 HACK YOUR WORKPLACE CULTURE FOR GREATER PROFITS AND PRODUCTIVITY "I LOVE THIS BOOK!" —CHESTER ELTON, New York Times bestselling author of All In and What Motivates Me "When companies focus on culture, the positive effects ripple outward, benefiting not just employees but customers and profits. Read this smart, engaging book if you want a practical guide to getting those results for your organization." —MARSHALL GOLDSMITH, executive coach and New York Times bestselling author "Most books on customer service and experience ask leaders to focus on the customer first. Shane turns this notion on its head and makes a compelling case why leaders need to make 'satisfied employees' the priority." —LISA BODELL, CEO of Futurethink and author of Why Simple Wins "This is a must read for anyone in a customer service-centric industry. Shane explains the path to creating both satisfied customers and satisfied employees." —CHIP CONLEY, New York Times bestselling author and hospitality entrepreneur The question is not, "does your company have a culture?" The question is, "does your company have a culture that fosters outstanding customer experiences, limits employee turnover, and ensures high performance?" Every executive and manager has a responsibility to positively influence their workplace culture. Culture Hacker gives you the tools and insights to do it with simplicity and style. Culture Hacker explains: Twelve high-impact hacks to improve employee experience and performance How to delight and retain a multi-generational workforce The factors determining whether or not your employees

 Current challenges, emerging issues, and HRM innovations that managers at all levels must understand and apply to help their organizations succeed in a rapidly changing work environment.
Management Routledge
 This unique, re-engineered book defines and describes the new "paradigm" brought on by recent dramatic changes in the field of management. Managing Today! redefines the traditional "functional" approach employed by previous management books to more accurately reflect recent, fundamental changes in the economy and workplace—changes that have significantly reshaped today's managers' jobs. Robbins' balanced approach presents an effective integration of theory and application displayed within a clear, visual design specifically tailored for today's readers. Coverage includes changing issues in today's workplace (risk, privatization, multiple skills, and continual retraining); culture shock; time-management skills; cycle-time reduction and technology transfer; virtual teams; human behavior; leadership; trust building; change management; and more. For human resources professionals, business managers/team leaders, and anyone interested in Organizational Behavior and Business Management.
