Employing narrative criticism to provide a comprehensive examination of the dreams and visions in Luke-Acts, this study highlights those passages in which characters interpret their visionary encounters (e.g., the infancy narrative, Saul's/Paul's conversion, the Cornelius-Peter episode, and Paul's dream at Troas).

Prophecies, Visions, Occurrences and Dreams is an apocalyptic book. Since 1990, Raymond Aguilera began to receive prophecies, visions and warnings from God about the end of our world as we know it. These messages range from abortion, to the New Age movement, to Pastors who have misled the flock. They reveal things to come, things that now are and things that should not be... From hope, to love, to doom, to a new beginning, herein lies a broad range of insight from a whole new perspective. The prophecies are simple and straight forward, written from a first-hand perspective. They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heart on how the end is to come and who God is. This has the potential of being one of the most controversial books of the year.

Books of Truth

Dreams, Vision and Prophecies 2022 is a compilation of the author's record of dreams and visions bestowed upon him

and his wife by the Lord Himself. Many of these visions spell out the dire consequences of going astray from the faith, especially at such difficult times for all mankind. The author received these visions and dreams over the year 2022. Through this book, the author advises readers to heed the Word of God and pleads with them to spend time in prayer and keep in mind the teachings of the Lord even in daily life. The author wants to guide the youth of the nation into a better future, away from the seduction of material things like money and power. The book has many prophecies with warnings of natural calamities, with a call for the people of God to intercede for the nation and repent from their sins. The messages, dreams and visions, and their interpretation are based on sound doctrine and, where necessary, are backed by the scripture.

When Jesus made us citizens of the Kingdom, it came with advantages. As members of the kingdom of God, we are eligible to partake of the outpouring of the Spirit. The books of Joel and Acts declare that the direct result of the outpouring of the Spirit of God would be revelation. Men and women could receive and communicate by the Spirit of God; two ways this is done is through dreams and visions. In this book, we will discuss the various aspects of dreams and visions. We will examine the different types of dreams and visions; how to interpret dreams, and how to apply them to our lives.

If you're ready to hear from God, if you're ready to be blessed, then you must read this book. What has God told you to do through dreams, visions, and in His Word that you haven't finished or haven't started doing yet? Well, now is the time to do all that God has told you to do, because night is coming, and no one will be able to work. God started showing author Sarah A. Jones dreams at the age of sixteen. He began speaking to her several years ago about writing this book, saying that it would be a blessing to all people as they read it. Men and women of God have also told her that God shows her dreams, He wants her to write a book, and people would be blessed as they read it. All of her dreams in this book are given by God and Jesus Christ, and her interpretations are revealed and inspired by God, Jesus, and the Holy Spirit. This book will inspire you, inform, encourage, and strengthen you; it will build your faith and richly bless the body of Jesus Christ and everyone who reads this book in faith with expectation to hear from God. Writing this book—getting it published and into your hands—has not been an easy task. Satan has fought Sarah every step of the way, because he didn't want you to read this book and be blessed by God. But what God has for you is for you; only you can hinder or stop your blessings. Sarah thanks God, who gives us the victory, for she has completed this part of the work He has given her to do. This book is for you. Find yourself in these pages, for God has a special word and blessing just for you. Open your mind, your heart, and your ears. Believe, receive, and listen attentively and expectedly, as God speaks, blesses, and reveals His

wonderful plan and purpose for your life. Jesus loves you, knows your situation, and wants to minister to you personally—one on one.

Jesus appears to be revealing Himself to Muslims through powerful dreams and vision throughout the Islamic world today, and the results are dramatic. Eleven years ago, Pastor Tom Doyle felt God calling him to leave the pastorate

and become a full-time missionary in the Middle East and Central Asia. Through his extensive work in the region, which includes over 80 trips to places like Iran, Afghanistan, Iraq, Egypt, Syria, Israel, Lebanon, and Turkey, Tom has met and recorded the stories of former Muslims who were first introduced to Jesus through either a dream or a vision that powerfully opened their hearts to become followers of Christ. Though they live in the most dangerous places in the world for people who leave Islam and embrace Christ, their passion for the Savior is contagious and inspirational. These are never-before-told stories from the front lines of the world of Islam. Through these unexplained supernatural occurrences, more Muslims have become believers in the last ten years than in the last 15 centuries of Islam. Why would God use dreams to reach the Muslim world? Can dreams and visions be trusted? What happens after these people experience a dream or vision? In *Dreams and Visions*, Tom Doyle takes the reader deep into the heart of the Middle East to meet believers who have been directly touched by the very hand of God.

Then something happens to bring them over the line between doubt and belief, and they become God's beloved child. In some cases, that something is a prophetic vision or dream. *Visions and Dreams: Prophetic Gifts of the Holy Spirit* is based on prophetic visions and dreams that author Dana George Cottrell experienced over twenty-three years.
