Each "Missing In Action (M.I.A.) Angel"
assignment is to be with someone who is
willing to give their life in combat to
protect or save others. Some just need
that additional bit of help to survive,
while others need the presence of an
"M.I.A. Angel" as they approach death.
It's not easy being an "M.I.A. Angel"
although it is many times rewarding. The
downside it that sometimes there is
nothing that can be done to help, other
than the assignment knowing that an
angel is with them when they die.

Manual for Eye Examination and Diagnosis Dalcassian Publishing Company

This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not

going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...

Amelia Kurt was different. And she knew it. That didn't stop her from loving her best friend, Annabelle Johnson. They spent an entire summer making love, and growing into what was promising to be the only relationship either ever knew. Then, one day, the unexpected happens. Anna disappears. No reason, no forwarding address, no number. She was simply gone. Eleven years later, Anna returns. Her truth is heartbreaking but it's only the beginning of their journey to recovery.

Apex Legends: Pathfinder's Quest (Lore Book) Grand Central Publishing

British iconoclast and sustainable food champion Hugh Fearnley-Whittingstall goes back to basics in this guide to simple, everyday home cooking. In *River Cottage Every Day*, Hugh shares the dishes that nourish his own family of three hungry school-age kids and two busy working parents—from staples like homemade yogurt and nut butters to simple recipes like Mixed Mushroom Tart; Foil-Baked Fish Fillets with Fennel, Ginger, and Chile; and Foolproof Crème Brûlée. Hugh brings his trademark wit and infectious exuberance for locally grown and raised foods to a wide-ranging selection of appealing, everyday dishes from healthy breakfasts, hearty breads, and quick lunches to all manner of weeknight dinners and enticing desserts. Always refreshingly honest, but

without sermonizing, Hugh encourages us to build a close relationship to the sources of our food and become more involved with the way we acquire and prepare it. But he doesn't shrink from acknowledging the challenges of shopping and cooking while juggling the demands of work and family. So while Hugh offers an easy recipe for homemade mayonnaise, he admits to having a jar of store-bought mayo lurking in the fridge, just like the rest of us! Including helpful and encouraging advice on how to choose the finest meat, freshest fish, and most mouthwatering fruits and vegetables, *River Cottage Every Day* shows us that deliciously prepared and thoughtfully sourced meals can be enjoyed every day of the year. The Muncie 4-speeds, M20, M21, and M22 are some of the most popular manual transmissions ever made and continue to be incredibly popular. The Muncie was the top high-performance manual transmission GM offered in its muscle cars of the 60s and early 70s. It was installed in the Camaro, Chevelle, Buick GS, Pontiac GTO, Olds Cutlass, and many other classic cars. Many owners

want to retain the original transmission in their classic cars to maintain its value. Transmission expert and veteran author Paul Cangialosi has created an indispensable reference to Muncie 4-speeds that guides you through each crucial stage of the rebuild process. Comprehensive ID information is provided, so you can positively identify the cases, shafts, and related parts. It discusses available models, parts options, and gearbox cases. Most important, it shows how to completely disassemble the gearbox, identify wear and damage, select the best parts, and complete the rebuild. It also explains how to choose the ideal gear ratio for a particular application. Various high-performance and racing setups are also shown, including essential modifications,

gun drilling the shafts, cutting down the gears to remove weight, and achieving race-specific clearances. Muncie 4-speeds need rebuilding after many miles of service and extreme use. In addition, when a muscle car owner builds a high-performance engine that far exceeds stock horsepower, a stronger high-performance transmission must be built to accommodate this torque and horsepower increase. No other book goes into this much detail on the identification of the Muncie 4-speed, available parts, selection of gear ratios, and the rebuild process.

When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night-while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts

calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future-not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.
