McGraw-Hill/Appleton & Lange

This book provides the student with 1000 multiple choice questions, which tests their knowledge of the English vocabulary. For each question, the student will select the correct definition from four possible options. The solutions are included in this book, so that the student can assess their own progress. Each of the 1000 words is also defined in the glossary, which is alphabetized for quick lookup. Please note that this book is not intended to serve as an exhaustive list of all vocabulary on the test, but rather it is intended to be used along with other course resources to expand the student's knowledge base and

prepare for the examination.
