Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

A Child of Sorrow (1921) is a novel by Zoilo Galang. The novel, Galang's debut, has been recognized as the first work of published Filipino fiction written in English. Modeled after popular nineteenth century romances written in Spanish and Tagalog, A Child of Sorrow is a classic coming of age tale engaged with themes of friendship, desire, and the loss of innocence. Simple and heartfelt, A Child of Sorrow remains a groundbreaking work of literature from an author who dedicated his career to education and the arts. "In one of the rural and sequestered plains of Central Luzon, called the Fertile Valley, where the rice fields yielded the cup of joy to the industrious farmers, and where the harvest filled aplenty the barns of the poor, there lived simple, homely people, free from the rush and stir of city life." In this idyllic setting, Lucio and Camilo discuss their plans for summer vacation. While Lucio, a dreamer "who painted brilliant lives on the nice canvas of memory," wants to immerse himself in his collection of books, Camilo wants his friend to join him in the world beyond words. Together, they take a trip into town, hoping for adventure and camaraderie—and, if possible, to meet a young

woman to fall in love with. Despite Camilo's encouragement, however, Lucio longs to write poetry, to commune with the natural world with nothing but his own thoughts to keep him company. One bright morning, he runs into Rosa returning home with a pitcher of water. Before he can collect himself, Lucio confesses his undying love. With a beautifully designed cover and professionally typeset manuscript, this edition of Zoilo Galang's A Child of Sorrow is a classic work of Filipino literature reimagined for modern readers.

At last, a way to improve your Tagalog! Written by Joi Barrios as the continuation of her best-selling *Tagalog for Beginners* book, *Intermediate Tagalog* is the first intermediate-level book designed specifically for people who already speak or understand some basic Tagalog and now wish to achieve greater fluency in speaking, reading and writing standard Filipino--the national language of the Philippines. The carefully-constructed lessons in this book point out common grammatical errors that English speakers make when speaking Tagalog, and present "real-life"

conversations demonstrating how the language is spoken in Manila today. Extensive cultural notes are provided, along with exercises and activities that introduce the use of the Tagalog language in a wide range of everyday situations. The 20 lessons give you all the basic skills needed to speak Tagalog fluently: *paglalarawan* (the ability to describe people, places and feelings); *pagsasalaysay* (the ability to tell a story--whether a news story, a folktale, or an anecdote); *paglalahad* (how to explain something--for example, a custom or tradition, or how to cook a dish); and *pangangatwiran* (reasoning and abstract thinking). Each lesson is carefully structured in six key parts: A "real-life" dialogue providing valuable conversational skills. A vocabulary list to expand your familiarity with common, everyday Tagalog words and expressions. A grammar review section (for example, on the correct uses of affixes in various sentence constructions). Insightful cultural notes presenting aspects of the Philippines that may seem "odd" to outsiders, to explain how Filipino culture shapes the way people speak. A reading passage from a story or newspaper article, with comprehension questions. A writing exercise designed to teach a specific writing skill. Using *Intermediate Tagalog*, you'll be able to talk about yourself, your family and your daily experiences using grammatically correct sentences and a native-speaker level vocabulary.
