ROY JASE

Learn Swahili Quickly and Easily McGraw-Hill Education

The first section of this book does not use any grammatical terms whatsoever, but still gets the ideas across. It is a rebellion against all those 'teach yourself' language books that seem to think that grammar is the very first thing to take in. That's not how you learnt your native language - you learnt it by making sense of it and by gentle immersion. That's what this book will do. Quick Learning Once you get past the unfamiliarity, the rules of Swahili are much easier than English, with far fewer irregularities. For instance, if you know the way to say something that is happening now, you will also be able very easily to work out how to say the same thing in the past or the future. Furthermore, Swahili words are often short and simple, and the connecting words are short and multi-purpose. Swahili speakers realise that the person you are speaking to has mainly cottoned on to what you are saying whilst you are still saying it, so you do not need elaborate grammar and long words to say something simple! Section One This book is in two sections. The

first section is designed for painless understanding of the way in which the language works. It uses only a very limited vocabulary, and absolutely no technical terms, but nevertheless explains, in gentle steps, the way the language functions. By doing this with only a limited number of new words to learn, you will only have to concentrate on learning the new concepts, which are really not that difficult. At the end of the section are straightforward tests to drive home the understanding. Section Two Thereafter, once the concepts are clear, the second section summarises the first, and uses simple sentences to illustrate all the key points. In making a limited number of carefully crafted sentences, the second section translates the learning of the first section everyday language into the grammatical concepts. The idea is that once you can translate these sentences, and understand why, you will have a very good working grasp of the way the language works. Once again, at the end of the section, and at the end of each short chapter within it, are straightforward tests to drive home the understanding. If you are very grammar-minded, by all means move to the second section quickly. Audio Files All of the exercises are available in audio format, to be downloaded onto your device. Section 1 can be found at: <https://selfly.com/p/sgql/> Section 2 can be found at: <https://selfly.com/p/69Tr/> You can then listen to them at the same time

as following the written word. Listening is a very powerful tool for driving home learning - especially repetitive listening combined with making sense of what you are hearing. This is the way that children learn a language!

Teach Yourself Nepali Complete Course Routledge

Teach Yourself Swahili MVG Verlag

Teach Yourself Swahili Dictionary contains a comprehensive vocabulary for working Swahili. It contains approximately 14,000 headwords, though the actual number of equivalents is far greater than this, and certainly enough for everyday use. Special care has been taken to include words that are appropriate to life in East Africa so that this dictionary is extensive in its coverage but also concise and practical to use. A useful Swahili grammar and practical hints on pronunciation are also included at the beginning of the dictionary. This edition has been updated by the author of the bestselling Teach Yourself Swahili to include the most recent usage of the language and reflect the considerable political, educational and scientific change since the 1960s. Because of the 'semantic explosion' that has taken place in Swahili over the last forty years, some words have acquired additional meanings and many English loanwords have been added to the Swahili-English section. The leader in self-learning with more than 300 titles, covering all subjects. Be where you want to be with Teach Yourself.

Teach Yourself Sanskrit Complete Course (Book Only) McGraw-Hill Companies

This is a complete course in Swahili for beginners, assuming no previous knowledge of the language. It is based on the Council of Europe's guidelines on language learning, and the emphasis is on communication skills. The graded structure of the course includes much exercise material, and the cassette, of which this pack forms a part, can also be purchased separately.

Swahili McGraw-Hill Education

How to Speak Swahili. Ready to learn? Then, this book is for you!Swahili is spoken by over ten million people. It's commonly known as Kiswahili by the native speakers. It was influenced by Arabic and Persian. Swahili is an Arabic word which means 'from' the coast. Swahili came up as a result of the Arabs and Persians sailing to the East Africa centuries ago. How to Learn Swahili is a simple, but comprise way, to learn the language. We take the learner and offer a solid foundation to learn, understand and speak Swahili.What's Inside the Book? Inside you'll find what you need to have the tools to learn the language. Swahili McGraw-hill

Eine Sprache lernt man nicht nur, sondern man lebt sie. Benny Lewis ist Autodidakt und hat im Laufe der Zeit herausgefunden, worum es tatsächlich beim Lernen einer Sprache geht. In diesem Buch erklärt er, was es wirklich braucht, damit man jede Sprache in kürzester Zeit erlernt. Unerlässlich ist eine enorm hohe Motivation für das Erlernen der Sprache, und man muss sich trauen, die Sprache auch zu sprechen. Sei es durch eine persönliche Reise in das entsprechende Land, übers Internet oder durch einen Tandempartner. Darüber hinaus sollte man möglichst alles in der Fremdsprache tun, was Praxis bringt: Fernsehen schauen, Musik hören und lesen. Mit diesem Buch gibt der Autor Tipps für Eselsbrücken, um Vokabeln und die Grammatik einfacher zu erlernen, und er hilft dabei, die Herangehensweise an das Lernen so zu optimieren, dass es zu einem Kinderspiel wird. Sein Erfolg spiegelt sich im weltweit größten Sprachlernblog wider, mit dem er bereits Millionen Menschen dabei geholfen hat, eine neue Sprache zu erlernen. *Complete Swahili Beginner to Intermediate Course* McGraw-Hill

It's easy to teach yourself Swahili! Complete Swahili with Two Audio CDs: A Teach Yourself Guide provides you with a clear and comprehensive approach to Swahili, so you can progress quickly from the basics to understanding, speaking, and writing Swahili with confidence. Teach Yourself Swedish Complete Course McGraw-Hill

Die Sprachführer der Kauderwelsch-Reihe orientieren sich am typischen Reisealltag und vermitteln auf anregende Weise das nötige Rüstzeug, um ohne lästige Büffelei möglichst schnell mit dem

Sprechen beginnen zu können, wenn auch vielleicht nicht immer druckreif. Besonders hilfreich ist hierbei die Wort-für-Wort-Übersetzung, die es ermöglicht, mit einem Blick die Struktur und "Denkweise" der jeweiligen Sprache zu durchschauen. Kisuaheli (auch Swahili) ist die wichtigste Umgangssprache in Tansania (dort sogar wichtiger als Englisch), Kenia und Uganda, wird aber auch in Ruanda, Burundi und im östlichen Zaire verstanden. Weil Swahili von fast allen Ostafrikanern als erste Fremdsprache erlernt wird, tun Reisende gut daran, sich wenigstens Grundkenntnisse dieser Sprache anzueignen. Man wird sich so in den meisten ostafrikanischen Ländern verständigen können, auch wenn sich hier und da Elemente einheimischer Dialekte und französische Wörter mit dem suahelischen Wortschatz vermischen. Kisuaheli zu lernen ist also eine gute Möglichkeit, sich mit wenig Aufwand in relativ vielen Ländern mit Einheimischen zu unterhalten, und sich so der Kultur Afrikas auf andere Weise zu nähern.
