Dolly and Zane GreyLetters from a MarriageUniversity of Nevada Press

*Tales of the Angler's Eldorado, New Zealand* Simon and Schuster

Riders of the Purple Sage tells the story of Jane Withersteen and her battle to overcome persecution by members of her polygamous Mormon fundamentalist church. A leader of the church, Elder Tull, wants to marry her. Withersteen gets help from a number of friends, including Bern Venters and Lassiter, a notorious gunman and killer of Mormons. She struggles with her "blindness" to the evil nature of her church and its leaders, and tries to keep Venters and Lassiter from killing the adversaries who are slowly ruining her.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

*Unbroken* University of Oklahoma Press

His novels are legendary: *Riders of the Purple Sage*, *Betty Zane*, *The Vanishing American*, and *The U.P. Trail*. His characters are unforgettable: Jim Lassiter, Bern Venters, Lew Wetzel, Buck Duane, and Madeline Hammond. His settings are colorful, austere, and filled with romantic mystery. In the early twentieth century, Zane Grey not only defined the cowboy hero and captured the Western landscape, he created one of the most elaborate and memorable bodies of folklore in American literature. Who was the man behind the legend? In *Zane Grey: Romancing the West*, Stephen J. May examines Grey's personal life, revealing that the writer was frequently immobilized by depression and insecurity. Grey's characters stemmed from an idealized vision of himself. His settings, most often centered in Utah, Arizona, New Mexico, and Colorado, were pleasurable, picturesque escapes from the rigors of the writing life. *Zane Grey: Romancing the West* analyzes the writer's enduring mystique, from Grey's middle-class beginnings as a dentist's son in Zanesville, Ohio, to his mature roles as a world-class novelist, explorer, Hollywood film producer, fisherman, and outdoorsman. Grey's legend continues to enthrall a new generation of readers who are rediscovering the sights, sounds, and wild spaces of the historic American West.

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am*. Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like—after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs—including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

The Colorado River Plateau is home to two of the best-known landscapes in the world: Rainbow Bridge in southern Utah and Monument Valley on the Utah-Arizona border. Twentieth-century popular culture made these places icons of the American West, and advertising continues to exploit their significance today. In *Rainbow Bridge to Monument Valley*, Thomas J. Harvey artfully tells how Navajos and Anglo-Americans created fabrics of meaning out of this stunning desert landscape, space that western novelist Zane Grey called "the storehouse of un-lived years," where a rugged, more authentic life beckoned. Harvey explores the different ways in which the two societies imbued the landscape with deep cultural significance. Navajos long ago incorporated Rainbow Bridge into the complex origin story that embodies their religion and worldview. In the early 1900s, archaeologists crossed paths with Grey in the Rainbow Bridge area. Grey, credited with making the modern western novel popular, sought freedom from the contemporary world and reimagined the landscape for his own purposes. In the process, Harvey shows, Grey erased most of the Navajo inhabitants. This view of the landscape culminated in filmmaker John Ford's use of Monument Valley as the setting for his epic mid-twentieth-century Westerns. Harvey extends the story into the late twentieth century when environmentalists sought to set aside Rainbow Bridge as a symbolic remnant of nature untainted by modernization. Tourists continue to flock to Monument Valley and Rainbow Bridge, as they have for a century, but the landscapes are most familiar today because of their appearances in advertising. Monument Valley has been used to sell perfume, beer, and sport utility vehicles. Encompassing the history of the Navajo, archaeology, literature, film, environmentalism, and tourism, *Rainbow Bridge to Monument Valley* explores how these rock formations, Navajo sacred spaces still, have become embedded in the modern identity of the American West—and of the nation itself.

*Rainbow Bridge to Monument Valley* Routledge

Fame was just around the corner when Sinclair Lewis published *Free Air* in 1919, a year before *Main Street*. The latter novel zeroed in on the town of Gopher Prairie; the former stopped there briefly and then took the reader by automobile in search of America. *Free Air* heads toward a West that was brimming with possibilities for suddenly mobile Americans at the end of a world war. The vehicle in Lewis's novel, not a Model T but a Gomez-Dep roadster, takes Claire Boltwood and her father from Minnesota to Seattle, exposing them all to the perils of early motoring. On the road, the upper-crust Boltwoods are at once more insignificant and more noble. The greatest distance to be overcome is the social one between Claire and a young mechanic named Milt, who, with a cat as his traveling companion, follows close behind. If *Free Air* anticipates many of the themes of Lewis's later novels, it also looks forward to a genre that includes John Steinbeck's *Travels with Charley* and Josh Greenfeld and Paul Mazursky's *Harry and Tonto*. And the character of Claire, blazing her own trail across the West, looks back to the nineteenth-century pioneer woman and ahead to the independent-minded movie heroines played by Katherine Hepburn. In his introduction Robert E. Fleming discusses the place of this early novel in

Popular western writer Zane Grey was a literary celebrity during his lifetime and the center of a huge enterprise based on his writing, which included books, magazine serials, film and stage versions of his stories, even comic strips. His wife, Dolly, closely guided Grey's career almost from its beginning, editing and sometimes revising his work, negotiating with publishers and movie studios, and skillfully managing the considerable fortune derived from these activities. Dolly maintained the facade of a conventional married life that was essential to Grey's public image and the traditional middle-class values his work reflected. This facade was constantly threatened by Grey's numerous affairs with other women. The stress of hiding these dalliances placed a huge strain on their relationship, and much of Zane and Dolly's union was sustained largely by correspondence. Their letters—thousands of them—reveal the true nature of this complex partnership. As edited by Candace Kant, the letters offer an engrossing portrait of an extremely unorthodox marriage and its times.

**The Missouri Review** Boston : Twayne Publishers

One of the bestselling novelists of the American West brings us a gripping tale of gold, greed, and vengeance. Amid the mountains of the West, lie incredible riches never uncovered. Three prospecting brothers, in search of a great fortune, are led on the counsel from a dying Indian straight to the base of Thunder Mountain—a gravelly summit absent of life and vegetation. Despite the mountain's outwardly desolate appearance, the three Emerson brothers approach the five thousand foot silt deposit with wide, hungry eyes—convinced they may have struck the motherload. Once their hunch is proven to be true, the brothers find themselves swimming in gold. Afraid other prospectors would soon discover the source of their newfound wealth and take a cut of the profit, the Emerson brothers—now wild with ambition and greed—plot to set up a mine to conceal their discovery and reap all the benefits. However, their newfangled fortune only brings them more backstabbing, corruption, and treachery than they ever could've imagined. In this classic Western novel, robbery, arrest, revenge, and even murder ensue.

Provides in-depth analysis of the life, works, career, and critical importance of Zane Grey.

*A Dictionary of the Avant-Gardes* University of Nevada Press

The Zane Grey Explorer is the official Journal of the Zane Grey's West Society, a society of collectors, scholars, readers, and enthusiasts of the western author, Zane Grey. This is Volume 3, Issue 2, printed in May 2018 and includes research and scholarly articles about Zane Grey. In this issue, Zane Grey's relationship with the Campfire Club is chronicled, collecting information on Grey's book *The UP Trail* is provided, and information concerning a special project of the ZGWS to create a Centennial Edition of Grey's novel, *The Rainbow Trail*, is included. The purpose of Zane Grey's West Society is to promote interest in and knowledge of the eminent American author, Zane Grey and his works; to revive interest in the writings of Zane Grey and preserve the sites of his writings so that future generations may realize the contributions made by Zane Grey toward the development of the adventure story in American literature.

*The Harbor* Hyweb Technology Co. Ltd.

*The Desert of Wheat* is a thrilling and romantic tale of sabotage in the wheat fields of the Pacific Northwest during World War I. A passionate novel of patriotic and anti-union propaganda, it portrays the anxieties of the young country threatened by a foreign war after the closing of the frontier. Grey captures the heart of a nation at the brink of a century of change.

Think Downton Abbey, set in the heart of Boston Irish domestic worker Norah King's decision to ask her wealthy employer, Caroline Parker, for an elegant red coat that the Beacon Hill matriarch has marked for donation ignites a series of events that neither woman could have fathomed. The unlikely exchange will impact their respective daughters and families for generations to come, from the coat's original owner, marriage-minded collegian Cordelia Parker, to the determined and spirited King sisters of South Boston, Rosemary, Kay, and Rita. As all of these young women experience the realities of life – love and loss, conflict and joy, class prejudices and unexpected prospects – the red coat reveals the distinction between cultures, generations, and landscapes in Boston during the 1940s and 50s, a time of change, challenge, and opportunity. Meet the proud, working-class Irish and staid, upper-class Brahmins through the contrasting lives of these two families and their friends and neighbors. See how the Parkers and the Kings each overcome sudden tragedy with resolve and triumph. And witness the profound impact of a mother's heart on her children's souls. Carlson brings us front and center with her knowing weave of Celtic passion – both tragic and joyful – words of wisdom, romance, humor, and historical events. Dive into Boston feet first! *The Red Coat* is a rich novel that chronicles the legacy of Boston from both sides of the city, Southie and the Hill.
