RAMOS JUSTICE

A Daily Advent Devotional Sourcebooks, Inc.
 To the outside world, Siena McMahon has a fairy-tale life. Born into a great Hollywood dynasty-granddaughter of movie legend Duke McMahon, daughter of billionaire producer Pete McMahon-she is blessed with beauty, brains, and wealth...a proverbial princess. Yet behind the wrought-iron gates of the sprawling McMahon mansion in Hancock Park, her life is far from idyllic. The McMahons are bound together not by love but by infighting and ambition. When a gold-digging English aristocrat, Caroline Berkeley, worms her way into their lives and their home, the family's potent mix of jealousy and wealth explodes. Packed off to school in England, Siena starts making plans to leave the moment she arrives. She is determined to become a Hollywood star in her own right-just as her grandfather had said she would be. And once back in L.A., the rejections, betrayals, and failures she'll face will only make her stronger and tougher than ever before. But at what price? In the utterly dysfunctional landscape of her life-among friends, lovers, and family-she

must find the people who will help her survive, help her become the person she was meant to be, help her be truly Adored. Set in the most glamorous cities of the world-L.A., London, Paris, and New York-Tilly Bagshawe's debut novel is like the real-world Hollywood it mirrors: deliciously escapist, wickedly sexy, and always irresistibly compelling.

 Achieve the pinnacle of leadership In today's divisive environment, leaders of honorable character

are more important than ever. In *Adored*, Tom DeCotiis defines a leader of honorable character as someone earning a reputation for human goodness combined with outstanding achievement. Dr. DeCotiis labels such a leader as "Adored" and explains why being adored by followers is so important. It is also very rare. Drawing on a fifty-plus year career as a teacher, entrepreneur, and CEO of a company with a forty-year record of success, DeCotiis conveys a message of values-based leadership that makes no distinction between ethical principles and business acumen. He skillfully mixes his own personal narrative with actionable and insightful lessons using examples from business, sports, and the military to create a valuable guide for leaders who aspire to be adored and memorable rather than merely accepted.

A debut thriller for fans of Lucy Foley and Liz Moore, *Dark Things I Adore* is a stunning Gone Girl-esque tale of atonement that proves that in the grasp of manipulative men, women may momentarily fall. But in the hands of fierce women, men will be brought to their knees. Three campfire secrets. Two witnesses. One dead in the trees. And the woman, thirty years later, bent on making the guilty finally pay. 1988. A group of outcasts gather at a small, prestigious arts camp nestled in the Maine woods. They're the painters: bright, hopeful, teeming with potential. But secrets and dark ambitions rise like smoke from a campfire, and the truths they tell will come back to haunt them in ways more deadly than they dreamed. 2018. Esteemed art professor Max Durant arrives at his protégé's remote home to view her graduate thesis collection. He knows Audra is beautiful and brilliant. He knows being invited into her private world is a rare gift. But he doesn't know that Audra has engineered every aspect of their weekend together. Every detail, every conversation. Audra has woven the perfect web. Only Audra knows what happened that summer in 1988. Max's secret, and the dark things that followed. And even though it won't be easy, Audra knows someone must pay. A searing psychological thriller of trauma, dark academia, complicity, and revenge, *Dark Things I Adore* unravels the realities behind campfire legends—the horrors that happen in the dark, the girls who become cautionary tales, and the guilty who go unpunished. Until now.

This book discusses the mortal life and ministry of Jesus Christ. Although there have been many books written about Christ, this one is unique. By closely examining the historical setting in which He lived, His radical teachings and the deliberate sacrifice of His life, we see Jesus Christ as a stunning leader, teacher and example. His words still challenge mankind. His example still towers above history. His teachings still require us to answer the question He put to all His followers: "What think ye of Christ?" This book is the author's answer to that question. It will help you decide your own answer to the question. You will be introduced to a Jesus Christ you likely have not met—until now.

For anyone who longs to experience God in the thick of life's demands, Sara Hagerty's *Adore* offers a simple, soul-nourishing practice for engaging with God in the middle minutes of your day. None of us signed up for a conventional experience with the unconventional God, yet too often the spiritual life can become routine, dare we say, even boring. In *Adore*, Sara Hagerty gives us all permission to admit "I barely know You, God," and with this honest admission, to scoot a little nearer to this familiar stranger. Adoration is the simple practice Sara discovered for starting where you are, and letting the grit of your day greet the beauty of God's presence. Adoration is for the woman who feels frenzied and fearful in the middle minutes of her day. It is a simple practice for 7:37 a.m. when the children are waking and the dryer is already humming but also for the 12:17 p.m. lunch break and for 5:53 p.m. while stuck in traffic. Adoration is the place where we put how we feel in front of God's Word, and watch what happens to our insides. It's what you were made for. Join Sara in this soul-stirring journey through thirty attributes of God which you can walk through at your own pace. Learn how the simple habit of adoration—in the middle minutes of your day—can help you see God with fresh eyes, and talk to Him right there. Experience a new way of engaging with God in your everyday. *Adore* will show you how.

Winston Frame is the self described, urban "poet of death and despair." Young, dour, pale and handsome, he is, much like Ian Curtis of Joy Division, also haunted and suicidal. When the pressure of impending success, fatherhood and an affair get too much, he hangs himself. Only his journey is not quite over. Winston finds himself in Purgatory, which is a Weimar style cabaret full of animal acts, exhausted chanteuses and the borscht belt comic Bobby Lemondrops. His guide is "Mad Simon," who seems intent on keeping Winston's damned soul out of Hell. Simon's agenda is hidden but we get the idea that this is no ordinary tour guide. It's *A Wonderful Life* meets *24 Hour Party People*, *I Wanna Be Adored* is as strangely sweet as it is delirious and austere. "Beginning with a series of punchy and surprising scenes that include a woman getting spanked with a trout, a fight and a striptease by a wheelchair bound woman, the show maintains a gleefully racy tone throughout." -Jason Zinoman, *Time Out New York*

Two months have passed since Urban left Normani, not only dealing with a damaged body, but a broken heart as well. Promising to never fall foolishly in love with another man again, Normani starts over with the very charming Bull, who is able to give her everything she's desired in a man without the mental instability that came with Ward or the broken promises a relationship with Urban guarantees. Normani is convinced that her failed relationships have paved the way for her

to find better, when Urban reappears in her life after going ghost during her recovery. His words are as sweet as she remembers, and the apologies she swore she would reject feel fresh after months of healing. However, Urban still comes with the same baggage he did before, forcing Normani to decide if she's willing to try again in the name of true love or accept the possibilities that come with Bull and the idea of a new love. A snake lies in wait, stalking Urban's legacy with the hopes of upending The Trust. The one person in the world who has always pledged his loyalty to the blood that binds him to the Mackenzie family has disavowed them of the opportunity to reign over the vast drug empire. While Urban knows the liabilities that come from jealousy, what he doesn't expect is for Malone to turn on the same people who have stood beside him during his darkest hours. With the ability to foreshadow better than most, Urban evades the traps set by the FBI, although he doesn't catch his brother's deception until it's too late. Malone had planned his coup perfectly, from the execution to aftermath. However, he fails to plan for the wild card that no one saw coming: Trish. With a target on her back, courtesy of the Veracruz Cartel, Trish is backed into a corner and forced to fight to live another day. With her sanity and livelihood on the line, she makes the perfect contender to go head-to-head against the cartel who wishes her death, making for an unforgettable battle for the throne. The stakes are higher than ever in the final installment of *Adored* by a New York Drug Lord, as a familiar enemy stakes out The Trust and threatens to not only upend Urban's legacy but take out as many bodies as possible. The question isn't which hustler will Normani give her heart to or if Trish will have the happiness she deserves, but if Urban can save his kingdom before the clock runs out.

The most terrifying novel you will read this year... Max admits to killing the young woman whose still-warm, disembowelled body was found beside him - but he claims to be suffering from DID, a multiple-personality disorder and common alibi for murderers. Strawberry-blonde psychiatrist Irene Cogan is brought in to assess his claims and is astonished to find that Max has many more alters - or alternative personalities - than any DID sufferer she's previously encountered. But what Irene doesn't know is that one of those alters is a suspected serial killer the FBI know as Casey - a man responsible for the disappearance, and almost certain death, of several women. Women with just one thing in common - strawberry-blonde hair....
