Miller's work. *Lektüreschlüssel. Arthur Miller: The Crucible* Blackwell Publishers Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the iconic Penguin paperback Winner of the 2016 AIGA + Design Observer 50 Books | 50 Covers competition

For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. These collectible editions are dressed in the iconic orange and white tri-band cover design, first created in

1935, while french flaps, high-quality paper, and striking cover illustrations provide the cutting-edge design treatment that is the signature of Penguin Classics Deluxe Editions today. The Crucible One of the true masterpieces of twentieth-century American theater, The Crucible brilliantly explores the threshold between individual guilt and mass hysteria,

personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving, but that compels readers to fathom their hearts and consciences in ways that only the greatest theatre can. *Arthur Miller's The Crucible* Influence Publishers Unlock the more straightforward side of *The Crucible* with this concise and insightful summary and analysis! This engaging summary

presents an analysis of *The Crucible* by Arthur Miller, a vivid allegory of the mass hysteria that swept through the town of Salem during the Salem Witch Trials. In spite of its historical subject matter, the play was chillingly topical at the time it was written: the 1950s were marked by McCarthyism, where accusations of Communism were rife and many Americans (including Miller himself)

were hauled before the House Un-American Activities Committee to answer for their behaviour. Arthur Miller is considered one of the most influential dramatists of the 20th century, and *The Crucible* was one of his best-known plays. It remains popular today, and new productions of the play are frequently performed. Find out everything you need to know about

The Crucible in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you on your reading journey. The clear and concise style makes for

easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com! [Characterization of Morality and Values in Arthur Miller's Play "The Crucible"](#) Gale, Cengage Learning Drawing on real historical documents but infused with the intensity of imagination, sly humor, and

intellectual fire for which award-winning author Rivka Galchen's writing is known, Everyone Knows Your Mother Is a Witch is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are

in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone

jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the

threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

--	---	--

über die Hexenprozesse in Salem Village von 1692, geschrieben und uraufgeführt 1953, auf dem Höhepunkt der McCarthy-Verfolgungen. Bei aller historischen ›Treue‹ geht es um die prinzipielle Befindlichkeit einer Gesellschaft, die unter der Last der ihr aufgezwungenen Normen nicht existieren kann und die selbst zu elementarer Mitmenschlichkeit nicht mehr fähig ist.

Dem Theaterstück folgte 1996 eine Hollywoodverfilmung. Miller schrieb das Drehbuch – und übernahm eine Rolle darin. *A Novel* Longman Group
The Crucible is a 1953 play by American playwright Arthur Miller. It is a dramatized and partially fictionalized story of the Salem witch trials that took place in the Massachusetts Bay Colony during 1692/93. Miller wrote

the play as an allegory for McCarthyism, when the United States government ostracized people for being communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of contempt of Congress for refusing to identify others present at meetings he had attended. Arthur Miller, The Crucible Macmillan International

Higher Education Seminar paper from the year 2016 in the subject English Language and Literature Studies - Literature, grade: 1.7, University of Bonn (Institut für Anglistik, Amerikanistik und Keltologie), course: American Drama, language: English, abstract: The Salem witch hunt and the McCarthy era - they are definitely two of the rather unpleasant chapters of	American history to think of. Even though there are more than 250 years of distance between these two periods, there are still several parallels to be perceived. One might say: History repeats itself! One of the attempts to combine the events of 1692 and the 1950s, and point out their similarities, was made by America's famous playwright Arthur Miller. "The Crucible" was written in 1953 and is	set in 1692 Salem. The play would become by far Arthur Miller's most frequently performed play. In the context of McCarthyism, the audiences soon interpreted the play as a veiled attack on the current chase after Communists in the country. However, Arthur Miller time and again denied such an intention, but it appears conceivable that the play was shaped, in a way, by Miller's
---	--	--

experiences during McCarthyism. The work in hands is supposed to find out, whether "The Crucible" can be referred to as a play with a dual historical context. In the first chapter of the work, the apparent historical background, the Salem witch trials of 1692, will be outlined briefly. Following this, the play's formation context, America's 1950s and McCarthyism, will be

thematized. As Arthur Miller experienced the consequences of the 20th century witch hunt himself, chapter four deals with his experiences with McCarthyism and how it might have affected him writing the play. The next chapter, then, analyzes "The Crucible" in more detail and points out passages that can be related to the events of the 1950s and potentially contain hidden

criticism. Finally, in chapter six there will be an attempt to give an answer to the question, whether "The Crucible" can be considered a play with a dual historical context or not. As many of the documents of the Salem witch trials still exist, the course of events can easily be reconstructed. With regard to the events of the 1950s, documents are mainly retained by the FBI, but, however, a

few surveys of accused people could be reconstructed either by reports of the accused or by tapes and documents that were somehow not kept under wraps by the FBI. As Arthur Miller is one of America's most famous playwrights, his plays evoked the interest of many scholars over the last decades.

A haunting examination of groupthink and mass hysteria in a rural community A Penguin Classic "I believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history," Arthur Miller wrote in an introduction to *The Crucible*, his classic play about the witch-hunts and trials in seventeenth-century Salem, Massachusetts

. Based on historical people and real events, Miller's drama is a searing portrait of a community engulfed by hysteria. In the rigid theocracy of Salem, rumors that women are practicing witchcraft galvanize the town's most basic fears and suspicions; and when a young girl accuses Elizabeth Proctor of being a witch, self-righteous church leaders and townspeople insist that

Elizabeth be brought to trial. The ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence. Written in 1953, The Crucible is a mirror Miller uses to reflect the anti-communist hysteria inspired by Senator Joseph McCarthy's "witch-hunts" in the United

States. Within the text itself, Miller contemplates the parallels, writing: "Political opposition...is given an inhumane overlay, which then justifies the abrogation of all normally applied customs of civilized behavior. A political policy is equated with moral right, and opposition to it with diabolical malevolence." For more than seventy years, Penguin has been the leading publisher of

classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date

translations by award-winning translators. The Crucible in History and Other Essays GRIN Verlag "The 1953 premiere of The Crucible confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, *Death of a Salesman*. While dealing with the 1692 witch trials in Salem, Massachusetts

, *The Crucible* reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of

Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend

time and place, including national borders, The Crucible remains one of the most often produced American plays worldwide." "In The Crucible: Politics, Property, and Pretense, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the

McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of

American theatre, and as a basis for later adaptations. in his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine

argues convincingly that *The Crucible* should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama. Martine's multi-levelled exploration enables the

reader to understand and thus appreciate *The Crucible* and Arthur Miller more fully."--BOOK JACKET.

<p>Wives of Los Alamos comes the riveting story of a stranger's arrival in the fledgling colony of Plymouth, Massachusetts --and a crime that shakes the divided community to its core. Ten years after the Mayflower pilgrims arrived on rocky, unfamiliar soil, Plymouth is not the land its residents had imagined. Seemingly established on a dream of religious freedom, in reality the town is led by</p>	<p>fervent puritans who prohibit the residents from living, trading, and worshipping as they choose. By the time an unfamiliar ship, bearing new colonists, appears on the horizon one summer morning, Anglican outsiders have had enough. With gripping, immersive details and exquisite prose, TaraShea Nesbit reframes the story of the pilgrims in the previously unheard</p>	<p>voices of two women of very different status and means. She evokes a vivid, ominous Plymouth, populated by famous and unknown characters alike, each with conflicting desires and questionable behavior. Suspenseful and beautifully wrought, Beheld is about a murder and a trial, and the motivations--personal and political--that cause people to act in unsavory</p>
---	---	--

ways. It is also an intimate portrait of love, motherhood, and friendship that asks: Whose stories get told over time, who gets believed--and subsequently, who gets punished? *The Crucible* St. Martin's Griffin This Student Edition of *The Crucible* is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction

by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the

play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. *The Crucible* is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the

1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

The crucible

entries in the bibliography, language: English, abstract: As Arthur Miller states in his autobiography ,1 The Crucible has become his most frequently produced play. This great success of a conventional drama can certainly not be explained without regard to its political message. When the play was first performed in 1953, its audiences were quick to recognize the connections

between the witch craze in 17th century Massachusetts and the American anti-communist hysteria of their own time. Like any literary text, The Crucible reflects the conditions under which it was produced, and Miller himself says that he could not have written it at any other time.² Since in this case parallels between the events in both times are extremely striking, it seems necessary for

the understanding and interpretation of the play to explain its dual historical context. At the same time, it would be wrong to interpret Miller's drama against this background only. Or, as Reitz puts it: "The Crucible ist kein Schlüsseldrama, das auf die vordergrundige Aktualität von Wiedererkennungseffekten setzt und zu diesem Zweck Anhänger und Gegner McCarthys als Puritaner (...)

kostumiert."³ Miklos Trocsanyi argues similarly, pointing out that Miller was glad, when in the contemporary criticism (...) less and less mention was made of and parallel drawn between the witchcraft hysteria and McCarthyism. It meant that the deeper message was more and more appreciated.⁴ Finding out about this "deeper message" is what the analysis of the dual historical

context aims at. Therefore this research paper will, after explaining the historical circumstances of both the Salem witch hunt and the American anticommunism under McCarthy, focus on parallel phenomena underlying the events in both times. This comparison, which

Study Guide to The Crucible and Other Works by Arthur Miller
Bloomsbury Publishing
Seminar paper

from the year 2009 in the subject American Studies - Literature, grade: 1,3, Johannes Gutenberg University Mainz, language: English, abstract: One of the group members of an experimental theatre ensemble of the 1970s and 80s, called Wooster Group, commented on The Crucible that "the play was interesting to us because Arthur Miller wrote it as a

moral play. He took responsibility, social responsibility. There was a hero." Since the hero is the most important character who has the task to convey this moral message, this paper will mainly concentrate on his role, his character development, his portrayal by Arthur Miller and how the author realized his moral concept in the character of John Proctor. When Arthur Miller wrote

The Crucible, he envisioned the "concept of unity, in which positive and negative are attributes of the same force, in which good and evil are relative".

Notes

Bloomsbury Publishing
A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Arthur Miller, two-time Tony Winner and 1949 Pulitzer Prize Winner for Drama. Titles in this study guide

include All My Sons, Death of a Salesman, The Crucible, A Memory Of Two Mondays, A View From The Bridge, After The Fall, and Incident at Vichy. As an influential, yet controversial, figure of American theatre, Miller expertly combined social awareness with a searching concern for his characters' inner ambitions. Moreover, Miller offered his audiences great entertainment

mixed with thought-provoking social criticism. This Bright Notes Study Guide explores the context and history of Miller's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews -

Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.
