Editions Asap

This is a great eBook. This is the Summarized Version of the Original Book. We had added almost 48000 words in our long summary and about 7400 words in our short summary of the book. the brief description is written as follows: -Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes. Vatsyayana Mallanaga is its widely accepted author because his name is embedded in the colophon verse, but little is known about him. Vatsyayana states that he wrote the text after much meditation. In the preface, Vatsyayana acknowledges that he is distilling many ancient texts, but these have not survived. He cites the work of others he calls "teachers" and "scholars", and the longer texts by Auddalaki, Babhravya, Dattaka, Suvarnanabha, Ghotakamukha, Gonardiya, Gonikaputra, Charayana, and Kuchumara. Vatsyayana's Kamasutra is mentioned and some verses quoted in the Brihatsamhita of Varahamihira, as well as the poems of Kalidasa. This suggests he lived before the 5th-century CE. Human relationships, sex and emotional fulfillment are a significant part of the post-Vedic Sanskrit literature such as the major Hindu epics: the Mahabharata and the Ramayana. The ancient Indian view has been, states Johann Meyer, that love and sex are a delightful necessity. Though she is reserved and selective, "a woman stands in very great need of surata (amorous or sexual pleasure)", and "the woman has a far stronger erotic disposition, her delight in the sexual act is greater than a man's"

100 Kama Sutra Sex Positions (Improve Your Sex Life) Quiver Books

"Beauvoir in Time situates Simone de Beauvoir's *The Second Sex* in the historical context of its writing and in later contexts of its international reception, from then till now. The book takes up three aspects of Beauvoir's work more recent feminists find embarrassing: "bad sex," "dated" views about lesbians, and intersections with race and class. Through close reading of her writing in many genres, alongside contemporaneous discourses (good and bad novels in French and English, outmoded psychoanalytic and sexological authorities, ethnographic surrealism, the writing of Richard Wright and Franz Fanon), and in light of her travels to the U.S. and China, the author uncovers insights more recent feminist methodologies obscure, showing Beauvoir is still good to think with today"--

When was the last time you tried something extraordinary in bed? Do you know what your spouse

desires in bed, and can they tell what turns them on? Read on to know more... The hope is that this book will give you the tools you need to keep your sex life fresh and continually changing, introducing you to the world of the Kama Sutra. You may have tried some of the Kama Sutra positions in the past and need help to learn more. Maybe you are new to sex and want to study different positions for beginners. Perhaps you've tried all the classics and are looking to get into something completely new and adventurous. This book covers the following topics: ★ What is Kamasutra; ★ The History of Kama Sutra; ★ Benefits of the Kama Sutra: Practicing Love Making for a Healthy Body and Mind; ★ Erogenous Zones; ★ Kama Sutra Positions for Male Orgasm. And much more! Use every experience as a learning opportunity and allow it to guide you as you move forward. If you find that you're losing confidence using certain words and sentences, by all means, stop right there and never use them again - you've found your comfort limits. There's no need to break through them if you don't want to. Practice those dirty words in front of the mirror or build up to them slowly over time by aiming for some softer fantasy role-play first. Over time, you will begin to build a sexual repertoire that you never dreamed you'd be capable of. Your dirty talk has unlocked the door to all sorts of experiences you didn't know how to ask for, and you'll enjoy some a lot more than others. What a pleasure it would be to have sex in the same places over and over again and never make the most of your orgasm! If you haven't already, try some of the things you learned from reading this book, and I assure you that your sex life will be much better. Click to buy now!

The Great Indian Novel Hearst Books

In Sanskrit, the Kama Sutra - or "love writing" - is one of the best known texts on love and sexuality of ancient India. In this work, we will explore some aspects covered in the original text and see how they are relevant to modern relationships. This book is aimed at experienced couples and individuals who are going to start a relationship. It is for individuals who just don't want to stop at the sexual act, but they want to improve their relationship in every respect. This book will help you build a stronger relationship, avoid the max common mistakes, and breaking down the obstacles that keep you from achieving pleasure. We will discuss areas such as foreplay, flirting, sensual fantasies, fetishes and all that can be used to enhance the relationship with your partner and keep the spark alive. By browsing this book, you will find a whole arsenal of all sexual positions introduced in the Kama Sutra. You will become more familiar with magical sexual ceremonies, strategies for postponing orgasm, oral sex and the different parts of sexuality.

Special Updated Edition Simon and Schuster

The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanskrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.

Sex Positions That Will Change Your Life Forever Kyle Books

You Want to Master the Best Sexual Positions and Discover New Kinky Ideas with Your Partner?

Laurence King Publishing

"Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future."

This book's mission is to bring about exciting and invigorating change to your normal sex routine! □ □ Scroll up to the top of the page and click the "Buy Now" button! □ □ **365 Sex Positions** Sterling Publishing Company, Inc.

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

The Modern Kama Sutra Apex Universay Pty Limited

The original Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra came out just before Star Wars: The Force Awakens and has sold thousands of copies around the world. Now, here we are, two years later and it's time for Star Wars: The Last Jedi. Like Lucas did with his special

editions (but our changes are actually good), I wanted to take a moment to go through the original book and smooth out some rough edges, get rid of some jokes that didn't land, and add in a bunch of new positions, featuring toys from the Star Wars movies and TV shows that have come out since the first edition. The same warning applies from the original publication. This isn't a text book, it's a

funny book. It's for grown-ups with a twisted sense of humor. Most importantly, it is a work of independent parody, made with love and reverence for all things Star Wars. Don't buy this for a child, buy it for your partner, spouse or friend. And remember, the internal temperature of a Taun Taun is still "Luke Warm." - May The Force Be With You.
