*** 'Footie book of the year.' - The Sun TROY DEENEY is best known as Watford FC's former captain and a thorn in Arsenal's side. But behind the successful and gritty football persona is a remarkable story of resilience. In this brutally honest and inspirational memoir, Troy shares what it was like to grow up on Europe's largest council estate, where his mum worked three jobs and his father, a notorious drug dealer, was frequently in and out of prison. He shares stories of self-sabotage, from simply not turning up to Aston Villa's football trials as a teenager, playing while drunk to being imprisoned for affray at the height of his career. But Troy never gave up, even when it meant playing professional football with an ankle tag. He went on to score 20+ goals in three successive seasons and became the Club Captain, an FA Cup finalist, promotion winner and Watford's record scorer. He also became an outspoken player advocate and - in an age of bland footballer interviews - is a sought after voice on football and footballers today. Engaging, endearing and insightful, this

book is where Troy comes to terms with his turbulent past.

'Groundbreaking... Part memoir, part guide, this is a must-have.' Independent 'A worthwhile tutorial.' Evening Standard "Poetry and rap come from the same family. They're brothers. Just because you're good at one doesn't necessarily mean you'll be good at the other, but if you master both you'll be unparalleled." Raphthology is a masterclass in lyric writing. A spotlight into the craft and skill of what it takes to be an incredible artist by pioneering musician and artist, Wretch 32. Taking us through the songs which have shaped his career over the last two decades step by step, explaining what each song means to him, his own creative process, from the first flashes of inspiration to final edits and improvisation, right through to how popular and powerful his lyrics are. Part autobiography, part guide to creativity and part cultural history Raphthology is a blueprint to the music that matters.

In October 1972, Nando Parrado and his rugby club teammates were on a flight from Uruguay to Chile when their plane crashed

into a mountain. Miraculously, many of the passengers survived but Nando's mother and sister died and he was unconscious for three days. Stranded more than 11,000 feet up in the wilderness of the Andes, the survivors soon heard that the search for them had been called off - and realise the only food for miles around was the bodies of their dead friends ... In a last desperate bid for safety, Nando and a teammate set off in search of help. They climbed 17,000-foot-high mountains, facing death at every step, but inspired by his love for his family Nando drove them on until, finally, 72 days after the crash, they found rescue.

In the bestselling tradition of such family portraits as Brooke Hayward's *Haywire* and Christopher Dickey's *Summer of Deliverance* comes a disarmingly candid memoir from the youngest son of Martin Luther King, Jr. Dexter King was only seven when an assassin's bullet took his father's life, shattering the boy's childhood. And as he stumbled into adolescence, both the tragedy and the weight of living up to "the King legacy" would exact an additional toll. Challenged with undiagnosed A.D.D. and rocked once again by his grandmother's murder, King became emotionally isolated and, in his early 30s, sought answers from an inspiring source: the teachings of Martin Luther King, Jr. Now, in this intimate portrait, Dexter King reveals for the first time what it was like growing up in the shadow of greatness, and how his father's lessons continue to inspire and inform his own ideas on race in America today.

The Coffyn/Coffin Dynasty is a genealogical recapitulation of fifteen generations born in the United States. At first, I was going to title it *The Coffin Saga Continues*, but R. Gardner and Louis Coffin expired. I fell in love with a wonderful culmination of people belonging to my husband's family. I added the years before the stepping on US soil. There are millions more of people out there to be added. One can enjoy reading cover to cover about so many important individuals such as presidents, a Union Station president, aviators, college owners, and patented people besides farmers, teachers, doctors, etc. It is not the norm of "born and died" information.

My Father's Fighter Random House

An imaginative and unconventional YA novel that "crackles with wit, humor, and enormous love" (Booklist, starred review). Frannie and Louis met online when they were both little and have been pen pals ever since. They have never met face-to-face, and they don't know each other's real names. All they know is that they both have a mysterious tendency to lose things. Well, not lose them really. Things just seem to mysteriously disappear. When they each receive surprising news in the mail, they set off on a road trip to Austin, Texas, looking for answers—and each other. Along the way, each one begins to find, as if by magic, important things the other has lost. And by the time they finally meet in person, they realize that the things you lose might be things you weren't meant to have at all, and that you never know what—or who—you might find if you just take a chance. "The characters and the road trip alone are a winning combination. The premise is where the magic happens." —Adi Alsaid, author of *Let's Get Lost* and *Never Always Sometimes* "A rich, romantic story about two thoughtful teenagers on a quest for meaning." —Publishers Weekly "A beautiful exploration of loss. An emotional journey that's well worth the ride." —School Library Journal

Bear Grylls is one of the world's most famous survivors. *Bear Grylls: Two All-Action Adventures* combines two of his greatest adventures told in *Facing Up* and *Facing the Frozen Ocean*. At the age of twenty-three, Bear Grylls became one of the youngest Britons to reach the summit of Mount Everest. At extreme

altitude youth holds no advantage over experience, nevertheless, only two years after breaking his back in a freefall parachuting accident, he overcame severe weather conditions, fatigue and dehydration to stand on top of the world's highest mountain.

Facing Up is the story of his adventure, his courage and humour, his friendship and faith. *Facing the Frozen Ocean* tells of a carefully calculated attempt to complete the first unassisted crossing of the frozen north Atlantic in an open rigid inflatable boat. But this expedition became a terrifying battle against extreme elements and icebergs as large as cathedrals. Starting from the remote north Canadian coastline, Bear Grylls and his crew crossed the infamous Labrador Sea, pushed on through ice-strewn waters to Greenland and then found themselves isolated in a perfect storm 400 miles from Iceland. This is a compelling, vivid and inspirational tale.

Short Stories by GEORGE Vintage

A stunning, lyrical novel set in the rolling foothills of the Appalachians about a young girl and the family truths that will haunt her for the rest of her life. "A girl comes of age against the knife." So begins the story of Betty Carpenter. Born in a bathtub in 1954 to a white mother and a Cherokee father, Betty is the sixth of eight siblings. The world they inhabit in the rural town of Breathed, Ohio, is one of poverty and violence—both from outside the family and, devastatingly, from within. But despite the hardships she faces, Betty is resilient. Her curiosity about the natural world, her fierce love for her sisters, and her father's brilliant stories are kindling for the fire of her own imagination, and in the face of all to which she bears witness, Betty discovers an escape: she begins to write. Inspired by generations of her family, Tiffany McDaniel sets out to free the past by delivering this heartbreaking yet magical story—a remarkable novel that establishes her as one of the most important voices in American fiction.

When Rachel's baby is stillborn, she becomes obsessed with the idea that saving a stranger's life months earlier is to blame. An unforgettable, heart-wrenching, warm and funny debut... 'Emotionally engaging, witty, clever and wonderfully satisfying' Daily Express 'A stunning debut ... a wise, moving, and thought-provoking novel' Susan Elliot Wright, author of *The Flight of Cornelia Blackwood* 'A heartbreaking, deeply moving and wonderfully witty tale, which celebrates all it means to be human' Isabelle Broom, author of *The Getaway* ----- Mum-to-be Rachel did everything right, but it all went wrong. Her son, Luke, was stillborn and she finds herself on maternity leave without a baby, trying to make sense of her loss. When a misguided well-wisher tells her that "everything happens for a reason", she becomes obsessed with finding that reason, driven by grief and convinced that she is somehow to blame. She remembers that on the day she discovered her pregnancy, she'd stopped a man from jumping in front of a train, and she's now certain that saving his life cost her the life of her son. Desperate to find him, she enlists an unlikely ally in Lola, an Underground worker, and Lola's seven-year-old daughter, Josephine, and eventually tracks him down, with completely unexpected results... Both a heart-wrenchingly poignant portrait of grief and a gloriously uplifting and disarmingly funny story of a young woman's determination, *Everything Happens for a Reason* is a bittersweet, life-affirming read and, quite simply, unforgettable. ----- 'A beautiful novel, bursting with raw emotional honesty and authenticity' Gill Paul, author of *The Secret Wife* 'So affecting. Profoundly sad. Funny. I just loved it' Louise Beech, author of *This Is How We Are Human* 'Darkly funny, yet poignant and moving ... Rachel's quest to find out if everything happens for a reason is both heartbreaking and heartwarming' Anna Bell, author of *In Case*

You Missed It 'Some books teach you, others touch your soul, then there are books like this one that bury deep and create a home in your heart' Emma-Claire Wilson, Glass House Magazine 'A triumph ... a book of hope and ambition and making sense of the world, a tale of acting spontaneously, living in the moment and throwing caution to the wind' Isabella May, author of Oh! What a Pavlova 'An incredibly important and beautifully written book. Bittersweet and brave, it will keep you both laughing and crying until the last page' Kate Ford, actress, Coronation Street 'The perfect mix of clever, funny and intensely moving' Cari Rosen, author of Secret Diary of a New Mum Aged 43 1/4 'A heart-wrenching, soul-lifting read about loss and redemption in unlikely places' Eve Smith, author of The Waiting Rooms 'Read it and weep but also, incredibly, find moments to laugh and to know there is life after death' Julia Hobsbawm, author of The Simplicity Principle 'Simultaneously devastating and hilarious' Clare Allan, author of Poppy Shakespeare 'A memorable, poetic read ... The writing reminded me of Eleanor Oliphant' Becky Fleetwood, author of the Chroma series 'Quirky yet insightful, bright yet wistful, amusing yet emotional ... full of contradictions that fuse into the most surprising, moving, and beautiful novel' LoveReading For fans of Jonas Jonasson, Matt Haig, Graeme Simsion and Rachel Joyce.

Hmong American immigrants first came to the United States as refugees of the Vietnam War. Forty years on, they have made a notable impact in American political life. They have voter participation rates higher than most other Asian American ethnic groups, and they have won seats in local and state legislative bodies. Yet the average level of education among Hmong Americans still lags behind that of the general U.S. population and high rates of poverty persist in their community, highlighting a curious disparity across the typical benchmarks of immigrant incorporation. Carolyn Wong analyzes how the Hmong came to pursue politics as a key path to advancement and inclusion in the United States. Drawing on interviews with community leaders, refugees, and the second-generation children of immigrants, Wong shows that intergenerational mechanisms of social voting underlie the political participation of Hmong Americans. Younger Hmong Americans engage older community residents in grassroots elections and conversation about public affairs. And in turn, within families and communities, elders often transmit stories that draw connections between ancient Hmong aspirations for freedom and contemporary American egalitarian projects.

Tante Phil's Fairy Stories Hachette UK

This candid and vividly written autobiography of an Essex working class girl in the immediate post-War period, together with its description of her family background, presents a valuable social history of the milieu and private life in which she was nurtured. The deprivation and poverty of the 1930s was carried through to the 1950s - and of course was exacerbated by the struggle and misfortunes of the Second World War. As this book shows clearly, lack of money or proper housing is deterministic for good or ill in influencing human behaviour and relationships, and it therefore follows that measuring blame for consequent wrongdoing is difficult to determine. Shirley comes through as a girl of spirit and independence, who is not easily going to be crushed by adversity, or injustice at the hands of others. Her response of rebelliousness is commendable in the face of

difficulties with which she is confronted, but when she then becomes involved with the Teddy Boy culture of the time, and then with the worst element of the sordid back street life of the East End, she pulls herself back from the brink just in time. Her description of pimps with all their devious ingenuity, and the filth and grime of an East End brothel and its inmates, is horrific and unforgettable, and places this book as a unique document of social history. Together with her own efforts, in conjunction with the Courts system and the welfare authorities of the time, she finally pulls herself through towards a new and better life. This book, written in its distinctively idiosyncratic style, makes a gripping read.

Have you ever wondered: How it feels to be eponymous? Why some German pigeons were painted blue in the First World War? What connects Rachmaninoff to Chief Sitting Bull? It is 1972. Bernard Robins is in London - American, innocent, uninformed and arrogant - to make his name and fortune as a pianist, composer and conductor. He lives at the Kensington Music Society, a haven for aspiring musicians, including afro-headed violinists, cellists in caftans and coloraturas from Colorado. During his time there, Bernard accidentally encounters his long lost great-uncle, Hermann Heinrich Zweck, a nonagenarian - a once eminent, now forgotten composer, who has known most of the great musical figures of the Twentieth Century and hated almost all of them. Zweck is engaged in a war against stupidity, laziness and cowardice with the entire world, and especially with Bernard and Charles Forsythe - a hapless English musicologist whose only crime, (grievous in Zweck's view) is to be both English and an academic. The romantic relationships the three principals have with strong women, ranging from promiscuity to endless love, change the lives of all concerned. Throughout the novel, Zweck engages in a battle of words with the author in a series of interruptions and monologues. Comically written by an author skilled in both writing and music, Zweck is an accessible and hilarious novel about fame, identity, music and dumplings.

In My Father's Fighter, Vincent Rosen, a 35-year-old Manhattan English teacher, inherits the management of a prizefighter from his father. The fighter is Mickey Davis, a white light-heavyweight contender with a doomed air, a reputation for dirty fighting, and plenty of neuroses and sexual obsessions. With his Ivy League education and bookish nature, Vincent does not share his father's passion for boxing, yet is slowly seduced by the fighting world. This is a comic tale that moves from the privileged Upper East Side to the down-and-out bars of Las Vegas.

A woman searches for the passion of a lifetime in nineteenth-century Hong Kong in this epic historical romance from the author of China Song. It is 1861 and Hong Kong is the most exotic, remote place on earth for a westerner like Serena Rose Bellamy Bolton. She is as greedy for love as she is for treasure. For Jason Frobisher, Hong Kong is just another place where he can lose himself and forget the woman who will never be his. Steven Bellamy is there to convert the heathen masses only to find that a change of heart has left his soul up for grabs. Daniel Cheng is the one man who stands to protect his homeland from the meddling hands of these westerners. Little does he know he will not be able to live without the beautiful hand of one of them. *Harper's New Monthly Magazine* HarperCollins

To rescue her family from poverty and avoid marrying her slope-shouldered cousin, seventeen-year-old Orchid competes to be one of the Emperor's wives. When she is chosen as a lower-ranking concubine she enters the erotically charged and

ritualised Forbidden City. But beneath its immaculate façade lie whispers of murders and ghosts, and the thousands of concubines will stoop to any lengths to bear the Emperor's son. Orchid trains herself in the art of pleasuring a man, bribes her way into the royal bed, and seduces the monarch, drawing the attention of dangerous foes. Little does she know that China will collapse around her, and that she will be its last Empress.

Born to Be By: Jim Hill Born to a poverty-stricken Black family, Jim Hill's memoir recounts his life as a child and his journey to break out of the ghetto. An inspiring tale of strength and resilience, Hill, now seventy-five, depicts a life of ups and downs and his passion for life leading him to success. Now seventy-five years old, Hill can say he has never worked a day in his life, and attributes that happiness to finding joy and meaning in his careers. His story is one of hope, a symbol to others in poverty that success and a better life is possible, no matter how far the odds are stacked against you.

Modern Jungles Dial Press

From the author of the internationally acclaimed *Wintering: A Novel* of Sylvia Plath comes a funny, touching memoir of a crummy—and crumby—childhood. Growing up in the 1960s and '70s, Kate Moses was surrounded by sugar: Twinkies in the basement freezer, honey on the fried chicken, Baby Ruth bars in her father's sock drawer. But sweetness of the more intangible variety was harder to come by. Her parents were disastrously mismatched, far too preoccupied with their mutual misery to notice its effects on their kids. A frustrated artist, Kate's beautiful, capricious mother lived in a constant state of creative and marital emergency, enlisting Kate as her confidante—"We're the girls, we have to stick together"—and instructing her three children to refer to her in public as their babysitter. Kate's father was aloof, ambitious, and prone to blasts of withering abuse increasingly directed at the daughter who found herself standing between her embattled parents. Kate looked for comfort in the imaginary worlds of books and found refuge in the kitchen, where she

taught herself to bake and entered the one realm where she was able to wield control. Telling her own story with the same lyricism, compassion, and eye for lush detail she brings to her fiction, coupled with the candor and humor she is known for in her personal essays, Kate Moses leavens each tale of her coming-of-age in *Cakewalk* with a recipe from her lifetime of confectionary obsession. There is the mysteriously erotic German Chocolate Cake implicated in a birds-and-bees speech when Kate was seven, the gingerbread people her mother baked for Christmas the year Kate officially realized she was fat, the chocolate chip cookies Kate used to curry favor during a hilariously gruesome adolescence, and the brownies she baked for her idol, the legendary M.F.K. Fisher, who pronounced them "delicious." Filled with the abundance and joy that were so lacking in Kate's youth, *Cakewalk* is a wise, loving tribute to life in all its sweetness as well as its bitterness and, ultimately, a recipe for forgiveness.

Rosalind is a survivor of sexual abuse as a child, vicious domestic violence, bigamy, and addiction. She candidly takes you to hospitals and courtrooms, through the passage ways of single parenting and care-giving simultaneously. In order to cope with the nightmare of choices taken from her, or foolish choices of her own, she travels down the road which leads to self-destruction. This memoir offers readers an intimate look into how one woman struggled with life's seemingly unbearable hairpin curves, yet coped with them all through resilience and faith, finding redemption amid agony. Woven with love and craftily written, the author gives insight within the pages of *SO HELP ME GOD*, glimpses and glimmers of life. It is an honest account of one woman, who within her brokenness and solitude, searched for the courage to overcome life's austerity. This is an inspiring true story that intertwines hope, forgiveness, healing and God's perfect timing into one hard-to-put-down book
