PARKER CHACE

Downsiders Simon and Schuster
Full of roller-coaster twists and turns, Neal Shusterman's page-turner is an Orpheus-like adventure into one boy's psyche. Sixteen-year-old Blake and his younger brother, Quinn, are exact opposites. Blake is the responsible member of

the family. He constantly has to keep an eye on the fearless Quinn, whose thrill-seeking sometimes goes too far. But the stakes get higher when Blake has to chase Quinn into a bizarre phantom carnival that traps its customers forever. In order to escape, Blake must survive seven deadly rides by dawn, each of which represents a deep, personal fear--

from a carousel of stampeding animals to a hall of mirrors that changes people into their deformed reflections. Blake ultimately has to face up to a horrible secret from his own past to save himself and his brother--that is, if the carnival doesn't claim their souls first!

UnBound Simon and Schuster

Inhabitants of a planet taken over by a terrifying power flee their world, planning to conquer a new one, and only five powerful teenagers, possessed by shards of a shattered star, stand between them and Earth.

Unwind Simon & Schuster Books for Young Readers
The Shadow Club doesn't exist anymore. The group of second-

best kids used to play anonymous practical jokes on their rivals, until things spiraled out of control. Now Jared and the ex-Shadow Club members are having a hard time shaking their reputation. And when the new golden boy at school is the victim of a series of nasty pranks, everyone's convinced Jared is to blame.

Determined to prove his innocence, Jared soon becomes wrapped up in a nightmare worse than anything the Shadow Club ever caused.

The Toll Simon and Schuster

In this eerie and atmospheric novel, New York Times bestselling and award-winning author Neal Shusterman explores questions of life, death, and what might lie in

between. Nick and Allie don't survive the car accident—and their souls don't exactly get where they're supposed to go. Instead, they're caught halfway between life and death, in a sort of limbo known as Everlost: a shadow of the living world, filled with all the things and places that no longer exist. It's a magical, yet dangerous, place where bands of lost kids run wild and anyone who stands in the same place too long sinks to the center of the Earth. When they find Mary, the self-proclaimed queen of lost souls, Nick feels like he's found a home, but Allie isn't satisfied spending eternity between worlds. Against all warnings, Allie begins learning the "Criminal Art" of

haunting, and ventures into dangerous territory, where a monster called the McGill threatens all the souls of Everlost.

The Shadow Club Rising Simon and Schuster

A fourteen-year-old living with his grandparents learns his father is to be released from prison after killing his mother and feels apprehensive about renewing the relationship. Based on true events.

Undivided Simon and Schuster

The Shadow Club starts simply enough: the kids who are tired of being second-best get together and, for the first time, talk about how they feel. But soon the members decide to play practical jokes on the first-place winners they envy, and things

begin to spin dangerously out of control. "This is a provocative novel . . . The plot is ingeniously simple and the course of events compelling. Brisk enough to snag a popular audience, but forceful in impact, it will leave readers thinking." (Booklist, starred review)

The Dark Side of Nowhere Simon and Schuster

Six teens struggle to discover the source of their strange and horrific abilities in this first book of The Star Shards Chronicles. Dillon has the terrifying power to create massive amounts of destruction with the slightest tweak of his will. Deanna is so consumed by fear, it has become like a black hole, drawing to her the very things

that terrify her. Then, when the glare of a supernova sixteen light-years away illuminates the night sky, they have a vision: There are six of them out there, all teenagers, and all suffering from supernatural afflictions that disfigure their bodies and souls. Only by finding one another will the six ever be strong enough to defeat these mysterious forces that, bit by bit, are devouring their souls from the inside out. Acclaimed author Neal Shusterman "combines personal quest, horror, and science fiction into an absorbing exploration of good and evil, guilt, forgiveness and personal responsibility" (VOYA) in this thrilling start to a riveting

trilogy. Originally published by Tor Fantasy in 1995. Game Changer Simon and Schuster

Fourteen-year-old Nick has learned that the strange antiques in his attic bedroom were left there by the eccentric inventor Nikola Tesla. They are pieces of Tesla's Far Range Energy Emitter, capable of transmitting "free energy" to the globe. Some components of the contraption are still missing, but the objects themselves seem to be leading Nick and his friends to their current owners. However, members of the Accelerati, a menacing secret society of physicists, are on the hunt too, and their brazen leader, Dr. Alan Jorgenson, will stop at

nothing to foil Nick and steal the objects. It takes a dangerous build-up of electromagnetic energy in the atmosphere to reverse everyone's fortunes-- and lead Nick to his destiny. Readers who enjoyed the strange science, quirky humor, and out-of-this-world plot twists in Tesla's Attic will be captivated by this second book in the electrifying Accelerati Trilogy. *Scorpion Shards* Simon and Schuster

Fourteen-year-old Talon, a member of the Downsiders, a race of beings living in the tunnels under New York City's subways, finds himself drawn to the forbidden world of the above-ground world when he befriends a lonely Topsider named

Lindsay.

Thunderhead Penguin
Nick the "chocolate ogre" wants to help the children of Everlost to reach the light at the end of the tunnel, and is slowly handing each child a coin which will release them from Everlost. But Mary Hightower wants to trap the children forever, and joins forces with Pugsy Capone, a death boss, who gains allies in a terrible way...
Meanwhile, Allie has gone in search for her parents and joins up with a group of "skinjackers". But, as her search takes her further away from Nick and the children of Everlost, Allie uncovers a shocking secret... it seems that "skinjackers" are not actually dead... In this riveting sequel to the

imaginative, supernatural thriller, Everlost, there is new dark force to be reckoned with.

Scythe Penguin
A Time Best YA Book of All Time (2021) Two teens must learn the "art of killing" in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling *Unwind* dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a

scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own. Scythe is the first novel of a thrilling new series by National Book Award–winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

Little, Brown Books for Young Readers
In a future world where those between the ages of thirteen and eighteen can have their lives “unwound” and their body parts harvested for use by others, three teens go to extreme lengths to survive until they turn eighteen.

Dry Simon and

Schuster
Connor's parents want to be rid of him because he's a troublemaker. Risa has no parents and is being unwound to cut orphanage costs. Lev's unwinding has been planned since his birth as part of his family's strict religion. Brought together by chance, and kept together through desperation, these three unlikely companions make a harrowing cross-country journey, knowing all the while that their lives are hanging in the balance. If they can survive until their eighteenth birthdays, they can't be harmed. But when every piece of them, from their hands to their hearts, are wanted by a world gone mad, eighteen seems far, far away...

"Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens." Publishers Weekly, starred review "A thought-provoking, well-paced read that will appeal widely" School Library Journal, starred review "A breathless tale turning pages for teenage boys, as it challenges not just where life begins and ends, but what it means to be alive." Educ8 magazine "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff." thebookbag.co.uk "This is the kind of rare book that makes the hairs

on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times The Toll Simon and Schuster Don't miss a moment of the complete New York Times bestselling Unwind Dystology series from Neal Shusterman, now available as a collectible hardcover boxed set. After the Second Civil War, the Bill of Life was passed, stating that human life may not be touched from the moment of conception until a child reaches the age of thirteen. But it allows parents to get rid of their teenager through a process called "unwinding." These kids may have nothing left to give to their families but can still give to society through

the body parts that are harvested for donations. Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents' tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes hardcover editions of: *Unwind* *UnWholly* *UnSouled* *UnDivided* *UnBound* **An Unwind Story** *Downsiders* Find out what happens

to Connor, Risa, and Lev now that they've finally destroyed the Proactive Citizenry in this collection of short stories set in the world of the New York Times bestselling *Unwind Dystology* by Neal Shusterman. Connor Lassiter's fight to bring down Proactive Citizenry and find a suitable alternative to unwinding concluded in *UnDivided*. Now Connor, Risa, and Lev are free to live in a peaceful future—or are they? Neal Shusterman brings back his beloved *Unwind* characters for his fans to see what's left for those who were destined to be unwound. *Hawking's Hallway* Simon and Schuster Two teens must learn the “art of killing” in this Printz Honor-winning series
