Not Thinkin'... Just Rememberin'... is a tour de force. This manuscript is very thorough and exhaustively researched. The sheer size of the manuscript might seem intimidating, but what else should one expect when The Alamo and John Wayne are the subjects? Of course, The Alamo is no ordinary movie, so the telling of the making of the movie is no small feat. Mr. Farkis is an adept writer. He knows his subject extremely well. His knowledge is intensive and extensive. It's quite easy to tell that, while he is a scholar, he is also a fan of both The Alamo and John Wayne. He does a great job of keeping the retelling of this information entertaining and interesting. The story of the making of the Alamo is told chronologically. This is the best way to tell the story because this allows for several other sub-stories to be told while the main story is unfolding. The tone and writing style is very approachable and open. It works well for this manuscript. There are many lighthearted moments that help anchor the overall manuscript, and they serve as counterpoints to the weightier discussions about politics, disagreements, and money issues that surrounded John Wayne's ambitious endeavor.

When John McDermott received the annual PFA Merit Award, in recognition of his record-breaking career at Grimsby Town, he joined an elite group of footballers made up of the likes of Sir Bobby Charlton, Pelé and George Best. McDermott was added to the distinguished list of recipients in recognition of his record-breaking career at Grimsby Town. He played an incredible 754 games overall for the Mariners and is one of only seventeen players in the history of English football to play more than 600 Football League matches for the same. Now McDermott is lifting the lid for the first time on the career that made him one of the most respected defenders in the Football League for two decades and secured him legendary status among the fans at Blundell Park. He gives a humorous and revealing insight into what went on behind the scenes as the Mariners marched to back-to-back promotions to the second tier of English football and also muses on the pitfalls of staying loyal to a single club.

John Clare, Politics and Poetry challenges the traditional portrait of 'poor John Clare', the helpless victim of personal and professional circumstance. Clare's career has been presented as a disaster of editorial heavy-handedness, condescension, a poor market, and conservative patronage. Yet Clare was not a passive victim. This study explores the sources of the 'poor Clare' tradition, and recovers Clare's agency, revealing a writer fully engaged in his own professional life and in the social and political questions of the day.

'I haven't woken up with a cup of tea by the bed for seven years. It seems such a small thing but it's one of a thousand things I miss about having someone around to take care of me. I have spent my entire adult life getting things the way I want them and

all I want now is someone to give it all up for.' Jon Richardson Is your filing faultless? Your CDs, apostrophes, cutlery all in the right places? Can you eat a biscuit in the correct way? Then Jon Richardson (single for seven years and counting) could be your ideal man... Living alone in a one bedroom flat in Swindon, 27 year old Jon has had far too much time on his hands to think. In fact to obsess. About almost everything. Jon's obsessive compulsive personality disorder has seen him arrange the coins in his pockets in ascending size and colour code his bookshelves. It takes him less than 90 seconds to locate a receipt for a pair of shoes he bought in 1997. Over to the filing cabinet and R for receipts, S for shoes. But Jon doesn't want to be like this, in fact he would quite like to share his life with someone. But who could that someone be? Someone like himself, a quarrelsome perfectionist only with breasts and less body hair? Absolutely not. But who exactly is Jon looking for and where will he find her? Faced with a loveless future filled with his own peculiar quirks and perfectionism, Jon sets about his search for The One. The question is, will he mind her keeping the knives to the left of the forks in the cutlery drawer or organising the CDs by genre and not alphabetically?
