Selected as Eater's 2016 Cookbook of the Year **iBooks Best of 2016 Selection** The debut cookbook from Jessica Koslow, award-winning chef of LA's popular restaurant Sqirl, featuring more than 100 fresh, market-driven, healthy, and flavorful recipes. Jessica Koslow and her restaurant, Sqirl, are at the forefront of the California cooking renaissance, which is all about food that surprises us and engages all of our senses—it looks good, tastes vibrant, and feels fortifying yet refreshing. In *Everything I Want to Eat*, Koslow shares 100 of her favorite recipes for health-conscious but delicious dishes, all of which always use real foods—no fake meat or fake sugar here—that also happen to be suitable for vegetarians, vegans, or whomever you're sharing your meal with. The book is organized into seven chapters, each featuring a collection of recipes centered on a key ingredient or theme. Expect to find recipes for dishes Sqirl has become known for, as well as brand-new seasonal flavor combinations, including: Raspberry and cardamom jam Sorrel-pesto rice bowl Burnt brioche toast with house ricotta and seasonal jam Lamb merguez, cranberry beans, roasted tomato, and yogurt cheese Valrhona chocolate fleur de sel cookies Almond hazelnut milk Koslow lives in LA, where everyone is known to be obsessively health-conscious and where dietary

restrictions are the norm. People come into Sqirl and order dishes with all sorts of substitutions and modifications—hold the feta, please, add extra kale. They are looking to make their own healthy adventures. Others may tack breakfast sausage, cured bacon, or Olli's prosciutto on to their order. So Koslow has had to constantly think about ways to modify dishes for certain diets, which in a way has made her a better, more adaptable cook. Throughout this book, Koslow provides notes and thought bubbles that show how just about any dish can be modified for specific tastes and dietary needs, whether it needs to be gluten-free or vegan. *Everything I Want to Eat* captures the excitement of the food at Sqirl—think of a classic grilled cheese turned playful with the addition of tomato coriander jam—while also offering accessible recipes, like blood orange upside-down cake, that can be easily made in the home kitchen. Moreover, it's an entirely new kind of cookbook and approach to how we are all starting to think about food, allowing readers to play with the recipes, combining and shaping them to be nothing short of everything you want to eat.

Please Hear What I'm Not Saying Verso Books

I'm standing here in complete darkness. Static fills my ears and all I hear is the muffled sound of the chanting and screaming of the crowd. I can hear my own heart beating in my ears. I don't know whether to laugh, yell, cry, scream, or even puke. I'm completely frozen. Everything plays out around me and I know it's time. The panic inside me slowly fades away and adrenaline starts pumping heated blood through my veins. Instead of feeling weak, I begin to feel strong. Looking over my shoulder, I notice him. Tristan. He's watching me intently. Tristan is the misery I crave. He's probably waiting for me to fuck up. Yes, I'm nervous as hell, but I won't let him see it, or feed off of it. No . . . this time I will starve him, and show everyone here what I can do. The shadow of my smile releases the last of the fear. I glance back at him one more time. He's still standing there, like a statue. Stepping to edge, I know now what can break him. Tonight, I'll risk everything ...

Stories Samuel French, Inc.

Hundreds of novels have been written about young men coming of age in war. And millions of young men have, in fact, come of age in combat. This is the story of one of them, as told by his daughter, based on the daily letters he wrote to his family in 1944 and 1945. After ten months of stateside training, nineteen-year-old Joe Ted (Bud) Miller shipped out from New York harbor in November 1944 and served with the 63rd Infantry in France and Germany. Although he fought with his unit at the Colmar Pocket and earned a Bronze Star for his role in pushing through the Siegfried Line, his letters focus less on the details of battle than on the many aspects of his life in the military: food, PX, movies, biographies of friends and platoon-mates, training activities, travelogues, and the behavior (good and bad) of officers. Bud's journalistic skills show in his letters and fill his reports with a

wealth of objective detail, as well as articulate reflections on his feelings about his experiences. Katherine I. Miller, a communication scholar, brings to her father's letters—which form the centerpiece of the book—her scholarly training in analyzing issues such as the development of masculinity in historical context, the formation of adult identity, and the psychological effects of war. Further insights gained from additional personal and family archives, interviews with surviving family members, official paperwork, the unit history of the 63rd Infantry Division (254th Regiment), unit newspapers, pictorial histories, maps, and accounts by other unit members aided her in crafting this “interpretive biography.” The book also serves as a window onto more general questions of how individuals navigate complicated turning points thrown at them by external events and internal struggles as they move from youth to adulthood.

Anthem for Jackson Dawes Abrams

Explosive novel of Italy's revolutionary 1969 by leading Italian novelist It was 1969, and temperatures were rising across the factories of the north as workers demanded better pay and conditions. Soon, discontent would erupt in what became known as Italy's “Hot Autumn.” A young worker from the impoverished south arrives at Fiat's Mirafiori factory in Turin, where his darker complexion begins to fade from the fourteen-hour workdays in sweltering industrial heat. He is frequently late for work, and sells his blood when money runs low. He fakes a crushed finger to win sick leave. His bosses try to withhold his wages. Our cynical, dry-witted narrator will not bend to their will. “I want everything, everything that's owed to me,” he tells them. “Nothing more and nothing less, because you don't mess with me.” Around him, students are holding secret meetings and union workers begin halting work on the assembly lines, crippling the Mirafiori factory with months of continuous strikes. Before long, barricades line the roads, tear gas wafts into private homes, and the slogan “We Want Everything” is ringing through the streets. Wrought in spare and measured prose, Balestrini's novel depicts an explosive uprising. Introduced by Rachel Kushner, the author of the best-selling *The Flamethrowers*, *We Want Everything* is the incendiary fictional account of events that led to a decade of revolt.

From the #1 New York Times bestselling author of the *Gossip Girl* series, a deliciously irresistible novel chronicling a year in the life of four families in an upscale Brooklyn neighborhood as they seek purpose, community, and meaningful relationships—until one unforgettable night at a raucous neighborhood party knocks them to their senses. Welcome to Cobble Hill. In this eclectic Brooklyn neighborhood, private storms brew amongst four married couples and their children. There's ex-groupie Mandy, so underwhelmed by motherhood and her current physical state that she fakes a debilitating disease to get the attention of her skateboarding, ex-boyband member husband Stuart. There's the unconventional new school nurse, Peaches, on whom Stuart has an unrequited crush, and her disappointing husband Greg, who wears noise-cancelling headphones—everywhere. A few blocks away, Roy, a well-known, newly transplanted British novelist, has lost the thread of his next novel and his marriage to capable, indefatigable Wendy. Around the corner, Tupper, the nervous, introverted industrial designer with a warehouse full of prosthetic limbs struggles to pin down his elusive artist wife Elizabeth. She remains...elusive. Throw in two hormonal teenagers, a ten-year-old pyromaniac, a drug dealer pretending to be a doctor, and a lot of hidden cameras, and you've got a combustible mix of egos, desires, and secrets bubbling in brownstone Brooklyn. Smart, sophisticated, yet surprisingly tender, *Cobble Hill* is highly entertaining portrait of contemporary family life and the colorful characters who call Brooklyn home.

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers,

bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.
