When prosecutor Vicki Allegretti arrives at a rowhouse to meet a confidential informant, she finds herself in the wrong place at the wrong time. She's almost shot to death, and two others are gunned down before her disbelieving eyes. How did a routine investigation become a double homicide? She can identify the killers, now all she has to do is to find them. The deeper she probes, the more she realizes that she's dealing with ruthless killers. Her suspicions take her to Devil's Corner, a place on the brink of ruin - thick with broken souls, innocent youth and a scourge that plays on both. Sadly, her delectable colleague Dan Molloy is too married to give her the kind of support she really needs, but when she teams up with an unlikely ally, she buckles up for a wild ride down a dangerous street. And into the crossfire of a powerful and relentless conspiracy. Set against the pulsing backdrop of Philadelphia, with a storyline driven by strong female characters and the breakneck pace that has become her trademark, DEVIL'S CORNER is Lisa Scottoline's most satisfying novel yet. 'Lisa Scottoline has been added to my list of must-read authors. Her stories are filled with teeth-gnashing suspense, her characters are compelling, and her humor cuts to the heart of the issue with laserlike accuracy' Janet Evanovich

John Sinclair: Demon Hunter Volume 7 (English Edition) Xlibris Corporation

The great Kenyan writer and Nobel Prize nominee's novel that he wrote in secret, on toilet paper, while in prison—featuring an introduction by Namwali Serpell, the author of the novel *The Old Drift* One of the cornerstones of Ngũgĩ wa Thiong'o's fame, *Devil on the Cross* is a powerful fictional critique of capitalism. It tells the tragic story of Wariinga, a young woman who moves from a rural Kenyan town to the capital, Nairobi, only to be exploited by her boss and later by a corrupt businessman. As she struggles to survive, Wariinga begins to realize that her problems are only symptoms of a larger societal malaise and that much of the misfortune stems from the Western, capitalist influences on her country. An impassioned cry for a Kenya free of dictatorship and for African writers to work in their own local dialects, *Devil on the Cross* has had a profound influence on Africa and on post-colonial African literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A new addition to the multiple New York Times best-selling Ring of Fire series. After carving a place for itself in war-torn 17th century Europe, citizens of the modern town of Grantville, West Virginia take on a murderous conspiracy of operatic proportions in Magdeburg, the capital of the United States of Europe. New York Times Best Selling Series Eric Flint and David Carrico serve up the latest entry in the best-selling alternate history saga of them all, the Ring of Fire! It is the year 1636. The United States of Europe, the new nation formed by an alliance between the Swedish king Gustavus Adolphus and the West Virginians hurled back in time by a cosmic accident, is on the verge of civil war. His brain injured in the war with Poland, the USE's emperor Gustavus Adolphus is no longer in

command. Enter Swedish chancellor Oxenstierna, a leader of aristocratic reaction against democracy. His goal: to assemble the forces of the hidebound ruling class in Berlin and drown the revolution in a bloodbath. In Magdeburg, the capital of the USE, Mike Stearns' wife Rebecca Abrabanel is organizing popular resistance to Oxenstierna's plot. As part of the resistance, the American musician Marla Linder and her company of down-time musical partners are staging an opera that will celebrate the struggle against oppression. Princess Kristina, the heir to the USE's throne, is now residing in Magdeburg and is giving them her support and encouragement. But another plot is underway--this one right in the heart of the capital itself, and with murder as its method. The only people standing in the way are a crippled boy and the boxing champion who befriended him, and an unlikely pair of policemen. Can the American detective Byron Chieske and his down-timer partner Gotthilf Hoch thwart the killers before they succeed in their goal? At the publisher's request, this title is sold without DRM (Digital Rights Management). _This alternate history series is a landmark. Booklist [Eric] Flint's 1632 universe seems to be inspiring a whole new crop of gifted alternate historians. Booklist _reads like a technothriller set in the age of the Medicis. Publishers Weekly

Essays on morality, mortality, and much more from the New York Times-bestselling author of *The Selfish Gene* and *The God Delusion*. This early collection of essays from renowned evolutionary biologist Richard Dawkins is an enthusiastic declaration, a testament to the power of rigorous scientific examination to reveal the wonders of the world. In these essays, Dawkins revisits the meme, the unit of cultural information that he named and wrote about in his groundbreaking work, *The Selfish Gene*. Here also are moving tributes to friends and colleagues, including a eulogy for novelist Douglas Adams, author of *The Hitchhiker's Guide to the Galaxy*; correspondence with fellow biologist Stephen Jay Gould; commentary on the events of 9/11; and visits with the famed paleoanthropologists Richard and Meave Leakey at their African wildlife preserve. Ending with a vivid note to Dawkins's ten-year-old daughter, reminding her to remain curious, ask questions, and live the examined life, *A Devil's Chaplain* is a fascinating read by "a man of firm opinions, which he expresses with clarity and punch" (*Scientific American*).

The Devil's Disciple George Bernard Shaw - The Devil's Disciple is an 1897 play written by Irish dramatist George Bernard Shaw. The play is Shaw's eighth, and after Richard Mansfield's original 1897 American production it was his first financial success, which helped to affirm his career as a playwright. It was published in Shaw's 1901 collection *Three Plays for Puritans* together with *Captain Brassbound's Conversion* and *Caesar and Cleopatra*. Set in Colonial America during the Revolutionary era, the play tells the story of Richard Dudgeon, a local outcast and self-proclaimed "Devil's disciple". In a twist characteristic of Shaw's love of paradox, Dudgeon sacrifices himself in a Christ-like gesture despite his professed Infernal allegiance.

Vladislav Vančura's *Summer of Caprice* is commonly considered untranslatable. The playful style of the narrative, the level of language mastering and also the development of the metatextual context of the last 80 years together form this unmistakable classic of Czech literature. Looking from this perspective our English edition is an experiment, thanks to the translation by Mark Corner on one side which inevitably - as every other translation - is an interpretation, and the original illustrations by Jiri Grus and the typography by Zdenek Ziegler on the other side. However, it is an experiment aiming to present an understanding of Czech spirit, humour and way of life.

The need for this book became apparent to Bruce-Novoa when he first taught a Chicano culture course in 1970. His students could find no source to satisfy their curiosity about Chicano writers' backgrounds, opinions, and attitudes. *Chicano Authors: Inquiry by Interview* provides that information. Fourteen leading Chicano authors respond to questions about their personal and educational backgrounds, their perception of the role of the Chicano writer, and their evaluation of the literary, linguistic, and sociocultural significance of Chicano literature. The authors included are José Antonio Villarreal, Rolando Hinojosa, Sergio Elizondo, Miguel Méndez M., Abelardo Delgado, José Montoya, Tomás Rivera, Estela Portillo, Rudolfo A. Anaya, Bernice Zamora, Ricardo Sánchez, Ron Arias, Tino Villanueva, and Alurista. Each interview is preceded by a brief introductory note which locates the author in the context of Chicano literature and provides a sense of his or her writing. Also included are a general introduction to Chicano literature, a chronological chart of publications by genre, and a selected bibliography. The volume will be an essential research tool for the student of Chicano literature and culture and a useful introduction for the general reader.

An aging New Yorker, a writer named Nick, feels life ebbing out of him. The world has gone to hell and Nick is so sick of it all that he can't even have a glass of champagne. Then one night he meets a

tantalizing young woman who agrees to come back to his apartment. Their encounter is the most strangely extraordinary of his life. Propelled by uncontrollable, primordial desires, he enters a new and unimagined dimension of the forbidden and is filled with a sexual and spiritual ecstasy that is as intense as it is unholy. Suddenly Nick's senses are alive. He feels strong, unconquerable, beyond all inhibition and earthly morality. He indulges in life's pleasures, pure and perverse, sublime and dangerous, from the delicate flavors of the perfect tomato to the fleshy beauty of a woman's thigh. But Nick's desire to sustain his rapture leads him to a madness and a darkness far greater and dreadful than have ever ridden the demon mares of night. Writing in a lineage that includes Dante, William S. Burroughs, Charles Bukowski, Hubert Selby, Jr., and Hunter S. Thompson, Nick Tosches may be America's last real literary outlaw -- a fearless, uncensorable seeker of our deepest secret truths and desires, from the basest to the most beautiful. Me and the Devil is outrageous, disturbing, and brilliant, a raw and blazing novel truly unlike any other. Like the man said: Read him at your peril. "A raw and blazing novel by "the single, most brain-searingly dangerous man of letters. Read him at your peril." -- Anthony Bourdain

Autobiography has been an essential element of the London Review of Books since its founding in 1979. This volume collects many outstanding pieces of memoir that first appeared in the LRB's pages. Here, Lorna Sage remembers growing up with her grandfather during the Second World War, Jenny Diski imagines her own burial, and Hilary Mantel tackles a strongman on her hospital bed. Julian Barnes writes about not getting the Booker Prize. Andrew O'Hagan confesses to his past as a schoolboy bully. A. J. P. Taylor hallucinates. Alan Bennett reports on the lady who lives in his drive. Tariq Ali relates his misadventures in Pyongyang. Anne Enright describes her obsession with Henrietta Lacks, the woman whose cells grow in petri dishes around the world. Frank Kermode tells his wartime stories. Terry Castle recounts her complicated friendship with Susan Sontag. There are reports from poker tables and coal mines, and stories of double agents, online romance and stigmata. With a preface by Alan Bennett, *Meeting the Devil* displays the range of power and delight possible in the study of self-portrait.
