The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. Imbibe Chanakya’s wisdom to break loose from the web of troubles and create the life you desire on your terms. It is a treatise on the ideal way of life and shows Chanakya’s deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today’s times. The topics discussed in this book are morality, ethics, governance and several others.

Parashari Jaimini and Tajik are the three most popular systems of Vedic Astrology. Parashar gives more importance to the planets while Jaimini considers the rashis to be more important. Tajik is mainly used in Prashna Shastra and in Varshaphal. Tajik diverts slightly always from the main stream of the traditional methods and employs newer techniques of Astrology. 'Tajik Neelakanthi', of Acharya Neelakantha, which was composed in the 16th century AD, is the base of Taik Jyotish. This does not mean that Varshaphal and Prashna techniques were not practised in vedic Astrology before this. 'Uttar Kalamrit' of Kalidas mentions and describes the computation of Varshaphal dasha which is different from the 'Mudda dasha' of Varshaphal. Apart from this, 'Shat Panchashikha' of Prithyushyas is the established classic of Prashna Shastra, which was composed centuries before 'Tajik Neelakanthi'. Ancient Kairaleeya Jyotish is also well known for considering Prashna to be their main technique. The influence of Greek and Arab culture is clearly seen on the word 'Tajik'. Arrival of the invaders from Western Asia initiated the exchange of culture between India and West Asia. This exchange introduced some newer techniques to our Vedic Astrology. One of these techniques was Tajik. This has been marked as the beginning of Tajik jyotish. Tajik word does not belong to Sanskrit. There are different opinions regarding this issue. Some scholars consider it to be a distorted from of the word 'Jatak'. Another view is that meaning of Tajik is a horse in Turkish and Persian language. The speed of this technique has been compared to that of a horse and for this reason it has been named Tajik. In any case the influence of Mohammedans on this knowledge is very clear.

This is also confirmed by the other words of Tajik, namely mudda, muntha, saham and the names of the Tajik yogas like lthasal, Ikkabal, Ishraf, nakta, radda and khallasar etc. Moving at the average speed of 1° per day, Sun completes one round of the Zodiac in one year. For casting the annual horoscope we select the time when Sun reaches the longitude of the natal Sun. The horoscope cast for that date and time becomes the annual horoscope and the Varshaphal is decided on the basis of this horoscope. In a similar manner prediction for any year of the person's life can be given on the basis of the annual horoscope. In other words the annual horoscope is based on the longitude of the natal Sun and not on the date and time of birth. This also means that the date, day and time of the annual horoscope is generally different from that of the birth horoscope.

Hinduism is the Ancient Indian Caste system, which consists of the Vedic studies like Astrology, Magic, Psychology, Geography, etc. when we come across the Magic studies, it consists of White magic, Black Magic, Occultism and Witchcraft to get the supernatural dark powers, to dominate the enemies by physically and mentally, to know the future, to find the treasures, and to communicate with the gods and the magical beings beyond the human eye or other dimensions. In the Ancient Hindu Black magic, the Lord Shiva discussed the different manifestation forms of him and Divine mother Parvathy, which are invoked and evocated for the magic and occult purposes to get the supernatural powers. In this book, we are discussed in detail about it and provided a brief explanation and rituals to get the occult powers and occult procedures to dominate the enemy in business, health, love, success and many more. The enemy can be dominated in 4 forms.-By creating quarrel between him and his family or relatives or friends-By send him away from that place or even make him mad-By blocking his flow of energy in the body parts-By killing mantras. We discussed many rituals regarding these 4 aspects, and also we discussed about the money magic, attraction magic, self-protection, communicating with the ghost to torture the enemy, and evocation procedure of a Yogini as per the readers and students request. The Yogini will follow the practitioner commands and fulfil his/her desires. In a single word, it is not just a book, it is a dictionary of Ancient Hindu black magic to defeat the enemy completely and make him run away from us. So, don't miss this book, and use for your growth. Tirumantiram - A Tamil Scriptural Classic Westland

One of the greatest spiritual teachers of the twentieth century invites you on a journey through what makes human beings afraid—and how confronting fears strengthens us. In *Fear: Understanding and Accepting the Insecurities of Life*, Osho takes the reader step by step over the range of what makes human beings afraid—from the reflexive “fight or flight” response to physical danger to the rational and irrational fears of the mind and its psychology. Only by bringing the light of understanding into fear’s dark corners, he says, airing out closets and opening windows, and looking under the bed to see if a monster is really living there, can we begin to venture outside the boundaries of our comfort zone and learn to live with, and even enjoy, the fundamental insecurity of being alive. *Fear* features a series of meditation experiments designed to help readers experience a new relationship with fear and to begin to see fears not as stumbling blocks, but as stepping stones to greater self-awareness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the “1000 Makers of the 20th Century” and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The book principles of Nadi astrology is the very first book of Astrologer Gopalakrishnan is an eye opener in the world of Nadi astrology. Many people has not understood the usage of transit in Nadi astrology. this was the first book which explains clearly on the usage of the major transit like Saturn , Jupiter Rahu and Ketu. the lagna was used as the important starting point of the transit. Earlier most of the astrologers were using the Chandra lagna as the important point of the transit. Also the lordship of the transit of the of the planet where used rather than the Rashi is in which the planets were translating. This has brought a lot of appreciation. There are various kinds of nadi which uses variety of techniques to predict. Of course the result can vary from nadi to nadi. For instance in Bhirugu Nandi Nadi the karakas are used for predictions like venus for marriage, jupiter for self. Meena nadi uses the nashaktra paddathi which was popularized by the K.P people. Also people do not use Nadi amsa. so this book covers everything. This book is an eye opener for many people who have been exposed to nadi astrology. Many people think that some ancient rishis have written in old leaves about every one lives and there is lot of mystery shrouded in the nadi astrology. This book reveals the secret techniques used by the nadi readers in their day to day reading. These techniques are not available to the normal public or to the well known professional astrologer. USP of The Book First time a book in India explains the techniques of nadi astrology clearly. Any one who has basic knowledge of astrology can use it very well. one can give stunning prediction using these techniques. The rules of transit are different from what is given in other normal books. The principles of the dasa bhukthi reading is simply stunning superb simple. One can read the horoscope with out time of birth. Many examples are given for each of the chapters.

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention—specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. *Healing Mantras* is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and *Healing Mantras* now makes this sound medicine available to everyone.

For professionals navigating negative corporate karmas, *Leadership Lessons from the Bhagavad Gita* offers a way forward for overcoming self-defeating habits and managing the mind’s negative chatter that is often the main obstacle to effective leadership. By promoting a leadership approach of caring for followers, stakeholders and future generations, the book offers hope for harmonious workplace relations and a protected environment. Based on leadership by inspiration as opposed to leadership by control, *Leadership Lessons from the Bhagavad Gita* provides an alternative to conventional leadership. Particularly, in the times we live, where there is a crisis of faith in leadership, the insights from this book presents a vision of linked-leadership—leaders who are linked through loving-connection or bhakti-yoga with themselves (through self-knowledge), with other beings, with nature and with the supreme source. As exemplified by Krishna taking over the reins of Arjuna’s chariot, the crux of this book is leadership, not as a title or position, but as a commitment to service, excellence and virtuous character that motivates and inspires others to pursue the same. The unique insights from this book will help you make sense of different personality types to motivate others according to their natures and inclinations, which will support you in forming effective teams and creating a harmonious and prosperous organizational culture. In short, this book challenges and equips leaders to step up and cultivate unity and diversity, and achieve sustainable wellbeing and happiness in their organizations.

A Shiva lingam is an aniconic representation of Lord Shiva. Hindus worship Lord Shiva mostly in the form of a Shiva lingam, but its meaning has been one of the most debated topics. There are mainly two groups; one believes it is a sexual organ and others believe it is not. They both give many different arguments in the support of their perspective. With the advent of science and technology, one more group has emerged which strongly believes that there is some sort of science behind the concept of Shiva Lingam. But what are the reasons behind this confusion? 1. There are some stories in the Hindu scriptures that depict it as a sexual organ while some stories say it is a column of fire. 2. Many different meanings of the words linga and yoni. 3. Ancient pillar/phallus worship. 4. Different practices of different Hindu sects. 5. The shape of a Shiva lingam. In February 2010, the encyclopedia Britannica removed a sentence about Shiva lingam from its article. “In temples and private shrines, Shiva is ... worshipped in the form of the lingam, or phallus, often embedded in the yoni, the symbol of the female sexual organ.” It is believed that it did so because of the pressure of Netizens, but I doubt that a website like Britannica would do so unless there is some valid reason behind it. When we talk about religion, the scriptures are of utmost importance. Therefore, in this book, I have sought refuge mainly in scriptures to determine what exactly a Shiva Lingam is, but I have also considered other things like archaeological evidence, logic, history, science, etc. I am sure that this book would not only answer what a Shiva lingam really is but also you would learn many new things about Hinduism.

It is significant that the stories of Vishnu rose to prominence after the rise of Buddhism. Prior to that, Hinduism was the religion of the elite-based complex rituals known as yagna and esoteric speculations captured in texts known as the Aranyakas and the Upanishads. Bestselling author Devdutt Pattanaik offers insights into the stories and pictures of Vishnu.

Tirumantiram is the seminal text of Saiva-Siddhanta which has produced a galaxy of saints and has powerfully influenced the day-to-day life of millions in South Indiageneration after generation. Its author Tirumular was according to legend a yogi who took compassion on a herd of cattle that had lost their shepherd and entering the body of the shepherd by his yogic power continued to look after the flock. So when we find in this great classic such splendid gems as ""Anbe Sivam- God is Love — we realize that the great yogi preached only what he lived. His fervent message that the ultimate Reality is One and all of us belong to the same family has special relevance to us moderns who have lost our moorings of faith and are wandering between two worlds one dead the other powerless to be born. Apart from the literary merits Tirumantiram blazes a number of spiritual trails any of which the aspirant can follow with the full confidence that the Goal Supreme is within the reach.

Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.
