Now, she has an enchanted iPod, a miniature unicorn living in her underwear drawer, and a magical marketplace to manage. But despite her growing knowledge of the OtherWorld, Abby isn't at all prepared for Brystion, the dark, mysterious, and sexy-as-sin incubus searching for his sister, convinced Abby has the key to the succubus's whereabouts. Abby has enough problems without having this seductive shape-shifter literally invade her dreams to get information. But when her Faery boss and some of her friends vanish, as well, Abby and Brystion must form an uneasy alliance. As she is sucked deeper and deeper into this perilous world of faeries, angels, and demons, Abby realizes her life is in as much danger as her heart—and there's no one she can trust to save her.

As Dani struggles to balance her days with her steamy nights, she starts to suspect there's more to her dream lover than his stunning body and legendary endurance. The Devilin Fey (urban fantasy, paranormal romance) Succubus Harem

Lust is life for an incubus. Judging by the desire radiating from the red-faced mortal in his sex shop, there was yet another fast, forgettable meal coming his way. When his intended snack turned him down, even after he'd massaged his prey's inhibitions, the demon's interest piqued. No ordinary human could resist the lure of an incubus for long, and yet Finn was fighting as if his life depended on it. If what Ezra suspected was true, it did. Finn's lust was not only life for the demon, it was a ticket to fame and fortune beyond his wildest dreams. It was time to use his full demonic abilities to bring down his prey, to separate him from his mundane life and relationships, even if it was against supernatural law. Being propositioned by a mouth-watering stranger was flattering, but a fling would ruin Finn's carefully planned future. So why couldn't Finn forget what those sinful, dark eyes promised? A m/m paranormal novella told from the human's POV. 1st part of the Incubus series. NOT a standalone.

At the center of it all is a Red Witch named Carmen, a former protégée of Hector's who seems hell-bent on getting him all to herself, even if that means killing everyone in her path—Sally especially—to accomplish just that.
