Greenwillow Hal Leonard Corporation (Vocal Collection). This collection is designed for those students, of any age beyond early teens, in the early stages of voice study, although the arrangements are so satisfying that more advanced singers will also enjoy them. The ranges are modest, and songs have been chosen for both genders. The new arrangements are lovely, fresh and interesting, but keep

the simple vocal line in the forefront. The piano accompaniments were deliberately designed for an intermediate level player. The audio includes beautiful performances of each song by professional singers to be used as a learning tool, and a piano accompaniment track for practice. Joan Boytim, the leading American expert on teaching the young voice, has added a preface about how to use these songs in the studio. Highlights: Barbara Allen * I Gave My Love a Cherry * Johnny Has Gone for a Soldier * Shenandoah * The Streets of Laredo * The Water Is Wide.

A New Musical Shadow Mountain
Rue McClanahan, best known for her portrayal of Blanche Devereaux on the Emmy-award winning series *The Golden Girls* reveals her life in and out of the spotlight in a laugh-out-loud funny memoir

about love, marriage, men, and getting older that is every bit as colorful as the characters she played. Raised in small-town Oklahoma in a house “thirteen telephone poles past the standpipe north of town,” Rue developed her two great passions—theater and men—at an early age. She arrived in New York City in 1957 with two-weeks worth of money in her pocket, hustled her way into a class with the legendary Uta Hagen, and began working her way up in the acting world against the vibrant, free-spirited backdrop of the sixties. That’s when she met and married Husband #1—a handsome rogue of an aspiring actor who quickly left her with a young son. Still, she was determined to make it on the stage and screen—and in the years that followed, rose to the top of the entertainment world with a host of adventures (and husbands) along the way. From her roles on Broadway opposite Dustin Hoffman and Brad Davis, to her first television appearances on *Maude* and *All in the Family*, to the *Golden Girls* era and beyond, *My First Five Husbands* is the irresistible story of one woman’s quest to find herself. Rue is proof that many things

can and do get better with age—and that, if she keeps her wits about her, even a small-town girl can make it big. People always ask me if I'm like Blanche. And I say, 'Well, Blanche was an oversexed, self-involved, man-crazy, vain Southern Belle from Atlanta—and I'm not from Atlanta!'"
—Rue McClanahan

Bestselling author Gary Thomas transforms the way you look at romantic relationships. His unique perspective on dating will prepare you for a satisfying, spiritually enriching marriage. In the revised edition of his hit book *The Sacred Search*, Gary Thomas helps single people of all ages make wise marital choices by rethinking what basis those choices should be made on. You will be encouraged to think beyond finding your "soul mate" and instead adopt a more biblical search for a "sole mate"—someone who will walk with you on your spiritual journey. Thomas asks, What if we focused on why we should get married more than on who to

marry? What if being “in love” isn’t a good enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy? The Sacred Search casts a vision for building a relationship around shared spiritual mission—and making marriage with eternity at its heart.
