The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm doesn't struggle to become a butterfly in the cocoon. A seed doesn't strive to become a tree and produce fruit. They simply do what they were designed to do by god and the change takes place, effortlessly. The Word of God is like a seed and your heart is the soil. When it's planted and nurtured in the soil of your heart, it begins to grow. The result is transformation; and the fruit becomes evident to all. If you want real change in your life, this book is for you.
