 The objective of our 'New Jersey Test Prep PARCC Practice Book Grade 3' is to provide students, educators, and parents with practice materials focused on the core skills needed to help students succeed on the third grade PARCC Grade 3 NJ Assessment in 2017-18. A student will fare better on a test when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with the format and structure of the test. This book helps students do both. Students can use this math practice workbook to review key material and practice with standard-tethered skill-building exercises. They can also take PARCC math Grade 3 practice tests that reflect the rigor and format of the PARCC tests. Students will become accustomed to how test content is presented, which will enhance their test-taking skills. By exam

day, students will feel confident and prepared to do their best on this challenging mathematics assessment. PARCC Test Preparation - College and Career Readiness Math Grade 3 In New Jersey, students are required to participate in PARCC testing. The PARCC Test Grade 3 in math determines if students have mastered the rigorous third grade New Jersey Student Learning Standards, and makes sure that they are getting ready for fourth grade. Preparation for these State assessments is essential. This workbook includes questions that mimic the format and content on the official PARCC assessment so students can excel on exam day (covering all 3rd grade math curriculum, including arithmetic, geometry, algebra, and measurement). What You Get When You Purchase this PARCC Test Prep New Jersey Grade 3 Math book Skill building exercises organized by Common Core standard/New Jersey Student Learning Standard to help students learn & review concepts in the order that they will be presented in the classroom. These worksheets also help identify weaknesses that need to be addressed to excel on the exam. We include a variety of question types to help build skills in answering questions in multiple formats, so students don't get tripped up by unfamiliar questions on test day. Two PARCC Grade 3 Practice Tests Our math practice tests are based on the official PARCC assessments. They contain the 3 major task types (I, II, and III), & include the major PARCC question types (e.g.: Multiple-Choice, Constructed Response, Multi-select, Equation Editor, Matching Item, Table Item, etc.). The practice tests include the same rigorous content found on the real PARCC math tests. Practice with "Technology Enhanced

Items" (TEIs) in a paper-based format. By using this workbook, students can get used to the PARCC test Grade 3 item types & response formats. Answer keys that contain detailed explanations to help students not make the same mistake twice. If a student is having difficulty in one area, encourage the student to practice that specific set of skills in the relevant worksheet. Test prep tips so students approach the test strategically & with confidence. PARCC is a registered trademark of PARCC, Inc (the Partnership for the Assessment of
