It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.

Discover Your True Worth in Christ. What comes to mind when you hear the word masterpiece?

Perhaps you think of a beautiful painting, a spectacular home renovation, or a captivating sunset. But few of us would describe ourselves with that word. We tend to listen instead to the lies that define us as rejected, unwanted, less than, ugly, stupid, or a failure. Sometimes we can feel more like worthless junk than a valuable masterpiece. Yet that is exactly what God's Word says that we are! In *For His Glory*, Marian Jordan Ellis leads us in an in-depth study of Ephesians to help us dismantle the lies we've believed about ourselves and replace them with a new identity built on God's Word. The truths in this beloved epistle speak to the core beliefs we carry about ourselves, revealing to us our part in God's magnificent design to redeem a people for Himself who reflect His glory to the world. Drawing on her own journey of transformation and her passion to equip women to overcome shame, insecurity, inferiority, and condemnation, Marian invites us on a journey to discover our true worth in Christ, our status as beloved children of God, and our glorious calling as His masterpiece.
