Before purchasing, it's advised to use the look inside feature. Without a doubt, this journal makes a perfect gift for a special friend or relative. Your gifting is not limited to birthdays, holidays and special occasions

The Brutally Honest Sequel to the National Smash Hit Haymarket Books

In her astounding third collection, Nikki Wallschlaeger turns to water—the natural element of grief—to trace history's interconnected movements through family, memory, and day-to-day survival. *Waterbaby* is a book about Blackness, language, and motherhood in America; about the ancestral joys and sharp pains that travel together through the nervous system's crowded riverways; about the holy sanctuary of the bathtub for a spirit that's

pushed beyond exhaustion. *Waterbaby* sings the blues in every key, as Wallschlaeger uses her vibrant lexicon and varied rhythms to condense and expand emotion, hurry and slow meaning, communicating the profound simultaneity of righteous dissatisfaction with an unjust world, and radical love for what's possible.

Hurt Feelings Emotional Heartbroken Anger Management Blank Lined Journal-120 Pages 6 X 9 Simon and Schuster

If you would like an unlined journal, please take a look at our other products.

Fuck Yall I Don't Need Fake Friends HarperThorsons

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed

poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

The Angry Therapist Simon and Schuster

A lot has changed since 2015, and Ben Shapiro has something to say about it. In this curated sequel to "Facts Don't Care About Your Feelings," Shapiro breaks down American politics from 2015 to today like you've never seen before. Review political dog fights and the Democrats' radicalism problem through a poignant lens. Analyze the novel coronavirus and its economic implications through a perspective too often stamped out by the mainstream media. Explore the absurdities of "anti-racism," "mostly peaceful" protests and other leftist attempts to rewrite America. And discover pieces of the American identity—unity, free speech, capitalism and so much more—we have lost in the mayhem.

How Feeling Took Over the World Crossroad Publishing Company

The only self-help book you'll ever need, from a psychiatrist and his comedy writer daughter, who will help you put aside your unrealistic wishes, stop trying to change things you can't change, and do the best with what you can control—the first steps to managing all of life's impossible problems. Need to stop screwing up? Feel like you're under a loser's curse? Work with an ass? Want to clear your name or get justice, rescue an addicted person, get closure after childhood abuse, get a lover to commit, not ruin your kid? Although other self-help books claim to reveal the path to happiness, *F*ck Feelings* warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right. Life is hard. It's not fair. Our feelings cloud our rationality, and we become tangled in our efforts to achieve the impossible or change the unchangeable. In this groundbreaking, entirely sensible, and funny book, the Bennetts open the shrinks' secret solution manual and show you how to find a new kind of freedom by working toward realistic goals and doing the best with what you can control. They address the most common problems Dr. Bennett's patients bring to his private practice—problems with family, love, work, self-esteem, garden variety assholes, and more—and give you a script for going forward. With no-bullshit advice from a Harvard-educated shrink freed of all jargon and patronization by his smart-ass, comedy writer daughter, *F*ck Feelings* is the cut-to-the-chase therapy session you've been looking for.

*The Subtle Art of Not Giving a F**k: A Counterintuitive Approach to Living A Good Life* by Mark Manson Book Summary Readtrepreneur (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link <http://amzn.to/2uzu0XI>) Many of us are bombarded by society's standards, telling us who we should be, and how we should be like. This book *The Subtle Art of Not Giving a Fuck* teaches us how to let go of things that do not define nor matter to us, and only give a f**k about the things that truly matter, which will make us happy individuals in the long run. (Note: This summary is wholly written and published by readtrepreneur.com It is not affiliated with the original author in any way) "Maturity is what happens when one learns to only give a f**k about what's truly f**kworthy." - Mark Manson Many a times, we are hesitant to reject requests from others and often end up in a situation that we never wanted to be in the first place, helping other people at the expense of ourselves. *The Subtle Art of Not Giving a F**k* reminds us that we all have choices, and we must choose what we want to care about. Death is inevitable and our time on earth is limited. We choose how we want to spend it; on f**kworthy or non-f**kworthy things? P.S. Gain a totally unique perspective towards life as you learn to live a fulfilling life which you will enjoy P.P.S. This is a ZERO-RISK investment. The Book Thief Parallax Press

NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • ONE OF TIME'S 100 MOST INFLUENTIAL PEOPLE • A ruthlessly honest, emotionally charged, and utterly original exploration of Asian American consciousness "Brilliant . . . To read this book is to become more human."—Claudia Rankine, author of *Citizen In development* as a television series starring and adapted by Greta Lee • One of Time's 10 Best Nonfiction Books of the Year • Named One of the Best Books of the Year by The New York Times, The Washington Post, NPR, New Statesman, BuzzFeed, Esquire, The New York Public Library, and Book Riot Poet and essayist Cathy Park Hong fearlessly and provocatively blends memoir, cultural criticism, and history to expose fresh truths about racialized consciousness in America. Part memoir and part cultural

criticism, this collection is vulnerable, humorous, and provocative—and its relentless and riveting pursuit of vital questions around family and friendship, art and politics, identity and individuality, will change the way you think about our world. Binding these essays together is Hong's theory of "minor feelings." As the daughter of Korean immigrants, Cathy Park Hong grew up steeped in shame, suspicion, and melancholy. She would later understand that these "minor feelings" occur when American optimism contradicts your own reality—when you believe the lies you're told about your own racial identity. Minor feelings are not small, they're dissonant—and in their tension Hong finds the key to the questions that haunt her. With sly humor and a poet's searching mind, Hong uses her own story as a portal into a deeper examination of racial consciousness in America today. This intimate and devastating book traces her relationship to the English language, to shame and depression, to poetry and female friendship. A radically honest work of art, *Minor Feelings* forms a portrait of one Asian American psyche—and of a writer's search to both uncover and speak the truth. Praise for *Minor Feelings* "Hong begins her new book of essays with a bang. . . .The essays wander a variegated terrain of memoir, criticism and polemic, oscillating between smooth proclamations of certainty and twitches of self-doubt. . . . *Minor Feelings* is studded with moments [of] candor and dark humor shot through with glittering self-awareness."—The New York Times "Hong uses her own experiences as a jumping off point to examine race and emotion in the United States."—Newsweek "Powerful . . . [Hong] brings together memoiristic personal essay and reflection, historical accounts and modern reporting, and other works of art and writing, in order to amplify a multitude of voices and capture Asian America as a collection of contradictions. She does so with sharp wit and radical transparency."—Salon

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Hurt Feelings Emotional Heartbroken Anger Management Blank Lined Journal-120 Pages 6 X 9 Vintage
In this no-nonsense guide for men, psychologist Jonas Horwitz presents straightforward, jargon-free strategies to help you identify and overcome depression, once and for all. The damned thing about severe depression is that it takes over your brain, body, and spirit. It wants you to say to yourself, "There is nothing I can do to make myself feel better. I am helpless in the face of my problems." Even at this very moment your severe depression is whispering in your ear, "This is all bulls@#t." Your depression has lived with you for a long time, and has seldom left your side. It's relentlessly pessimistic, and wants you to believe that your misery will never end. These are the lies your depression is wanting you believe. With this unique guide, you'll learn why it's so important to take your severe depression seriously—just as you would if you had cancer, heart disease, diabetes, or any other life-threatening illness. In addition, by viewing your depression as a separate entity—The Beast—you'll discover how it tries to trick you when you are most stressed to do things that leave you feeling much more depressed. You'll also learn how changing your behavior can actually change your brain chemistry. And, most importantly, you'll find actionable solutions to put The Beast in its place so you can start feeling better now! In order to overcome your depression, you must understand its nature. This book will help you understand The Beast, stop feeding it, and take back

your life.

[Motherfucker You Broke My Heart Fuck You!](#) Routledge

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Propaganda by Other Means Quercus Publishing

Winner of the National Book Award, *The Wapshot Chronicle* is John Cheever's classic novel about one eccentric New England family. The Wapshots have called the quintessential Massachusetts fishing village of St. Botolphs home for eons, but now it is time for the next generation—brothers Moses and Coverly—to go out and see the world. Moses heads to New York City and, eventually, a remote island in the South Pacific, while his brother travels south to Washington, D.C., and a job “so secret that it can't be discussed here.” Meanwhile, back in St. Botolphs, their father, Captain Leander, clashes with his fearsome Cousin Honora, who controls the family purse strings. By turns tragic and deeply funny, *The Wapshot Chronicle* is a masterful work of fiction—inspired by Cheever's own adolescence—about one very odd family.

Lined Notebook Bloomsbury Pantera

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls “self-help in a shot glass” is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as *The Angry Therapist*, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of “me too” as opposed to “you should.” He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. *The Angry Therapist* blog, that inspired this book, has been featured in *The Atlantic Monthly* and on NPR.

[Fuck Your Feelings](#) University of Pittsburgh Press

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new

content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don't Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

*The Life-Changing Magic of Not Giving a F**k* One World

“Touches and dazzles and entertains. An enchanting novel.” --The New York Times In this moving, poignant novel by the bestselling author of *Birds of America* we share a grown woman's bittersweet nostalgia for the wildness of her youth. The summer Berie was fifteen, she and her best friend Sils had jobs at Storyland in upstate New York where Berie sold tickets to see the beautiful Sils portray Cinderella in a strapless evening gown. They spent their breaks smoking, joking, and gossiping. After work they followed their own reckless rules, teasing the fun out of small town life, sleeping in the family station wagon, and drinking borrowed liquor from old mayonnaise jars. But no matter how wild, they always managed to escape any real danger—until the adoring Berie sees that Sils really does need her help—and then everything changes.

[Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened](#) Pearson UK

This interdisciplinary, international collection examines how sophisticated digital practices and technologies exploit and capitalize on emotions, with particular focus on how social media are used to exacerbate social conflicts surrounding racism, misogyny, and nationalism. Radically expanding the study of media and political communications, this book bridges humanities and social sciences to explore affective information economies, and how emotions are being weaponized within mediatized political landscapes. The chapters cover a wide range of topics: how clickbait, “fake news,” and right-wing actors deploy and weaponize emotion; new theoretical directions for understanding affect, algorithms, and public spheres; and how the wedding of big data and behavioral science enables new frontiers of propaganda, as seen in the Cambridge Analytica and Facebook scandal. The collection includes original interviews with luminary media scholars and journalists. The book features contributions from established and emerging scholars of communications, media studies, affect theory, journalism, policy studies, gender studies, and critical race studies to address questions of concern to scholars, journalists, and students in these fields and beyond.
