"Hearts of Glass will break your heart and put it back together again. A nail-biting love story with twists and turns you won't see coming. I loved every beautifully written word." Hot Heroes Books While Daniel lies in a coma in the hospital in Las Vegas, Janie is told that the love of her life is married to his late wife's sister, Kristin Jurgen, the respected neurosurgeon who is treating him. Panicked and devastated, Janie doesn't know who, or what to believe. Too skeptical to go to the police, because of Kristen's stainless reputation as an award-winning doctor, Janie decides to take matters into her own hands . . . Janie. My mind was spinning. I could hardly breathe. Standing inside Daniel's hotel, where I'd been living so happily for the last few days, I tried to evaluate what was happening. My mouth was a gaping hole as I painfully swallowed the concierge's words: "Her first name is Kristin. I believe her name, before she married, was Jürgen." "Daniel's wife?" I asked again, as I leaned against Ethan's front desk to support my Jell-O legs. His eyes softened. "Look, I'm sorry. But . . . I'll bet you're not the first." Daniel: The horror of what is happening to me is beneath my fingertips, but I cannot move them. It is on my breath but I cannot speak. It is before my eyes yet I cannot even blink. I am immobile. But my brain is alive. Very much alive. I want to jump up and grab them by the throats—these gatekeepers who are forcing me to be imprisoned in my own body. I was awake. I was well. Janie was with me and it was a matter of hours—yes, hours—before I knew I'd be up and running again. I could taste recovery. But then they medicated me. Medicated me back to oblivion. The Complete Spellbound Trilogy Books 1-3 and Holiday Magic

The only thing the teen witches Graylee and Charlene Perez have in common are their identical looks and refusal to date warlocks. Three beguiling wizards offer assistance, but Gray doesn't know who to trust. INCLUDES: Entangled (Spellbound #1) Duplicity (Spellbound #2) Enchantment (Spellbound #3) BONUS: Holiday Magic: A Spellbound Christmas Story included "Entangled mixes Sabrina, the Teenage Witch with Freaky Friday in an intriguing, entertaining story with characters the reader will both love, and love to hate. Fast-paced and filled with page-turning action, [Spellbound] is a must-read for lovers of young adult paranormal." - Examiner.com Book 1 (Entangled): Hiding her powers was never a problem for seventeen-year-old Graylee Perez. Not until her diabolical twin sister decided to go on a rampage that could expose them. To add to the aggravation, coven reject Raj McKenna catches Gray performing a complex spell and is convinced they would make a powerful couple. He can delude himself all he wants. Gray has sworn off dating warlocks, especially delinquents who play with fire. But even Gray's mysterious death won't deter Raj, not after Gray is brought back from the great beyond. Only she's not truly back. Her body's still six feet under and she's on borrowed time. There are forces threatening Gray's existence and a powerful wizard willing to help . . . for a price. Gray doesn't know who to trust or how long she has left before she vanishes for good, but she's determined to stick around no matter what the cost. Book 2 (Duplicity): If Graylee Perez thought sharing a body with her twin sister was bad, dealing with a duplicate of herself is two times worse. Gray the second doesn't seem to get that Lee's boyfriend is off-limits. Then there's the problem of Adrian Montez. He expects one of the Grays to be his. Nearly a year later, the council is on to them for past misdeeds; Lee, along with the rest of the coven, has lost control of her powers; and, Gray is being stalked by what looks like the Grim Reaper. If the two Grays work together, they may stand a chance of setting things right and making it out alive. Book 3 (Enchantment): Barcelona. Summer escape. Or so Graylee Perez thought until her old adversary, Adrian Montez, brings his magic show to Spain. Gray seeks out a Spanish wizard to help banish Adrian from her life once and for all. Instead, she tumbles headfirst into a love spell with the arrogant warlock. After Gray follows Adrian to Paris, she must face her true feelings and decide if Adrian's worth fighting for. Holiday Magic: Every day is a gift worth celebrating—especially when you've died not once, but twice. Ever since giving up her powers, Lee has had to adjust to life without magic. It's never been harder than when she and boyfriend Raj McKenna travel to Paris to spend winter break with Lee's duplicate, Gray, and her boyfriend, Adrian Montez. Celebrating the holidays with the shifty warlock isn't Lee's idea of a holly jolly good time, but she fears poor Gray is still under the influence of a love spell. Why else would she settle down with the brute? It's up to Lee to make sure her duplicate isn't being duped.
