Redis in Action Redis In ActionRedis in

Action - Home; Foreword; Preface;
 Acknowledgments; About this Book; About
 the Cover Illustration; Part 1: Getting
 Started. Chapter 1: Getting to know Redis.
 1.1 What is Redis? 1.1.1 Redis compared
 to other databases and software; 1.1.2

Other Features; 1.1.3 Why Redis? 1.2
 What Redis data structures look like. 1.2.1
 Strings in Redis ...Redis in Action -
 ForewordRedis in Action introduces Redis
 and walks you through examples that
 demonstrate how to use it effectively.

You'll begin by getting Redis set up properly and then exploring the key-value model. Then, you'll dive into real use cases including simple caching, distributed ad targeting, and more. You'll learn how to scale Redis from small jobs to massive datasets. Manning | Redis in Action Redis in Action introduces Redis and walks you through examples that demonstrate how to use it effectively. You'll begin by getting Redis set up properly and then exploring the key-value model. Then, you'll dive into real use cases including simple caching, distributed ad targeting, and more. Redis in Action [Book] - O'Reilly Online Learning Redis works with in-memory datasets to provide lightning-fast response times, and makes it easy to persist data to disk on the fly. It's free, open source, and easy to utilize from most standard programming languages. Redis in Action introduces Redis and walks you through examples that demonstrate how to use it effectively. Redis in Action () - Douban Redis started in a pragmatic way, with a programmer who needed to get things done and couldn't find the right tool for the tasks at hand. This is why I think a theoretical book wouldn't serve Redis well,

and why I like Redis in Action: it's a book for people that want to get things done. EBOOK - REDIS IN ACTION - ODBMS.org Redis in Action 1. 1 Redis in Action By Josiah L. Carlson To prepare for building software with Redis you need to know how to keep your data safe, even in the face of system failure. Redis in Action Dismiss Join GitHub today.
