Plato and a Platypus Walk into a Bar . . . Penguin Books India  
Beginning with Timur, Sultan Ghazni who invaded India  
seventeen times at the head of a large army, plundering the  
country of its great wealth, to the last Mughal Emperor Bahadur  
Shah, banished from the country by the British - details and  
descriptions of every incident and each king astonish and  
exhilarate us. The approach is direct, simple and unambiguous.  
From Timur to Bahadur Shah it is one engaging account. The  
book should find a place in every household, as an authentic  
account of ourselves. A flawless portrait. -THE HINDU Madhan  
while explaining historical events uses modern similes... In spite

of being a cartoonist in his previous avatar Madhan did not  
caricature the Moghul Emperors and their subjects. I am so  
pleased he did not sit on judgement as a south Indian non-Muslim  
writer. -KAMAL HAASAN

Katha Vilasam Wentworth Press

The first part deals with the concept of inner experience -  
thoughts, emotions, feelings, perception and knowledge among  
their things. In the second part, the essence of some great souls  
is presented - people who lived in different eras and who could  
offer to mankind a movement forward in the most selfless  
manner. In the Third and the concluding part the book describes  
the journey of the soul and its various manifestations as the  
unfolding of an eternal essence.

*Your Dreams Are Mine Now* Penguin UK

In *Beyond the Silence*, Nan sheds more light on the Spiritual

Master Meher Baba's ever-readiness to reach out in 'Silence' to each and every person who calls out to Him from the depths of their hearts. It draws one closer to the understanding of the real goal of human life by laying emphasis on the thread of Love, which not only seams the physical and the spirit worlds - but also brings all of us together as one big family... into the New Humanity. Beyond the Silence is the chronicle of Nan's generous willingness to help people who have been struck by tragedy and grief. She has done this by enabling them build a bridge across the two worlds - through the loving and caring messages of her son Karl who dwells in the spiritual realms. Nan has thus been a shining beacon to thousands of people who have, with the Master's Grace, and the caring intervention of Karl, found their own answers and way out of sorrow and pain. Beyond the Silence is her continuing account of people from all walks of life who are entering into His ever-growing, loving fold. She is the author of the best-selling book Sounds of Silence, and its sequel Listening to the Silence. About the Author At one time, Nan Umrigar had absolutely no inclinations towards spirituality. But all that changed with the untimely death of her son Karl, a champion jockey. During a long period of grieving, Nan, as fate would have it, met some people who communicated with their loved ones in the spirit world. Soon, she also started communicating with her lost son and began to receive 'messages' from him that would alter the course of her life forever. Initially, while she felt exhilarated, she could not help but question this phenomenon. Was she fantasizing, imagining things or just indulging in wishful thinking? Was there really a higher energy force- angels, guides, guardians and a God? As Nan delved deeper, building a bridge

across two worlds, she decided to share her experience with others. This led her to writing a book in which she detailed how Karl showed her the way out of grief towards happiness, and how she came to believe in Meher Baba- her sons Spiritual Master. With her insights and her immovable faith, Nan has helped many people deal with the loss of their loved ones. "With Baba's help" she says, "many hearts have been healed." And, many lives have undergone a change for the better.

#### Thoughts-- of the Inner World Penguin

This New York Times bestseller is the hilarious philosophy course everyone wishes they'd had in school. Outrageously funny, Plato and a Platypus Walk into a Bar... has been a breakout bestseller ever since authors—and born vaudevillians—Thomas Cathcart and Daniel Klein did their schtick on NPR's Weekend Edition. Lively, original, and powerfully informative, Plato and a Platypus Walk Into a Bar... is a not-so-reverent crash course through the great philosophical thinkers and traditions, from Existentialism (What do Hegel and Bette Midler have in common?) to Logic (Sherlock Holmes never deduced anything). Philosophy 101 for those who like to take the heavy stuff lightly, this is a joy to read—and finally, it all makes sense! And now, you can read Daniel Klein's further musings on life and philosophy in Travels with Epicurus and Every Time I Find the Meaning of Life, They Change it.

A lyrical and poignant gift from one of America's great storytellers. On a sunny summer day in 1948, Noah Locke arrives in Bowerstown, a small North Carolina community bordered by lakes and set deep in the Valley of Light. A quiet, simple man and a war veteran, Noah has a mystical gift for fishing, yet he remains haunted by the war and by the terrible scenes he witnessed when his infantry unit liberated Dachau. His wandering -- doing odd jobs and catching fish for sale or trade -- is both an escape from his past and a search for a place to call home. In the valley, Noah is initially treated with amusement by the locals he meets at Taylor Bowers's general store -- until he begins fishing. Once they see his almost magical skills, however, he becomes the talk of the valley and is urged to stay long enough to participate in the

annual school fishing contest. He agrees, accepting a job offer by Taylor to paint his store when he isn't filling orders for fish. He finds lodging in an abandoned shack by a small lake the locals call the Lake of Grief and, also, the Lake of No Fish, because they think all the fish have disappeared. Noah knows they are wrong. Beneath the water is a warrior bass waiting to test Noah's gift. In the way that innocence creates powerful events, Noah meets Eleanor Cunningham, a young widow whose husband supposedly killed himself after returning home from the war. Over the course of a week, Noah will be led into the secret lives of the residents of the Valley of Light, will join them as they mourn a tragedy, and will experience a miracle that will guide him home at last. Luminous, memorable, and deeply moving, *The Valley of Light* is the finest work to date from a brilliant storyteller.

Katha Vilasam: The Story Within offers a path-breaking series of 50 articles by S. Ramakrishnan, published over the course of four years in the widely read Tamil magazine Ananda Vikatan, to a wider reading public through translation into English. The writing style is intentionally direct and compact to suit a magazine readership. Nevertheless, the prose is elevating, even lyrical at times. There are "Aha" moments aplenty. The author uses a unique device in these units. They are "stories within stories". In each unit, he describes an incident from his own experience and relates it to a short story he has read by a particular eminent Tamil writer. He paraphrases/summarises the writer's story, melds it into his own reminiscence, and allows the two to resonate and create a musical signature in the reader's mind. Thus, 50 noted short story writers in the Tamil language are featured here. The avowed purpose of the author was to introduce the readers of Ananda Vikatan (who may have been readers of nothing but magazines) to also delve into the works of excellent Tamil short story writers. The series ran for four years and was very well received by readers. Each unit deserves to be read and re-read not only for the insights and information about writers in different genres, but for the word wizardry and imagery that flow effortlessly through the lines. It is hoped that this English translation will teleport these unique offerings to a wider reading public and bring the works of excellent Tamil writers into

the lives of discriminating lovers of literature everywhere.
