HODGES BALLARD

The world's best selling book A&C Black
When Bruce Duffy's *The World As I*
Found It was first published more than
twenty years ago, critics and readers
were bowled over by its daring

reimagining of the lives of three very
different men, the philosophers Bertrand
Russell, G. E. Moore, and Ludwig
Wittgenstein. A brilliant group portrait
with the vertiginous displacements of
twentieth-century life looming large in
the background, Duffy's novel depicts
times and places as various as Vienna
1900, the trenches of World War I,
Bloomsbury, and the colleges of

Cambridge, while the complicated main characters appear not only in thought and dispute but in love and despair. Wittgenstein, a strange, troubled, and troubling man of gnawing contradictions, is at the center of a novel that reminds us that the apparently abstract and formal questions that animate philosophy are nothing less than the intractable matters of life and death.

1968 Wesleyan University Press

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

After the Fall Simon and Schuster

The World as It Should Be offers a fresh perspective on the kingdom of God and how we can be an integral part of God's work in this world.

You and Me Against the World

Createspace Independent Pub

In this wise and original book, science writer and Zen priest Steve Hagen helps us to perceive the world as it is, not merely as we conceive it to be. This revised and updated edition includes new scientific understandings and clarifications of some of the more complex ideas. "Read this book: it will change how you look at things." - Nick Herbert, Ph.D., author of Quantum Reality

Elvis and the World As It Stands North Atlantic Books

NEW YORK TIMES BESTSELLER • From one of Barack Obama's most trusted aides comes a revelatory behind-the-scenes account of his presidency—and how idealism can confront harsh reality and still survive. "The closest view of

Obama we're likely to get until he publishes his own memoir."—George Packer, *The New Yorker* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN For nearly ten years, Ben Rhodes saw almost everything that happened at the center of the Obama administration—first as a speechwriter, then as deputy national security advisor, and finally as a multipurpose aide and close collaborator. He started every morning in the Oval Office with the President's Daily Briefing, traveled the world with Obama, and was at the center of some of the most consequential and controversial moments of the presidency. Now he tells the full story of his partnership—and, ultimately, friendship—with a man who also happened to be a historic president of

the United States. Rhodes was not your typical presidential confidant, and this is not your typical White House memoir. Rendered in vivid, novelistic detail by someone who was a writer before he was a staffer, this is a rare look inside the most poignant, tense, and consequential moments of the Obama presidency—waiting out the bin Laden raid in the Situation Room, responding to the Arab Spring, reaching a nuclear agreement with Iran, leading secret negotiations with the Cuban government to normalize relations, and confronting the resurgence of nationalism and nativism that culminated in the election of Donald Trump. In *The World as It Is*, Rhodes shows what it was like to be there—from the early days of the Obama campaign to the final hours of the

presidency. It is a story populated by such characters as Susan Rice, Samantha Power, Hillary Clinton, Bob Gates, and—above all—Barack Obama, who comes to life on the page in moments of great urgency and disarming intimacy. This is the most vivid portrayal yet of Obama’s worldview and presidency, a chronicle of a political education by a writer of enormous talent, and an essential record of the forces that shaped the last decade. Praise for *The World as It Is* “A book that reflects the president [Rhodes] served—intelligent, amiable, compelling and principled . . . a classic coming-of-age story, about the journey from idealism to realism, told with candor and immediacy . . . His achievement is rare for a political memoir: He has written a

humane and honorable book.”—Joe Klein, *The New York Times Book Review*

Why Does the World Exist?: An Existential Detective Story One World A candid and deeply personal memoir of growing up in the seemingly idyllic world of a small Southern college town reflects on the devastating secrets behind the genteel faade and the effects of a family history of alcoholism on his life.

The World Book Encyclopedia Tiger Tales

Presenting an original global theory of culture, Girard explores the social function of violence and the mechanism of the social scapegoat. His vision is a challenge to conventional views of literature, anthropology, religion and psychoanalysis. Rene Gerard is the Andrew B. Hammond Professor Emeritus

of French Language, Literature and Civilization at Stanford University, USA.

It's Not How Good You Are, It's How Good You Want to Be Simon and Schuster

The untold story of how the 9/11 Commission overcame partisanship and bureaucracy to produce its acclaimed report. From the beginning, the 9/11 Commission found itself facing obstacles — the Bush administration blocked its existence for months, the first co-chairs resigned right away, the budget was limited, and a polarized Washington was suspicious of its every request. Yet despite these long odds, the Commission produced a bestselling report unanimously hailed for its objectivity, along with a set of recommendations that led to the most significant reform of

America's national security agencies in decades. This is a riveting insider's account of Washington at its worst — and its best.

The World As It Is Harvard Business Review Press

Many liberals are disappointed with Barack Obama. Some talk of "betrayal," while others are writing abject letters to the White House asking the president to come back to his "true self." Chris Hedges, however, is a progressive who doesn't feel betrayed. "Obama was and is a brand," he argues. "He is a product of the Chicago political machine. He has been skillfully packaged by the corporate state." In his newest book, Hedges argues that the conscious inertia of the left is destroying the progressive movement. Inaction and empty moral posturing leads not to change, but to an orgy of self-adulation and self-pity. Hedges argues that the gravest danger we face as a nation is not from the far right, although the right may well inherit power. Instead, the threat comes from a

bankrupt liberal class that has lost the will to fight and the moral courage to stand up for what it espouses.

The End of the World as We Know it

Michael Edwards

Forging a deep bond after a dramatic rescue in their youths, Allard, his brother Ed and their friend Sarah successfully pursue their careers until a shared tragedy on the eve of a wedding forces Allard and Sarah to explore separate paths in order to heal. By the author of *Eternal on the Water*. Original.

Derrick is sure that doomsday is coming, and he's prepping to survive--whether his friends believe him or not--in this middle grade novel for readers of Gary Schmidt, Gordon Korman, and Jack

Gantos Ever since his mother was killed in the line of duty in Iraq, Derrick has been absolutely certain that the apocalypse is coming. And he's prepared: he's got plenty of canned goods, he's fully outfitted with HAZMAT suits, and he's building himself a sturdy fallout shelter. When his neighbor Misty insists on helping with the shelter, Derrick doesn't think it's such a good idea. Misty's just had a kidney transplant, and her reaction to her brush with death is the opposite of Derrick's: where Derrick wants to hide, Misty wants to see and do everything. But as confident as Misty is, Derrick's doomsday fears just keep getting worse. And Derrick's promised apocalypse day begins with a very strange disaster, Derrick and Misty have to figure out a

way to survive--especially when the end of the world as they know it looks nothing like they expected.

A Memoir of the Obama White House Bold Type Books

New York Times bestseller! If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this... Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion-meeting the queen at Buckingham Palace, bursting in on secret climate talks, or

nauling a campaign speech in a hailstorm-there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, WHO THOUGHT THIS WAS A GOOD IDEA? is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a "White House official" is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon).

Told in a smart, original voice and topped off with a couple of really good cat stories, WHO THOUGHT THIS WAS A GOOD IDEA? is a promising debut from a savvy political star.

If You Really Want to Change the World Sentient Publications

VISIONARIES ARE THE KEY TO MAKING OUR WORLD A BETTER PLACE! In compelling, concise, easy-to-read chapters, Visionary: Making a Difference in a World that Needs You makes the case that ordinary people can create extraordinary change in the world by learning and applying four basic principles distilled from visionaries of our past and present. The Year That Rocked the World Abrams

Welcome to a world controlled by a megalomaniac Lolcat. A world where data pirates, zombies and infobots on surfboards roam free. A world at war

over cheese ... When teenager Mikey Malone gets sucked through a wormhole into this parallel world, he discovers a power-crazed corporation is planning to use Earth as a dumping ground for an uncontrollable poisonous algae. It's a race against time for Mikey and his rebel friends to stop the ruthless tyrants from getting their way. A laugh-out-loud-funny new sci-fi series from Costa-shortlisted author Saci Lloyd, perfect for devotees of Terry Pratchett and Douglas Adams. *The World As I See It* Penguin

As seen on Oprah's SuperSoul Sunday In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and

overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get our selves in order, any action we take—no matter

how good our intentions—will ultimately be wrongheaded and wronghearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful

world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.
