Winds Press (MA)
 Foreword by Dawn O'Porter
 A capsule wardrobe is timeless, stylish and effortlessly chic.
 Composed of go-to pieces that can be dressed up or down, it is the perfect antidote to the overstuffed drawers and ill-fitting cheap outfits from the high street. In this practical but inspiring book, seamstress Arianna Cadwallader and designer Cathy McKinnon

present sewing patterns and instructions for the five key pieces that will form the basis of your own capsule wardrobe: A great shift dress Well-fitting trousers A simple yet stylish skirt A light blouse A jersey vest
 Their focus is on quality and fit - all the patterns can be adapted to fit and suit you perfectly, whether you prefer long, short or cap sleeves, high or low waistbands, and slim,

straight or wide legged trousers. You can then mix and match your garments to create a variety of looks and styles. Aimed at advanced beginners, the book guides you through how to measure yourself and all the techniques you will need. With a foreword by TV star Dawn O'Porter, this is the essential guide to creating your perfect wardrobe. *The New Basics* Simon

and Schuster This is the book that Bobbi Brown's fans have been waiting for: her 25-plus years of styling experience distilled into one complete, gorgeous book. Bobbi looks at everything from skincare basics to every aspect of facial makeup--from how to find the right color and type of foundation for any skin tone to how to apply every detail of eye makeup (Brows, Eye

Liner, Eye Shadow, and Eye Lashes) no matter your eye color and shape. Of course there are never-before-seen tips on blush, bronzer, lip liners, lipstick, etc. And Bobbi looks beyond the face with informative chapters on "Hands and Feet" and "Body Skin Care." Each chapter has thorough step-by-step basic directions for makeup application and easy-to-follow photographs and line drawings,

along with Bobbi's expert, yet assuring, advice. Plus, there's a groundbreaking section of the book that will be of special interest to women who've wanted to know how makeup stylists do what they do: the top beauty secrets only these artists know, essential equipment to keep on hand, how to break into the business, and how to work with photographers

and celebrities. Breathtaking photos of the finished faces-from everyday looks to exotic runway style-along with advice on putting it all together for every woman, make this a book like no other. BOBBI BROWN'S MAKEUP MANUAL will be the only book any woman will need to look absolutely fabulous. Making Sense of Menopause Harper Collins The "exquisite and richly illustrated" New York

Times bestseller from the renowned makeup artist, "a retrospective written for all women, everywhere" (Vogue France). Makeup, as we know it, has only been commercially available in the last 100 years, but applying decoration to the face and body may be one of the oldest global social practices. In Face Paint, Lisa Eldridge reveals the entire history of the art

form, from Egyptian and Classical times up through the Victorian age and golden era of Hollywood, and also surveys the cutting-edge makeup science of today and tomorrow. *Face Paint* explores the practical and idiosyncratic reasons behind makeup's use, the actual materials employed over generations, and the glamorous icons that people

emulate, it is also a social history of women and the ways in which we can understand their lives through the prism and impact of makeup. "Makeup artist and Lancome global creative director Lisa Eldridge drops serious knowledge in *Face Paint*, her book on the history of beautifying." —Marie Claire "Clear your coffee table and turn off YouTube—Lisa Eldridge's book is a must read." —Teen Vogue "The

book is not only rich with history but also with a series of paintings, sketches and photographs in an intense array of colors, selected by the make-up artist herself in the most aesthetically pleasing universal statement to women you'll ever see." —Vogue France "*Face Paint* delves into the history of makeup, with glossy pictures to match . . . the book's cover is striking."
