From #1 New York

author George R. R.
Martin and acclaimed
author Lisa Tuttle
comes a timeless tale
that brilliantly renders
the struggle between
the ironbound world of
tradition and a
rebellious soul seeking
to prove the power of a
dream. Among the
scattered islands that
make up the water
world of Windhaven, no
one holds more
prestige than the
silver-winged flyers,
romantic figures who
cross treacherous
oceans, braving
shifting winds and

sudden storms, to bring news, gossip, songs, and stories to a waiting populace. Maris of Amberly, a fisherman's daughter, wants nothing more than to soar on the currents high above Windhaven. So she challenges tradition, demanding that flyers be chosen by merit rather than inheritance. But even after winning that bitter battle, Maris finds that her troubles are only beginning. Now a revolution threatens to destroy the world she fought so hard to join—and force her to make the ultimate sacrifice. “Martin and Tuttle make wonderful professional music together . . . shifting easily from moments of almost unbearable tension to others of

The Ballad of Songbirds and Snakes (A Hunger Games Novel) Voyager
 From bestselling author Kaitlyn Davis comes the final book in the thrilling A Dance of Dragons series—perfect for fans of Kristin Cashore and Tamora Pierce! For the first time in a thousand years, the fire dragon has been awakened

and Rhen is its rider. But after destroying the armies that threatened the city of Rayfort, Rhen is shown a vision in flames that changes everything. The shadow's phantom armies are coming and the dragons are the only things that might stop them. High in the castle at the top of the Gates, Jinji has learned something of her own. Janu, her long lost twin, is alive. And just as the spirit shares her body, the shadow shares his. In the blink of an eye, her quest for vengeance against the evil that killed her family has changed to one of protection. Because she knows that if Rhen learns the truth he will do what she cannot—end the shadow, and end her brother in the process. As the shadow grows

more aggressive, Jinji and Rhen fight to find the rest of the dragon riders. But with time running out, they are forced to face the impossible decision between honor and love. Alliances are formed, promises are broken, and the fate of the world hangs in the balance... The Shadow Soul (A Dance of Dragons Book 1) Voyager
In the aftermath of a colossal battle, new threats are emerging from every direction. Tyrion Lannister, having killed his father, and wrongfully accused of killing his nephew,

King Joffrey, has escaped from King's Landing with a price on his head. To the north lies the great Wall of ice and stone - a structure only as strong as those guarding it. Eddard Stark's bastard son Jon Snow has been elected 998th Lord Commander of the Night's Watch. But Jon has enemies both inside and beyond the Wall. And in the east Daenerys Targaryen struggles to hold a city built on dreams and dust.

National Geographic Books
 Long before A Game of Thrones became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across

the cosmos. Now back in print after almost ten years, Tuf Voyaging is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of Earth's legendary Ecological Engineering Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures.

Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—Analog "A new facet of Martin's manysided talent."—Asimov's

Lawrence's SPFBO 2016!** An ancient evil awakens. Three unlikely heroes rise. An age of myth is reborn. From bestselling author Kaitlyn Davis comes a fantasy adventure perfect for fans of Kristin Cashore and Tamora Pierce! Told in alternating male and female perspectives, THE SHADOW SOUL has been hailed as "an amazing start to a new series that is going to have people of all ages wanting so much more." (Happy Tails & Tales Reviews) When Jinji's home is destroyed, she is left with nowhere to run and no one to run to—until she meets Rhen, a prince chasing rumors that foreign enemies have landed on his shores. Masquerading as a

boy, Jinji joins Rhen with vengeance in her heart. But traveling together doesn't mean trusting one another, and both are keeping a deep secret—magic. Jinji can weave the elements to create master illusions and Rhen can pull burning flames into his flesh. While they struggle to hide the truth, a shadow lurks in the night. An ancient evil has reawakened, and unbeknownst to them, these two unlikely companions hold the key to its defeat. Because their meeting was not coincidence—it was fate. And their story has played out before, in a long forgotten time, an age of myth that is about to be reborn... If you like powerful heroines, rakish princes, and action-packed slow

burn romances set in fantastical worlds, don't miss *The Shadow Soul*! "The writing is flawless. The story and plot line, and plot twists, had me captivated and enamored for the first words. I couldn't put this book down for anything, and I absolutely cannot wait for book two...It's an amazing start to a new series that is going to have people of all ages wanting so much more." - Happy Tails and Tales "One word to describe this book: intense! Everything from the battles, to the

secrets, to the descriptions of the characters and scenery, are all incredibly intense. This book had me biting my nails, stomach tided in knots, and completely entranced til the last word." - Desert Rose Reviews "Throughout the story, the stakes were always raised. There was no part that lagged while Davis was telling her story of far off lands, and the drama continued to the very end...To those readers who like fantasy and adventure, or to those who tried to read "A Song of Ice and Fire" but couldn't make it through the first chapter without falling asleep - this could be a series for you." -Pink Fluffy Hearts "The Shadow Soul was positively transportive, left me feeling

refreshed, and renewed my faith in symbolism, imagery, and the importance of world building and cultural preservation...If you want to set out on a journey, read this." - We Do Write "I loved this book! I was drawn into the story with the fantastic and descriptive storytelling told alternatively between Rhen and Jinji!... The political pickings, magical murderers, and shadowy suspense are the real plot stars in this book and the wonderful characterization and world-building adds extra oomph to grab you and keep you in this world." - EBook Escapes

THE BOOK BEHIND THE

FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. *A FEAST FOR CROWS* It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an

uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils

of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . .

and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

HBO's hit series *A GAME OF THRONES* is based on George R.R. Martin's internationally bestselling series *A SONG OF ICE AND FIRE*, the greatest fantasy epic of the modern age. Beyond

the Wall, Jon Snow's Night's Watch is riven by treachery, enemies both mortal and supernatural are massing, while in the North the combatants at Winterfell are engulfed by the worst winter snows ever seen. In King's Landing Cersei Lannister finds herself abandoned by everyone she trusts. Her brother Tyrion, having fled a death sentence, is making his way ever east towards Meereen, where Daenerys Targaryen struggles to rule a city full of death. The rise of Daenerys is known to many in Westeros now. From the Iron Islands and Dorne, Oldtown and the Free Cities, emissaries are converging to join her cause or to use her, and her dragons, for their own ends. The

future of the Seven Kingdoms hangs in the balance. The great dance is beginning...

The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a

divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS *A Dance with Dragons* Kaitlyn Davis NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and

Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the

second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

#1 NEW YORK TIMES BESTSELLER • THE BOOK BEHIND THE FIFTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Don't miss the thrilling sneak peek of George R. R. Martin's A Song of Ice and Fire: Book Six, The Winds of Winter Dubbed "the American Tolkien" by Time magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire. A DANCE WITH

DRAGONS In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they seem, and at their heart lies

one who could undo Daenerys's claim to Westeros forever. Meanwhile, to the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night's Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time

of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for A Dance with Dragons “Filled with vividly rendered set pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, A Dance with Dragons is epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined.”—The Washington Post “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times

BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO’s Game of Thrones prequel series House of the Dragon “The thrill of Fire & Blood is the thrill of all Martin’s fantasy work: familiar myths debunked, the whole trope table flipped.”—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of

Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of*

the *Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction."—*The Sunday Times* "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—*The*

“The best novel concerning the American pop music culture of the sixties I’ve ever read.”—Stephen King
From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock ‘n’ roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the ‘60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out

to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “The wilder aspects of the ‘60s . . . roar back to life in this hallucinatory story by a master of chilling suspense.”—Publishers Weekly “What a story, full of nostalgia and endless excitement. . . .
