PRECIOUS SIMS

Books by Dr. Seuss St. Martin's Press
 How is academia portrayed in children's literature? This Element ambitiously surveys fictional professors in texts marketed towards children, who are overwhelmingly white and male, tending to be elderly scientists. Professors fall into three stereotypes: the vehicle to explain scientific facts, the baffled genius, and the evil madman. By the late twentieth century, the stereotype of the male, mad, muddlehead, called Professor SomethingDumb, is formed in humorous yet pejorative fashion. This Element provides a publishing history of the role of academics in children's literature, questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children's media. This title is also available, with additional material, as Open Access.

 When Mayzie sprouts a daisy, her world is soon turned upside down in this hilarious rhyming Dr. Seuss classic! Poor Mayzie - she's sprouted a daisy! Neither doctors nor florists can help... and

when the daisy starts to wilt, so does Mayzie! Will Mayzie and her family learn to love her new floral friend? Or is it a case of they-love-you-not? Only the daisy can tell... With his unique combination of hilarious stories, zany pictures and riotous rhymes, Dr. Seuss has been delighting young children and helping them learn to read for over fifty years. Creator of the wonderfully anarchic Cat in the Hat, and ranking among the UK's top ten favourite children's authors, Seuss is firmly established as a global best-seller, with over 600 million books sold worldwide. As part of a major rebrand programme, HarperCollins is relaunching Dr. Seuss's bestselling books, including such perennial favourites as The Cat in the Hat, Green Eggs and Ham and Fox in Socks. In response to consumer demand, the bright new cover designs incorporate much needed guidance on reading levels, with the standard paperbacks divided into three reading strands - Blue Back Books for parents to share with young children, Green Back Books for budding readers to tackle on their own, and Yellow Back Books for older, more fluent readers to enjoy. Daisy-Head Mayzie belongs to the Yellow Back Book range. *The Baby Name Wizard, 2019 Revised 4th Edition* Lulu.com
 Theodor Seuss Geisel—known worldwide as the beloved children's author Dr. Seuss—produced a body of work that spans

more than 70 years. Though most often associated with children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns ("Quick, Henry, the Flit!"), and won Oscars and Emmys for motion picture productions, animated shorts, and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially in the field of elementary readers. Geisel's prolific career—he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide—and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (How the Grinch Stole Christmas! translated into Latin) or hoping to identify "abrasion-contusions" (race cars in *If I Ran the Circus!*), this work promises as much discovery as a walk down Mulberry Street.

Poems from the Mud Room Random House

A fully revised and updated version of the classic baby name guide, featuring updated trends, facts, ideas, and thousands of enchanting names! Your baby's perfect name is out there. This book will help you find it. The right baby name will speak to your heart, give your child a great start in life—and maybe even satisfy your relatives. But there's no shortage of names to choose from, and you can't expect to just stumble upon a name like that in an A-to-Z dictionary. Enter the revised and updated fourth edition of *The Baby Name Wizard*. This ultimate baby-name guide uses groundbreaking research and computer-generated models to create a visual image for each name, examine its usage and popularity over the last one hundred years, and suggest other specific and promising name ideas. Each unique "name snapshot" includes a rundown of style categories the name belongs to, nickname options, variants, pronunciations, prominent examples, and names with a similar style and feeling. This new edition also contains expanded sections on popular names and style lists. A perfect, up-to-date guide to the modern world of names, *The Baby Name Wizard* will delight you from the first name you look up and keep you enchanted through your journey to finding the just-right name for your baby.

Auf der Suche nach den Gegenständen, die beim Gegenzauber für den Pinguin Penny helfen sollen, reisen Anne und Philipp ins 19. Jahrhundert zu US-Präsident A. Lincoln. Ab 8.

Other Voices, Other Views Harmony

Do you find yourself asking "Whose life is it anyway?" Parenting today has come to resemble a relentless to-do list. Even parents with the best intentions strive to micro-manage every detail of their kids' lives and live in constant fear that their child will under-perform in any area--academic, social, athletic. Lists and schedules, meetings and appointments invade our every moment and the need to be the best dominates--and undermines--our own sense of self as well as our children's. In their groundbreaking new book *The Over-Scheduled Child*, renowned child psychiatrist Alvin Rosenfeld, M.D., and longtime family-issues journalist Nicole Wise combine personal and professional experience to take action against what they see as our overeager pursuit of perfection. The clear, comforting steps they prescribe to attack this rampant phenomenon will promote healthier and happier children and revitalize the parenting experience.

Quotation Index to Children's Literature Manhattan

Er ist ein Serienkiller. Er hat vier junge Frauen brutal ermordet. Doch auch nach seiner Verurteilung beteuert er noch immer seine Unschuld. Nun sucht er jemanden, der seinen Fall neu aufrollt. Jemanden, der seine Geschichte erzählt. Damit die Wahrheit ans Licht kommt. Maggie Rose könnte das. Doch die erfolgreiche Rechtsanwältin und True-Crime-Autorin zögert. Sie widersetzt sich seinen Bitten, antwortet nicht auf seine Briefe aus dem Gefängnis. Dabei ist er ein charismatischer und erfolgsverwöhnter Mann, gutaussehend und intelligent. Wie lange wird Maggie ihm noch widerstehen können? Denn insgeheim hat sie längst damit begonnen, seine Geschichte aufzuschreiben ...

The Dr. Seuss Catalog Routledge

"The debate over canon represented by this book is implicit in the broad range of its contents. As a whole, it argues for expansion: the inclusion of other voices to augment the standard university syllabus for the early modern period, urging recognition of the period's diversity and reforming the conditions under which we pass judgment on its culture." "Each of these essays reveals the literary potential of works that have been considered inferior and inappropriate for serious study. While such individual discovery is certainly valuable, what is even more interesting is their significance as a group. All the essays contained here are engaged in opening texts up to different perspectives, creating a canon that speaks of diversity rather than uniformity."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Coco kommt ins Krankenhaus University-Press.org

Young Mayzie McGrew becomes a worldwide sensation when a daisy grows out of the top of her head, and everyone attempts to get rid of it.

A&C Black

Eine romantische, witzige und rasante Liebesgeschichte - der neue Roman von Erfolgsautorin Paige Toon. »Um mich musst du dir keine Sorgen machen. Ich habe nicht die Absicht, mir noch mal das Herz brechen zu lassen.« Selbstverständlich lüge ich. Ich habe das Gefühl, dass Will jeden Tag ein kleines Stückchen von meinem Herzen abbricht. Das macht mich fertig.« Daisy ist

einfach sitzengelassen worden. Und das nicht von irgendeinem gewöhnlichen Typen, nein ... In Daisys Vergangenheit gibt es ein Geheimnis, dass sie nicht einmal ihrer besten Freundin Holly anvertrauen kann. Mit Männer und ihrer eigenen Familie will sie nichts mehr zu tun haben. Aber irgendwie muss das Leben ja weitergehen und am besten kann sie über alles hinwegkommen, wenn sie so weit wie möglich von zu Hause fort ist. Als sich ihr die Chance bietet, die Welt zu sehen, ergreift sie die sofort. Sie packt ihre Koffer und wird Hostess bei der Formel 1. Jetzt gleicht ihr Leben einem Wirbelwind: Brasilien, Italien, Australien, Monaco. Aber nichts kann Daisy davor bewahren, ihr Herz wieder zu verlieren ... dieses Mal an einen Mann, der bereit ist, sein Leben und seine Liebe für die Gefahr, die Geschwindigkeit und den großen Erfolg zu riskieren. Ein rasanter Liebesroman - traumhaft!
Doktor Dolittle McFarland

Featuring a wealth of familiar and easy-to-learn games, this practical handbook is designed to foster successful social strategies for children aged 5-12, and will help adults to understand and reflect constructively on children's social skills. The book covers the theory behind the games in accessible language, and includes a broad range of enjoyable activities: active and passive, verbal and non-verbal, and for different sized groups. Deborah Plummer addresses issues that might arise when supporting children with a range of communication differences, including children with learning differences, and offers a variety of cognitive and behavioural strategies to help children to reinforce the skills explored in the games. This is an ideal resource for teachers, parents, carers and all those working to improve the social skills of children.

Das magische Baumhaus 45. Die Feder der Macht Arcadia Publishing

Are some of the world's most talented writers of children's books essentially children themselves? In this engaging series of essays, Pulitzer prize-winning author Alison Lurie considers this theory, exploring children's classics from many eras and relating them to the authors who wrote them, including Louisa May Alcott, creator of *Little Women*, and Salman Rushdie and his *Haroun and the Sea of Stories*, Dr Seuss and J. K. Rowling. In analysing these and many other authors, Alison Lurie shows how these gifted writers have used children's literature to transfigure sorrow, nostalgia and the struggles of their own experience.

Young Mayzie McGrew becomes a worldwide sensation when a daisy grows out of the top of her head, and everyone attempts to get rid of it.

The Pains of Being Pure at Heart Mair Dumont DE

As parents, we have somehow come to believe that perfection is within our grasp. But our overeager pursuit of perfection is harming our children and our family lives. Dr. Alvin Rosenfeld and Nicole Wise explore the causes of and solutions to this damaging phenomenon in their timely and intelligent book, *Hyper-Parenting*.

Einmal rund ums Glück arsEdition

Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination." "Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like "nerd." And Seuss's famously loopy artistic style - what Nel terms an "energetic cartoon surrealism" - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

Rosita Cabeza de Margarita (Daisy-Head Mayzie Spanish Edition)

S. Fischer Verlag

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Dr. Seuss Jessica Kingsley Publishers

"Tantalizingly irreverent; Camner's work smacks of the deliciously absurd with a point. He is a brilliantly bizarre poet and master of the surreal." - Lenny DellaRocca The Poetry Museum
"Camner defies the traditional aesthetic concepts of poetry. He targets a world of ideas in a rather active way as opposed to the more passive, meditative aspects found in most poetry. There is a linguistic simplicity to his poems, an almost transparent quality, over a rather complex web of experience and thought. His poetry is life... 'All you have to do is look' - The obvious and not so obvious." - Marta Braunstein, editor *Cambio Literary Journal*
"Camner writes in terse, stark, real verse that would make Hemingway raise his scotch glass in honor." - New Times Newspaper
"Camner's poetic style is reminiscent of Raymond Chandler's detective writing; descriptive and terse with interesting plot lines. His characters are certainly the product of a vivid imagination." - The Comstock Review
"Camner's 'humour noir' is apparent in his poetics, his spirited voice and unabashed freedom - so alive, even in his earliest poems." - Peter Hargitai
"A literary detour, and well worth the trip." - Village Voice
