Prometheus
Deception
Robert Ludlum
is the
acknowledged
master of

suspense and
international
intrigue. For
over thirty
years, in over
twenty
international
bestsellers, he
has a set a
standard that
has never
been equaled.
Now, with the
Prometheus

Deception, he
proves that he
is at the very
pinnacle of his
craft. Nicholas
Bryson spent
years as a
deep cover
operative for
the American
secret
intelligence
group, the
Directorate.

After critical undercover mission went horribly wrong, Bryson was retired to a new identity. Years later, his closely held cover is cracked and Bryson learns that the Directorate was not what it claimed - that he was a pawn in a complex scheme against his own country's interests. Now, it has become increasingly clear that the shadowy Directorate is headed for some

dangerous endgame - but no one knows precisely who they are and what they are planning. With Bryson their only possible asset, the director of the CIA recruits Bryson to find, reinfiltate, and stop the Directorate. But after years on the sidelines, Bryson's field skills are rusty, his contacts unreliable, and his instincts suspect. With everything he thought he knew about his own life in question,

Bryson is all alone in a wilderness of mirrors - unsure what is and isn't true and who, if anyone, he can trust - with the future of millions in the balance. Sigma Protocol Ben Hartman is vacationing in Zurich, Switzerland when he chances upon his old friend Jimmy Cavanaugh—a madman who's armed and programmed to assassinate. In a matter of minutes, six innocent

bystanders are dead. So is Cavanaugh. But when his body vanishes, and his weapon mysteriously appears in Hartman's luggage, Hartman is plunged into an unfathomable nightmare... Meanwhile, Anna Navarro, field agent for the Department of Justice, has been asked to investigate the sudden, random deaths of eleven men throughout the world. The only thing that connects

them? A secret file, over a half-century old, that's linked to the CIA—and is marked with the same puzzling codename: Sigma. As Anna follows the connecting thread—and Hartman finds himself on the run—she ends up in the shadows of a relentless killer who is one step ahead of her...victim by victim. Now, she and Hartman together must uncover the diabolical

secrets long held behind Sigma. It will threaten everything they think they know about themselves—and confirm their very worst fears...

His quiet life away from U.S. Consular Operations disrupted by the terrorist kidnapping of billionaire Peter Novak, Paul Janson assembles a rescue team of former colleagues only to find

himself targeted by his foes. Reprint. <i>A Novel</i> Bantam Looking for a new book that will make your heart race? The fourth edition of The Minotaur Sampler compiles the beginnings of six can't-miss novels--either standalone or first in series-- publishing Winter 2022 for free for easy sampling. Standalone: From debut author Stacy Willingham comes a masterfully done, lyrical	thriller that is certain to be the launch of an amazing career. A Flicker in the Dark is eerily compelling to the very last page. Standalone: From the author of Every Last Fear comes a breakneck new thriller about a pair of small-town murders fifteen years apart, and the one man whose life is inexplicably linked to both. Alex Finlay returns with The Night Shift. First in Series: Multiple	award-winning author Gigi Pandian introduces her newest heroine in Under Lock & Skeleton Key, where Tempest Raj returns home to work at her father's Secret Staircase Construction Company. Standalone: A heart- thumping novel that will shake you to your core, The Resting Place is a masterful novel of suspense and horror from international star Camilla Sten. Standalone: Extraordinarily

tense and deliciously mysterious, Anna Downes's *The Shadow House* follows one woman desperate to protect her children at any cost in a remote village retreat where not everything is as it seems. . . First in Series: Friday Night Lights meets Mare of Easttown in this small-town mystery about an unlikely private investigator searching for a missing waitress. *Pay Dirt Road* is the

mesmerizing debut from the 2019 Tony Hillerman Prize recipient Samantha Jayne Allen. *The Gemini Contenders* Bantam "Elizabeth Wyckman Scarlatti has a plan, a desperate, last-minute gamble designed to save the world from her son Ulster, an incalculably cruel man who is working for the Third Reich under the name of Heinrich Kroeger. If Elizabeth cannot stop him, Ulster will

give Hitler the most powerful instrument on earth"--Back cover. *A Novel/ The Prometheus Deception* A Novel In the tradition of such Ludlum classics as *The Chancellor Manuscript* and *The Icarus Agenda*, *The Bancroft Strategy* is a compelling novel of intrigue, where two figures find themselves facing a shadowy organization working to twist global politics to

their own unsavory ends. When Todd Belknap - a legendary field agent for Consular Operations with a reputation as something of a cowboy - is cut loose from the agency after an operation goes wrong, his best friend and fellow agent is abducted in Lebanon by a militia group with a vicious reputation. When the government refuses to either rescue him or negotiate for his release,

Belknap decides to take matters into his own hands. Meanwhile, hedge fund analyst Andrea Bancroft gets a surprising call - she is to receive an unexpected bequest of six million dollars from a cousin she never met. With one condition -- she must agree to sit on the board of the Bancroft family foundation, a charitable organization that is run by the family patriarch, Paul Newton.

Having never been involved with, or even met, the family - her mother was briefly married to an Bancroft and cut off all contact many years ago - Andrea is intrigued. But the foundation, which is dedicated to doing strategic good deeds, appears less and less benign the more deeply involved she gets. What exactly is their involvement with the "Genesis" - a mysterious group working

to destabilize the geopolitical balance at the risk of millions of lives? As events escalate, Todd Belknap and Andrea Bancroft come together and must form an uneasy alliance if they are to uncover the truth behind "Genesis" -- before it is too late.

"Twenty years ago, top agents from the CIA and KGB banded together to bring down the Matarese Circle, an international cabal of power brokers and assassins whose sole

objective was to achieve worldwide economic domination. Now the bloody Matarese dynasty is back--and the only man with the power to stop it may have already run out of time. CIA case officer Cameron Pryce is hot on the trail of the new Matarese alliance. His only chance to terminate its ruthless activities is to follow the trail of blood money and stone-cold killers right to the heart of its

deadly conspiracy. From the Hamptons to London's Belgrave Square, Matarese assassins have already struck with brutal efficiency, eliminating all who stand in their way. Their chain of violence is impossible to stop--until Pryce gets a rare break. One of the Matarese's victims survives long enough to whisper dying words that will blow the case wide open: the top secret

code name for legendary retired CIA agent Brandon Scofield--the only man who has ever infiltrated the Matarese inner circle and lived to tell about it"--

Soon the CIA will find out that Agent Blake is in two places at once. Soon the augmented man will come looking for him. And soon both will discover that Tom Reese carries a secret even he doesn't know about: He is the last test subject of Project

Prometheus. The Minotaur Sampler, Volume 4 Bantam Nicholas Bryson, an agent for the covert American group called the Directorate, comes out of retirement after learning the Directorate is actually a traitorous group and joins forces with the CIA to put a stop to their actions. The Osterman Weekend Bantam On Parrish Island, a restricted island off the

coast of Virginia, is a little-known and never-visited psychiatric facility. There, far from prying eyes, the government stores former intelligence employees whose psychiatric states make them a danger to their own government, people whose ramblings might endanger ongoing operations or prove dangerously inconvenient. One of these employees, former

Consular Operations agent Hal Ambler, is kept heavily medicated and closely watched. But there's one difference between Hal and the other patients - Hal isn't crazy. With the help of a sympathetic nurse, Hal manages to clear his mind of the drug-induced haze and then pulls off a daring escape. Now he's out to discover who stashed him here and why - but the world he returns to isn't the one

he remembers. Friends and longtime associates don't remember him, there are no official records of Hal Ambler, and, when he first sees himself in the mirror, the face that looks back at him is not the one he knows as his own.
