Paul Hammond is dead. That's

what tough and sexy LAPD Detective Daniel Moran tells his lover, Hollywood actor Sean Fairchild—and Sean wants to believe him, but what about those threatening postcards in Hammond’s handwriting? What about the fact that he’s seeing Hammond everywhere he goes? Yes, Sean’s had some emotional problems in the past, but that was a long time ago and he’s not imagining things, so why is Dan looking at him that way? The last thing Sean needs is someone doubting him, especially

when he’s competing for the coveted leading role in the screen adaptation of *The Charioteer*. But then again, as ex-lover and manager Steve points out, what does Sean really know about his new boyfriend? Dan is a dark horse—and maybe Sean is betting too much on this relationship. It's not just Sean’s career at stake, or his relationship, or even his sanity—it’s his life. *Pieces of Me* Bantam My husband killed me. Instead of spending my immortal Afterlife pissed off and angry, I moved on.

I became someone. Sure, that someone was a demon with the highest track record of reform, AKA punishment, in Hell. But who’s bragging? I’m right on my way to retirement behind the pearly gates. Everything was going fine . . . until the Risk Witches saw a terrible vision. Three men. Each scarred in their own way, born with powers that haven’t been seen in eons. Upper Management sent the best to correct their path. Angels. Poltergeists. Nothing worked. These men were

too stubborn. Too bad. Too untamed... So they sent me. Roman. Ezra. Dorian. Combined, they have enough power to end the world—and they will. Unless I find a way to stop them first. Breaking people is my job. But this time...my job might break me. Author's Note: This is a COMPLETED adult paranormal romance series with multiple love interests and some dark elements. If you don't like strong but flawed women and alpha-hole heroes that need to learn a thing or two about boundaries--

this book is not for you. If you love works by Eva Chase, Caroline Peckham, Raven Kennedy, Susanne Valenti, and Kristy Cunning, then dive right in to the Afterlife. It'll be one hell of a ride. [Dark Horse at Oak Lane Stable \(Book 3 of 3\)](#) Dark Horse Comics Mirdza Strelkova should have minded her own business on the long train ride, because she knew just how nasty violent men could be. Perhaps that's precisely why she stepped in to help the frightened mother and

terrified child. But in her wildest dreams, she never imagined she'd be tossed out the window of a moving train, broken and bleeding. And she could never have predicted the dark horse who would come to her aid, or the comeback story that lay before them both. Publisher's Weekly said, "My Dark Horse Prince is a fast-paced, action-filled romance [that] follows Mirdza Strelkova and her shape-shifting love interest, Grigoriy. The narrative will ensnare readers from the start,

traveling a twisty road. The book's unique combination of romance and fantasy is appealing, and Baker's choice to feature a strong female character who is in a wheelchair was refreshing."
