 review) Enter  
 the witty,  
 intriguing

world of Weslandia! Now that school is over, Wesley needs a summer project. He's learned that each civilization needs a staple food crop, so he decides to sow a garden and start his own — civilization, that is. He turns over a plot of earth, and plants begin to grow. They soon tower above him and bear a curious-looking fruit. As Wesley experiments, he finds that the plant will provide food,

clothing, shelter, and even recreation. It isn't long before his neighbors and classmates develop more than an idle curiosity about Wesley — and exactly how he is spending his summer vacation. Anansi Goes Fishing Fum d'Estampa Press It's Blanca Rosa's big day! She's turning 15 and her parents are giving her a Quincea era Fiesta to celebrate. Jealous of her friend's

celebration, Blanca's damas (maid of honor) ruins Blanca's first dress. Now the whole fiesta is going to be a disaster...unless Blanca can get another dress within just hours of the party. Will Blanca Rosa find a new dress for the party? And will she find it in time? Or will Blanca be late for her own fiesta? Emma Vera Rodriguez resides in Amarillo, Texas, where she works as a teachers' assistant.

<p>Connie Scogin also works as a teacher in the Amarillo School District. <i>Una Rosa Blanca</i> Houghton Mifflin Harcourt A laugh-out-loud funny and charming picture book about being yourself and understanding others. Max and his parents have a dog called Fabio. Fabio doesn't like doing what other dogs do. One day, Max discovers that his dog goes out every night, and he decides to</p>	<p>follow him... Blanca Lacasa: A journalist, singer, and writer from Spain. She writes lyrics and books for adults and children. She has published with several Publishing Houses in Spain. Bow Wow Meow is her first picture book with NubeOcho and her first picture book in the USA. GOMEZ studied Fine Arts at the prestigious University of Salamanca (Spain). and the subsequent siege on their hideout and its shocking outcome that have become a Latin American legend. *The Community Relations Service and Civil Rights* Doubleday Books *Do the Blind Dream?* shows Gifford at the height of his powers, navigating with ease the new, more fragmented imaginative landscape of morning-after America. Gifford seems to have

anticipated themes that suddenly are recognizable everywhere: the fragility of identity; the power of coincidence; the illusion of a secure tomorrow. In contrast to his often nightmarish, satirical, groundbreaking novels of the 1990s—*Wild at Heart*, *Perdita Durango*, and *Night People* among them—*Do the Blind Dream?* continues in the tender and deeply introspective vein revealed in two recent

works: Gifford's memoir *The Phantom Father* (named a New York Times Notable Book), and the award-winning novella *Wyoming*. From the intimate, stylistically daring examination of the darkest secrets in the history of an Italian family, to the terrible but often beautiful fears and discoveries of childhood, to the sardonic, desperate confusion of adult life, *Do the Blind Dream?*

reveals an exceptionally versatile, highly tuned sensibility. Rose Blanche McFarland In the tradition of Edward Eager and E.L. Konigsburg, a novel about the excitement—and the dangers—of wishing. Tess and her brother, Max, are sent for the summer to their aunt's sleepy village in the English countryside, where excitement is as rare as a good wifi signal. So when Tess

stumbles upon an old brass key that unlocks an ornately carved gate, attached to a strangely invisible wall, she jumps at the chance for adventure. And the world beyond the gate doesn't disappoint. She finds rose gardens, a maze made of hedges, and a boy named William who is just as lonely as she is. But at William's castle, strange things begin to happen. Carnival games are paid for in wishes,

dreams seem to come alive, and then there's William's eerie warning: Beware of the hawthorn trees. A warning that chills Tess to the bone. In a magical, fantasy world that blurs the line between reality and imagination, readers are left to wonder exactly what they'd wish for if wishes could come true. Perfect for fans of Half Magic and The Secret Garden—and for anyone who's ever wondered if

magic is real. For the further adventures of Tess and Max, be sure to check out Amy Ephron's *Carnival Magic!* Praise for *The Castle in the Mist*: "Bursting with imagination and warmth, Amy Ephron's first novel for young people is a magical book in all ways."—Holly Goldberg Sloan, *New York Times* bestselling author of *Counting by 7s* "This beautiful story's quiet, peaceful tone nicely evokes both the

serenity of country life and the haunting magic of the castle, and the emotional heft of Tess and Max's separation from their parents, as well as their strong bond, keeps the tale firmly grounded in reality. Perfect for middle-graders who love classic fantasy."—Booklist "Rich description of the castle along with an elaborate map at the book's beginning and an illustration at the end enhance the

fantasy world....A sequel is suggested; beguiled readers will hope it happens."—Kirkus Reviews "There are scenes...that are transcendent in their beautiful, ethereal descriptions [in this] uplifting novel about family and connection."—BCCB "A slightly darker, updated take on magical realism classics such as Edward Eager's *Half Magic* and E.

Nesbit's *The Enchanted Castle*."—School Library Journal "A near-perfect 9....This book defies gravity because it's hard to put down!"—Time for Kids, kid reporter Ephron renders this magical world with such assertive beauty that readers of all ages, who are fortunate enough to believe in the power of magic, will enjoy immersing themselves in the roller-coaster fun of these stories,

and come to trust, even if for a short time, that in this 'alternate universe' it is possible for us to come together and 'touch the sky.'"—Jewish Journal *Farmer's Market Day* Cinco Puntos Press An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an

author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in

meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds

full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The

Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal

one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

### **Quince Duncan**

Simon and Schuster  
The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th

century and continues through the assassination of Allende in 1973.

### **The Latin American Story Finder**

Macmillan  
Although her origins lie in the village of Nocado del Valle, in the region of Galicia, Blanca De La Rosa was born in Dominican Republic in the bosom of a humble family. Fate wanted her to be the living proof that we all can achieve our goals. From a childhood in the projects of

New York, she ended up an executive at the American corporation ExxonMobil. It was when assessing her life that she decided to dig into her ancestors’ history and trace it back to her origins. Pursuing a Better Tomorrow is more than a novel gathering the history of three generations throughout over a hundred years, it’s a wonderful journey from Spain to the United States

of America showing the reader our recent history, the ideologies of each time, the harshness of immigration, the struggle for survival, the courage of its main characters and the tricks of destiny, but most of all the strength required to reach a better tomorrow. This great novel will inspire you and give you wings to fight for your goals. Are you ready to get them?  
*Thunder Rose*  
 Arte Publico Press

Provides the story of the black woman whose refusal to give up her seat on a bus in Alabama set in motion all the events of the civil rights movements that resulted in the end of the segregated South.  
Enrique's Journey Lerner Publishing Group  
 Follows an eager young girl on a trip to the farmers' market with her parents as she contemplates what to buy with the

money from her piggy bank.  
**Empower Yourself for an Amazing Career**  
 Egalite  
 New edition of "an extraordinary novel by the Zora Neale Hurston of Italian American Culture."--LA Times  
New Novellas and Stories  
 BalboaPress  
 This appears to be only a frightening story filled with mysterious events, but it is the simple wisdom at its core that works the

magic in this traditional ghost story from Latin America. The Story of a Boy's Dangerous Odyssey to Reunite with His Mother William Morrow "Hayes's flowing plot, enlivened by several wry twists, is decidedly satisfying. Fiedler's spare, earth-toned paintings convey the particulars of the setting from traditional garb to the sprawling landscapes as

well as the timelessness of folklore."—Publishers Weekly Don Ignacio is a wealthy landowner whose prized possession is an apple tree that produces the most delicious fruit around. He trusts only one man to care for this tree—his ranch foreman Juan Verdades. Don Ignacio is also a proud man and he lets his pride carry him into a dangerous bet! He bets a neighboring rancher his ranch that

Juan Verdades cannot tell a lie. His opponent is determined to win the bet, using guile and the help of his beautiful daughter to trick Juan Verdades into stealing all of the fruit from the prized apple tree. Will Juan Verdades be able to tell the truth about what he has done? The ranch depends on it. Originally published in 2001, this paperback edition of Joe Hayes' classic story features

<p>the bilingual style common to his most popular books. Joe's bilingual Spanish-English tellings and books have earned him a distinctive place among America's storytellers. He lives in Santa Fe and travels extensively throughout the United States telling his stories. Joseph Daniel Fiedler was born and raised in the Appalachian hill country of western Pennsylvania. He attended the Ivy School</p>	<p>of Professional Art and Carnegie Mellon University. He is the recipient of a silver medal from the Society of Illustrators for book illustration. <i>A Guide to 470 Tales from Mexico, Central America and South America, Listing Subjects and Sources</i> White RoseUna Rosa Blanca Anansi the Spider's plan to trick his friend Turtle into doing all the work while he teaches</p>	<p>Anansi to catch fish somehow gets turned around. While Anansi doesn't learn his lesson, he does learn the invaluable skill of weaving. <u><a href="#">Simple Verses</a></u> American Mathematical Soc. A Washington Post Bestseller "Fascinating... A lively read...we are indebted to Ms. Menocal for opening up an important period of history." (Wall Street Journal) This enthralling history, widely hailed as a revelation of a</p>

the door; The lost lake; The tub people.  
Forty Lost Years Edward Elgar  
 Publishing  
 Matt is six years old when he discovers that he is different from other children and other people.  
 To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting.  
 But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself -

for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the

only chance      no guarantee      his difference  
Matt has to      of freedom...      in ways that  
survive. But      because Matt      he doesn't  
even escape is      is marked by      even suspect.
