[Russian Language, Life and Culture Teach Yourself](#) Starting from scratch, this guide teaches you how to read and write the Russian alphabet correctly from the beginning. It will enable you to understand enough from signs, directions, instructions and menus to be able to get by on your next visit to Russia or to take your study of the language further. The book is divided into different sections. Units one to

four introduce you to the letters of the printed alphabet step-by-step with exercises to practise each new point. In these units each new Russian word will also be transliterated so that you can practise saying the words as well as reading and writing them. The fifth unit is a revision unit so that you can review what you have learnt and go back over any areas of difficulty. In units six and seven, you will learn how to read and write the handwritten Russian script. Finally, in units eight to ten, you will be given practice on specific topics - town and transport, hotel and restaurant, and hobbies. By the end of the book, you should be able to understand how the Russian script

works and will have mastered the basic of reading and writing Russian.
