*The Only Book You'll Ever Need* Weiser Books

If you've ever been intrigued by the tarot but were confounded by the complexities of multi-card spreads and the vague interpretations given in most books, this is the guide for you. Here is a real breakthrough in interpreting the tarot! With *Tarot Made Easy* you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card -- including Romance, Travel, Career,

Finances, Friends, and Special Guidance -- to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need. *Guided Tarot* Tarottools.com Publishing Tarot Plain and Simple by Anthony Louis is the book you've been waiting for! As the

title indicates, this book presents the Tarot in clear language that anyone can understand. If you've had trouble learning the Tarot, this book gives the meaning of each and every one of the 78 Tarot cards - - both in simple terms and in-depth ones, both upright interpretations and those for when a card is drawn reversed. Illustrations are from the elegant and mystic Robin Wood Tarot. This book leaves nothing out! It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view. It even includes several spreads and example readings. That way you can see exactly how the Tarot works, how the cards play off of each other and how to give a reading. Turn to any page and see how you can learn meanings and interpretations. The Five of Cups shows a cloaked person with head down and three

of five cups knocked over, spilling their contents. Upright the card means "mourning." But the key words and phrases give you so much more. It can also mean regret, sadness, loss of trust, an emotional letdown, betrayal in love, and much more. How can you tell which expression best fits the card? It depends upon where it falls in the spread and the cards that surround or lead up to it. This is explained in the clear but comprehensive section on Tarot card spreads, and is illustrated in the sample readings. If you have been waiting for an ideal book to help you learn the Tarot, this is it. The longer you wait, the longer it will be before you can give effective Tarot readings. Get out that Tarot deck and get this book today!

Tarot, Orion Plain and Simple Weiser Books

"Contains material adapted from The Everything Tarot Book, 2nd Edition by Skye Alexander."

**A Practical Guide** Sterling Publishing Company, Inc.

Lay your future out before you with tarot cards. Once you know how to interpret them, you can understand yourself and others better and be able to accurately predict what's going to happen in the future. This is an accessible and easy guide that teaches you how to use the tarot. Fenton's guidelines combined with the reader's intuition makes using the cards easy and fun. She provides the meaning of each card and suggestions for spreads that can be used for a variety of purposes—from focusing on the consequences of a particular situation to resolving a particular question to providing clarity on personal relationships. She also shows us how to link the cards together in a life narrative.

The Only Book You'll Ever Need Llewellyn Worldwide

The Tarot is one of the few books that cuts through conventional misperceptions to explore the Tarot deck as it really developed in the Middle Ages and Renaissance Europe—not, as some would suggest, in the far reaches of Egyptian antiquity. Mining the Hermetic, alchemical, and Neoplatonic influences behind the evolution of the deck, author Robert M. Place provides a historically grounded and compelling portrait of the Tarot's true origins, without overlooking the deck's mystical dimensions. Indeed, Place uncommonly weds reliable historiography with a practical understanding of the intuitive help and divinatory guidance that the cards can bring. He presents techniques that offer new and valuable ways to read and interpret the cards.

Based on a simple three-card spread, Place's approach can be used by either the seasoned practitioner or the new inquirer.

**A Beginner's Guide to the Cards, Spreads, and Revealing the Mystery of the Tarot** Hampton Roads Publishing

A simple deck that leaves the individual interpretation up to you. Glossy pink cards feature "OK" illustrations of all the major and minor arcana by artist Adam J. Kurtz. Tarot for Life Hampton Roads Publishing In Quantitative Ammunition Selection, Charles Schwartz presents an accessible mathematical model that allows armed professionals and lawfully-armed citizens to evaluate the terminal ballistic performance of self-defense ammunition using water as a valid ballistic test medium. Based upon a modified fluid dynamics equation that correlates highly ( $r=+0.94$ ) to more than 800 points of manufacturer- and laboratory-test data, the quantitative model allows the armed professional to generate ballistic test results equivalent to those obtained in calibrated 10 percent ordnance gelatin. Using data generated from water tests, the quantitative model accurately predicts the permanent wound cavity volume and mass, terminal penetration depth ( $\pm 1$ cm), and exit velocity of handgun projectiles as these phenomena would occur in calibrated 10 percent ordnance gelatin and soft tissue. A retired law enforcement professional, Schwartz provides a concise explanation of the relevant principles of mechanics, fluid dynamics, and thermodynamics pertaining to the model and its derivation. The quantitative model is clearly presented with illustrated computational examples that provide guidance to the armed professional in every aspect of the model's application.

A Tarot Book for Beginners Llewellyn Worldwide

The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck. While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea's unique insight, inviting pop sensibility, and wicked humor, Modern Tarot is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you're a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea's essential guide opens the power of tarot to you. Modern Tarot doesn't require you to believe in the

supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea's twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, Modern Tarot is the ultimate introduction to the tradition of the tarot for millennial readers.

The Ultimate Guide to the Rider Waite Tarot Fair Winds Press

This all-new edition of the popular Tarot for Beginners makes it simpler and more enjoyable than ever to learn how to read and interpret tarot cards. Award-winning tarot expert Barbara Moore clearly explains every aspect of the tarot so you can perform readings with ease and confidence. Discover the core divinatory meanings of all seventy-eight cards, clearly broken down by Major and Minor Arcana, suit, and number. A variety of spreads and sample readings will help you develop essential skills and ultimately create your own unique style. Card images are from three popular tarot decks that follow the classic Rider-Waite structure. Follow easy step-by-step instructions for giving effective readings for yourself and others. Learn about reversals, symbols, interpretive techniques, tarot journaling, and much more.

The Heart-Mind Matrix Lulu Press, Inc

Everyone reads their horoscope in the newspaper and online; however few really understand very much about astrology. To the uninitiated, astrology can seem rather daunting. All those measurements, degrees, and logarithms—what's simple about it? This wonderful introduction demystifies a topic that everyone knows a little bit about and provides a basic framework for understanding it. The Jacksons' easy and straightforward approach explains how you can learn more about yourself and those around you through the zodiac. They also explore some more esoteric topics in astrology, including trines, aspects, and conjunctions. Look up the characteristics of each sun sign, create a birth chart, find out your rising and moon signs, and more. Illustrated with line drawings and charts, this plain and simple guide will be

received enthusiastically by the novice and the experienced alike. This book was previously published by Sterling in 2005 as *Simply Astrology*.

**Fortune Telling by Tarot Cards** Red Wheel/Weiser

Though perhaps less well-known here than its Western counterpart, Chinese astrology is every bit as illuminating and provides an equally valuable shortcut to self-knowledge. Jonathan Dee, the well-respected author of several books on astrology, tarot, and fortune-telling, reveals all the mysteries of the art in this informative volume. Filled with legends, charts, and history, it contains all of the essentials for working out your Chinese horoscope including the animal signs for each birthday year, month, and hour. Each sign receives a richly detailed and enlightening explanation. Among the amusing and informative tidbits here: The rat is considered to be the sign of charm and is noted for its shrewdness, enterprise, and wealth. Rats are also prosperous, entrepreneurial, obsessive, anxious, bossy, and mean. The ox is the sign of tenacity and prosperity and a symbol of fertility and muscular strength. People born under the ox are patient, contemplative, eloquent, chauvinistic, petty, and grumpy. The monkey is lively, complex, charming, diplomatic, and agile. Monkeys are also dishonest, sarcastic, lacking respect, and restless. *Chinese Astrology, Plain and Simple* is an accessible introduction that enlightens, entertains, and informs.

**Reading the Cards for Everyday Guidance and Growth** Zeitgeist

Give your home a fresh new look. Lexie Barnes shows you how to quickly and inexpensively personalize your living space with 50 fun, pattern-free sewing projects that are highly adaptable and visually inspiring. Dramatic before-and-after photographs demonstrate how easy it is to brighten your living room with a custom-designed slipcover or give new life to a bedroom with a colorful headboard cover, lampshade, and matching window treatments. Get sewing and transform your home into the stylish abode you've always craved.

**Tarot Masterclass** Orion

If you're looking for a simple guide to Tarot card meanings in plain English, this book is for you. Inside, you'll find keywords; a range of traditional meanings; correspondences to numerology, astrology, and storytelling; symbols and insights for Rider-Waite and Marseilles decks; and exploration questions for each card. In addition, you'll also find text that will help you apply the card to matters of

romance, relationships, work, spirituality, and personal growth. If you're interested in using the cards to tell fortunes or forecast the timing of events, you'll find this information, too! Many readers prefer for their intuition to guide them to the meaning of a card. But Tarot cards do have traditional meanings -- meanings other people have assigned to the cards over time. Some of these meanings are rooted in astrology or numerology. Some are based on obscure texts. Others are based on insights from experienced readers, who have learned to associate certain cards with certain situations. Rather than memorize the meanings in this book, use them to amplify your intuition! Becoming familiar with the information in this guide can help beginners approach the cards with confidence, suggest new associations for each card, and introduce experienced readers to new ways of thinking about specific cards. The information inside can serve as jumping-off points for brainstorming sessions, lend weight to an intuitive reader's first impressions, and suggest insights a purely intuitive reader might overlook. To get the most out of this guide, skim the entire entry for a card, allowing intuition to be your guide. Take your time; look around. While your question may be about a relationship, a turn of phrase in other passages about your card might prompt exactly the insight you need. This book includes detailed entries for all seventy-eight Tarot cards (Major and Minor Arcana). As you know, some guides skimp on the Minors -- but not this one! You'll find detailed information for each and every card. In addition, the book is beautifully illustrated with full-color, high-resolution scans of a first-edition Tarot published in 1909.

**How the Heart Can Teach the Mind** New Ways to Think Llewellyn Worldwide

This is the book that I wrote about my Tarot deck. In it, I explore the real, factual history of the Tarot (No one knows, and does it really make any difference?) as well as a chapter about the theories of the history of the Tarot in general, and a recounting of the history of the Robin Wood Tarot. There is a description of the symbolism that is common to most decks, along with a listing of the symbols that are used in the Robin Wood Tarot in particular. The bulk of the book is a description of each card; including a verbal key to help the Reader remember the meaning, a synopsis of what the card might mean in a reading, and a complete description of what is on the card and why I put it there. This is followed by a short discussion of how the Tarot works, how to begin to read

(including a section on Grounding and Centering, ) and an exploration of the Ethics of reading the Tarot. Finally, there is a short section about spreads. (It's short, because the book quickly became much longer than I expected!) And, in the very back, there are a few appendices which go into more detail about some of the stories and legends that are mentioned in the book, as well as a section covering the Rules of Tarocchi!

**Tarot Made Simple** Llewellyn Worldwide  
Discover everything you ever wanted to know about the world's most popular tarot deck. The Ultimate Guide to the Rider Waite Tarot details the ten most important symbols on each and every card in the deck complete with hundreds of illustrations for easy use. In addition to an explanation of the symbols, each card is given a brief interpretation by topic: • Primary meaning • Prognosis or tendency • Spiritual meaning • Love and relationship meaning • Daily meaning • Success and happiness meaning Writing in a convenient format designed for quick reference, European tarot authorities Johannes Fiebig and Evelin Bürger also provide tips, hints, facts, and lore to improve your reading right away. Within these pages, you will find the top ten most important: • Ways of using a single card • Tips and rules for interpretation • Facts about the tarot • Interpretations for each suit • Spread layout techniques  
**The Ultimate Guide to Casting Spreads and Reading the Cards** Hampton Roads Publishing

Activating the compassionate intelligence of the heart to reconnect to the universe and our spiritual future • Shows how the heart is connected to our prefrontal cortex and offers a balancing counterweight to the calculating intellect of the lower brain • Explains how we are stuck in reactive behavior loops resulting from the loss of the nurturing culture of our ancestors • Reveals how the Heart-Mind Matrix connects us to the universe and is the engine of spiritual evolution Expanding the revolutionary theories of mind explored in the bestselling *The Crack in the Cosmic Egg* and *The Biology of Transcendence*, Joseph Chilton Pearce explains how the heart provides the balancing intelligence to the brain's calculating intellect, an innate system of emotional-mental coherence lost generations ago through a breakdown of the nurturing culture of our ancestors. By severing ourselves from our heart intelligence, we are left with our selfish, survival-oriented reptilian brains, which create and reinforce "strange loops" between potential and actual reality, leading to our modern world's endless

cycle of self-inflicted disasters and societal crises. Pearce explains that in order to break these cycles and transcend a life focused solely on surviving the results of our own reactive patterns, we must reconnect with the compassionate intelligence of the heart. Offering a rich variety of evidence, Pearce explores neurological research, lost and enduring nurturing cultures, personal experiences, and accounts from the lives and writings of modern sages such as Jane Goodall, Maria Montessori, and Rudolf Steiner. He shows that by activating the original matrix of the Heart-Mind--the engine of our spiritual evolution and our innate connection to the universe--we can teach our brains new ways to think, amend our destructive behavior loops, and enter into a future of peace, spiritual connection, and conscious evolution.

**Horary Astrology Plain & Simple** Allen & Unwin

A "how-to" book with 19 lessons and numerous exercises, beginning with the basics and gradually moving into advanced concepts so that you can learn to read the tarot at your own pace. Includes interpretations for all the cards. The author first presented this course on the Internet, and continues to provide website support for students with questions. 178 illustrations using the popular Waite deck. Appendix. Bibliography. Index.

**The Only Book You'll Ever Need** Tarot Plain and Simple

Here is the best how-to guide for the

intermediate astrologer on the art of astrological divination. Horary astrology is the best method for getting answers to questions of pressing personal concern: Will I ever have children? Should I buy that lakefront property? What happened to my car keys? When used wisely, horary acts like a trusted advisor to whom you can turn in times of trouble.
