Three Volumes in One* Mohr Siebeck
YOU CAN GROW IN WORDS OF KNOWLEDGE! Paul encourages believers

in 1 Corinthians 14:1 to follow after love and to eagerly desire the gifts especially prophecy. He would never tell us to pursue something or give us hope for gifts in the church if we couldn't engage them! Words of knowledge are one aspect of the prophetic gifts that we can develop just like any other spiritual gift. Shawn Bolz has been demonstrating a profound prophetic ability to share God's heart with people and know specific information about their birth, anniversaries, specific dates that mean a lot to them, personal information that no one else knows, family nicknames, pet names, and more. All of these details help people get a sense that God cares intimately about their real life and wants to engage them with deep relationship now. Learn to hear God in a way that

impacts peoples lives around you the way Jesus did!

How to Live as Jesus Lived Dallas Willard, one of today's most brilliant Christian thinkers and author of The Divine Conspiracy (Christianity Today's 1999 Book of the Year), presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention.

"In Paul, the Spirit, and the People of God, Pentecostal scholar Gordon Fee has redefined the terms of the discussion about the Holy Spirit in a way that transcends today's paradigm of 'charismatic' or 'noncharismatic' orientation. His words are a strong reminder of what God, through his Holy Spirit, intends the church to be. . . . His work is an attempt to point us back to the Bible and reinvigorate our own vision of how the Spirit mobilizes the community of believers in the local church."--Wendy Murray, author; former senior writer, *Christianity Today* "Gordon Fee, one of our truly master exegetes, has put steel and sinew into the words Spirit, spirit, and spiritual--words that have become flabby through subjectivizing indulgence and lack of

exegetical exercise. His accurate, fresh, and passionate recovery of the place and meaning of Spirit in Paul and for us Christians is a provocative stimulus and reliable guide to the recovery of the experienced presence of God in our lives. For those of us who want to live in continuity with all that has been revealed in Jesus and given in the Spirit, this is an eminently practical book."-- Eugene H. Peterson, professor emeritus of spiritual theology, Regent College

For the Spirit, being somewhat forgotten is an occupational hazard. The Holy Spirit is so actively involved in our lives that we can take his presence for granted. As they say, familiarity breeds contempt. Just as we take breathing for granted, we can take the Holy Spirit for granted simply because we constantly depend on him. Like the cane that soon feels like an extension of the blind man's own body, we too easily begin to think of the Holy Spirit as an extension of ourselves. Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17. The Spirit's work is as essential as the Father's and the Son's, yet the Spirit's work is always directed to the

person and work of Christ. In fact, the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ. The Holy Spirit is the person of the Trinity who brings the work of the Father, in the Son, to completion. In everything that the Triune God performs, this perfecting work is characteristic of the Spirit. In *Rediscovering the Holy Spirit*, author, pastor, and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit, showing that the work of God's Spirit is far more ordinary and common than we realize. Horton argues that we need to take a step back every now and again to focus on the Spirit himself—his person and work—in order to recognize him as someone other than Jesus or ourselves,

much less something in creation.

Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives.

If you are longing for a deeper and more meaningful prayer life, one that is far more empowered by communion with God and far less dependent upon rules of discipline to sustain your devotion, then this could be the book for you. In *Spirit-Empowered Prayer*, Manny Carlos uses examples from the formative years of his spiritual life to make an inescapable point--regimens and resolutions to pray more faithfully, passionately, and effectively are alone insufficient to sustain spiritual disciplines. His initial efforts to follow various formulas of prayer echoed the apostle Paul's frustration in Romans 7--desiring to do one thing but lacking the

power to accomplish it apart from the help of the Spirit. He builds on this theme of spiritual empowerment with a description of Brother Lawrence of the Resurrection, whose rule of discipline was a retreat from the heavy burden of monastic rules to a full-time contemplation of the love of God and a radically simplified approach to spiritual disciplines. Communion with God and the empowering presence of the Holy Spirit is the key--the only key--to genuine spiritual transformation. Spirit-Empowered Prayer serves as a practical guide to becoming a disciple fully engaged in Spirit-led prayer life. --- Manny Carlos serves as a bishop and the Chairman of Victory, Dean of Spiritual Life for Every Nation Seminary, and has been a pastor for over thirty years. He

holds a doctor of ministry in Preaching and Leading from Asbury Theological Seminary. He and his wife, Mini, have four adult children, Jeremy, Daniel, Hannah, and Samuel.

This is a book about the primacy and centrality of God and his unsurpassable presence, and what this means for the

Church. The presence of God is the core, the sine qua non, of mere Christianity. God's presence is what is needed to win the day over the present powers of darkness. This book shows what it means for a church to be presence-driven, and what leadership looks like in the presence-driven church.

Volume one in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE AND THEOLOGY series for pastors, advanced Bible students, and other deeply

committed laypersons addresses this challenging subject. God's Indwelling Presence asks and explores to answer: What are the spiritual differences and similarities between Old Testament and New Testament believers? Did God dwell in Old Testament believers as He does in New Testament believers? Were Old Testament believers born again (that is, experience regeneration)? What do the words indwelling and regeneration mean? How is the Holy Spirit's ministry similar or different during Old Testament and New Testament times?
