**The Matarese Countdown** Regnery

When optimistic orphan Pollyanna is sent to live with her stern Aunt Polly in the dismal town of Beldingsville, the sweet-natured eleven year old relies on "the Glad Game" to boost her spirits. The Glad Game—which involves looking for the silver lining in every situation—allows her to remain cheerful no matter how coldly

and harshly her aunt treats her. Pollyanna teaches the town's residents how to be glad, too, and her sunny outlook soon reanimates the town. Not even strict Aunt Polly is entirely immune to Pollyanna's infectious charm. But when misfortune strikes, Pollyanna will find her irrepressible optimism put to the test. This is an unabridged version of the heartwarming children's tale by American author Eleanor H. Porter, first published in 1913.

Când Bythell, orgoliosul patron al celui mai mare magazin de cărți vechi din Scoția și a înființat, în 2010, pagina de Facebook, a

hotărât, în mod premeditat, să se concentreze asupra comportamentului clienților. Acest jurnal, ținut timp de un an, nu face altceva, ba chiar mai aduce și alte personaje pitorești în colimatorul autorului. Deși este cutremurător de amuzantă, cartea aceasta conține și un miez mai mult decât serios: este o scrisoare furibundă din linia întâi a luptei dintre proprietarii micilor afaceri cu cărți și giganți precum Amazon. Meseria de librar cere o răbdare de fier. Bythell face și el ce poate, dar nu-i iese întotdeauna. The Independent Jurnalul unui librar este o carte amuzantă și plină de căldură (spre

deosebire de magazinul autorului) și merită să devină unul dintre acele bestselleruri care-l irită pe Bythell atât de mult. Mail on Sunday Trebuie neapărat să cumpărați cartea asta și, cu riscul de a fi bruscați sau insultați, luați-o de la un librar adevărat! Sunday Express

A new trade paperback edition of "a

masterpiece of symbolically charged realism....Fowles is the only writer in English who has the power, range, knowledge, and wisdom of a Tolstoy or James" (John Gardner, Saturday Review). The eponymous hero of John Fowles's largest and richest novel is an English playwright turned Hollywood screenwriter who has begun to question his own values. Summoned home to England to visit an ailing friend, Daniel Martin finds himself back in the company of people who once knew him well, forced to confront his buried past, and propelled toward a journey of self-discovery through which he ultimately creates for himself a more satisfying existence. A brilliantly imagined novel infused with a profound understanding of human nature, Daniel Martin is John Fowles at the height of his literary powers.

„Părăsind România, în căutarea libertății și a unei vieți mai bune, chiar și în momentul când acestea se puteau găsi și acasă, personajele din romanul meu au decis să emigreze peste ocean. Pentru unii emigranți, resemnarea și liniștea

reprezintă țelul atins. Pentru alții, mizele sunt mult mai mari și, cu cât mai imposibil de rezolvat, cu atât mai pline de perspective. Apar ca scop unic definirea identității și restabilirea unui adevăr istoric, pentru care merită să dai totul. Și, cum adevărul despre țara ta, falsificat de istorici, poate sta ascuns într-o carte cum este cea descoperită într-un anticariat din Uppsala, miza pe o astfel de sursă devine palpitantă și de neînlocuit. Romanul nu-și propune să rezolve acest adevăr, ci să ilustreze o preocupare extravagantă a unui emigrant în contextul unei vieți dure, dar normale, așa cum este cea din Megalopolisul american, pe fondul unei ignoranțe crase de acasă, fără nici o perspectivă decât cea a traiului firesc și a curgerii timpului peste adevăruri de diferite dimensiuni și importante.“ (Gellu Dorian)

**A Natural Curiosity** Addison Wesley  
Deși este un continent arid, cu o climă adesea greu de suportat, Australia e plină de viață. Bill Bryson a străbătut-o în lung și-n lat, ignorându-i aparenta ostilitate, și își povestește impresiile de călătorie într-o carte plină de umor. Nu e de mirare că a rămas impresionat de ceea ce a văzut. De

la păianjeni și șerpi otrăvitori, rechini și crocodili fioroși, până la curenții puternici și brusa fierbinte, pericolele pândesc la tot pasul. În schimb, oamenii sunt plăcuți, veseli și de o amabilitate fără cusur, orașele sunt sigure, curate și mai întotdeauna construite în jurul unei ape. Societatea este prosperă, bine organizată și fondată pe principii egalitare, mâncarea, excelentă, berea, rece, iar soarele strălucește aproape tot timpul.

"Twenty years ago, top agents from the CIA and KGB banded together to bring down the Matarese Circle, an international cabal of power brokers and assassins whose sole objective was to achieve worldwide economic domination. Now the bloody Matarese dynasty is back--and the only man with the power to stop it may have already run out of time. CIA case officer Cameron Pryce is hot on the trail of the new Matarese alliance. His only chance to terminate its ruthless activities is to follow the trail of blood money and stone-cold killers right to the heart of its deadly conspiracy. From the Hamptons to London's Belgrave Square, Matarese assassins have already struck with brutal efficiency, eliminating all who stand in their way. Their chain of violence is impossible to stop--until Pryce gets a rare break. One of the Matarese's victims survives long enough to whisper dying words that will blow the case wide open: the top secret code name for legendary

retired CIA agent Brandon Scofield--the only man who has ever infiltrated the Matarese inner circle and lived to tell about it"--

**No Safe Place** Little, Brown

The Sultan secretly commissions a great book: a celebration of his life and the Ottoman Empire, to be illuminated by the best artists of the day - in the European manner. In Istanbul at a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . . From Turkey's winner of the Nobel Prize and author of *Istanbul* and *The Museum of Innocence*, this novel is a thrilling murder mystery set amid the splendour of Istanbul and the Ottoman Empire. Part fantasy and part philosophical puzzle, *My Name is Red* is also a stunning meditation on love, artistic devotion and the tensions between

East and West.

The next day America learns that two of its Supreme Court justices have been assassinated. And in New Orleans, a young law student prepares a legal brief... Mystery Harper Collins

**A Memoir of Ronald Reagan** Bantam

The classic *Evil Under the Sun*, one of the most famous of Agatha Christie's Poirot investigations, has the fastidious sleuth on the trail of the killer of a sun-bronzed beauty whose death brings some rather shocking secrets into the light. The beautiful bronzed body of Arlena Stuart lay face down on the beach. But strangely, there was no sun and Arlena was not sunbathing...she had been strangled. Ever since Arlena's arrival the air had been thick with sexual tension. Each of the guests had a motive to kill her, including Arlena's new husband. But Hercule Poirot suspects that this apparent "crime of passion" conceals something much more evil.

With over one million copies sold, this series of modern classics about the charming Penderwick family from National Book Award winner and New York Times bestseller Jeanne Birdsall is perfect for fans of Noel Streatfeild and Edward Eager. This summer the Penderwick sisters have a wonderful surprise: a holiday on the

grounds of a beautiful estate called Arundel. Soon they are busy discovering the summertime magic of Arundel's sprawling gardens, treasure-filled attic, tame rabbits, and the cook who makes the best gingerbread in Massachusetts. But the best discovery of all is Jeffrey Tifton, son of Arundel's owner, who quickly proves to be the perfect companion for their adventures. The icy-hearted Mrs. Tifton is not as pleased with the Penderwicks as Jeffrey is, though, and warns the new friends to stay out of trouble. Which, of course, they will—won't they? One thing's for sure: it will be a summer the Penderwicks will never forget. Deliciously nostalgic and quaintly witty, this is a story as breezy and carefree as a summer day.

**THE CRYSTAL DESERT: SUMMERS IN ANTARCTICA** is the story of life's tenacity on the coldest of Earth's continents. It tells of the explorers who discovered Antarctica, of the whalers and sealers who despoiled it, and of the scientists who are deciphering its mysteries. In beautiful, lucid prose, David G. Campbell chronicles the desperately short summers on the Antarctic Peninsula. He presents a fascinating portrait of the evolution of life in Antarctica and also of the evolution of the continent itself.

„Controlul cărții“ a fost o secție a Direcției Literatură în cadrul instituției cenzurii (Direcția Generală a Presei și Tipăriturilor). Volumul încearcă să recupereze fondul încă necunoscut al instituției cenzurii și să prezinte fenomenul cenzurii ca pe un sistem ierarhic, care a acționat cu aceeași eficacitate și în perioade anterioare sau ulterioare activității DGPT, care s-a înființat în 1949 și s-a desființat în 1977. Și

înainte, și după acest interval, cenzura a existat și a avut o activitate deosebit de intensă: Cenzura Militară, Ministerul Propagandei, editurile, Uniunea Scriitorilor, Secția de Propagandă și Agitație a Partidului Comunist, Securitatea sunt structuri implicate în exercitarea cenzurii.

This highly innovative work presents a piercing interpretation of the tarot in terms of Jungian psychology. Through analogies to the humanities, mythology, and the graphic arts, the significance of the cards is related to personal growth and what Jung termed "individuation." The Major Arcana becomes a map of life, and

the hero's journey becomes something that each individual can relate to one's personal life. "Sallie Nichols, in her profound investigation of the Tarot has

performed an immense service. Her book enriches and helps us to understand the awesome responsibilities laid upon consciousness. She has done this not in an arid fashion but derived from her own

experience of the Tarot and its strangely translucent lights. As a result her book not only lives but quickens life in whomever it touches." --Laurens van der Post
