Coaching young players, developing their skills, and cultivating a love for the sport may be the

most rewarding experience baseball can offer. Cal and Bill Ripken understand this like few others. From their father, Cal Sr., a legend in the Baltimore Orioles organization for 37 years, they learned to play the game the right way. Those lessons, paired with their combined 33 years of big league experience, helped develop the Ripken Way, a method of teaching the game through simple instruction, solid explanations, encouragement, and a positive atmosphere. In Coaching Youth Baseball the Ripken Way, Cal and Bill share this approach to coaching and development. Whether you're teaching your children at home, managing the local

travel team, or working with high school-level players, Coaching Youth Baseball the Ripken Way will help you make a difference both on and off the field, with these features: -More than 50 drills covering defense, hitting, pitching, and baserunning -Age-specific practice plans for players ranging from 4 to 15+ - Strategies for setting goals and reasonable expectations for your players and team - Advice on communicating with parents, players, and staff -Methods for creating a positive and fun environment in which kids can learn the skills and strategies of the game Bill Ripken was once voted by his peers as one of the big league players most likely to

become a manager. Cal Ripken, Jr., known as baseball's Iron Man, is a member of the game's All-Century Team and a future Hall of Famer. Together, they are proof positive that the Ripken Way is the right way to teach the game of baseball.

"One Shot at Forever is powerful, inspirational.

. . . This isn't merely a book about baseball.

It's a book about

heart." --Jeff Pearlman,

New York Times

bestselling author of *Boys Will Be Boys* and *The Bad Guys Won In 1971*, a small-town high school baseball team from rural Illinois, playing with hand-me-down uniforms and peace signs on their hats, defied convention and the odds. Led by an English teacher with no coaching experience, the Macon Ironmen emerged from a field of 370 teams to represent the smallest school in Illinois history to make the state final, a distinction that still stands. There the Ironmen would play against a Chicago powerhouse in a dramatic game that would change their lives forever. In this gripping, cinematic narrative, Chris Ballard tells the story of the team and its coach, Lynn Sweet: a hippie,

dreamer, and intellectual who arrived in Macon in 1966, bringing progressive ideas to a town stuck in the Eisenhower era. Beloved by students but not administration, Sweet reluctantly took over the ragtag team, intent on teaching the boys as much about life as baseball. Together they embarked on an improbable postseason run that buoyed a small town in desperate need of something to celebrate. Engaging and poignant, *One Shot at Forever* is a testament to the power of high school sports to shape the lives of those who play them, and it reminds us that there are few bonds more sacred than that among a coach, a team, and a town.

"Macon's run at the title reminds us why sports matter and why sportswriting has such great power to inspire. . . . [It's] one hell of a good story, and Ballard has written one hell of a good book." --

Jonathan Eig, Chicago Tribune
