Dirty Bertie Egmont UK Limited

Have you been taken to what you've been assured is the perfect house deep in the French countryside, only to find there's no electricity or running water? Gone to the doctor with a nasty cough, and been diagnosed with a rather more personal complaint? Walked into an half-empty restaurant, only to be told that it's complet? If the answer to any of the above is oui, Talk to the Snail is the book for you. Find out how to get served in a restaurant; the best way to deal with French hypochondria; learn

the language of love, sex and suppositories (not necessarily in that order); it's all here in this funny, informative, seriously useful guide on how to get what you really want from the French. With advice on essential phrases and bons mots to cover all eventualities, and illustrated with witty real-life anecdotes, Talk to the Snail is a book that no self-respecting Francophile - or Francophobe - can afford to be without. Don't go to France without reading this book. And don't even think of buying a house there.

Jokes and Targets Indiana University Press

Jokes and Targets takes up an appealing and entertaining topic—the social and historical origins of jokes about familiar targets such as rustics, Jewish spouses, used car salesmen, and dumb blondes. Christie Davies explains why political jokes flourished in the Soviet Union, why Europeans tell jokes about American lawyers but not about their own lawyers, and why sex jokes often refer to France rather than to other countries. One of the world's leading experts on the study of humor, Davies provides a wide-ranging and detailed study of the jokes that make up an important part of everyday conversation.

Merde in Europe Koala Books

The entertaining biography of Edward VII and his playboy lifestyle, by Stephen Clarke, author of 1000 Years of Annoying the French and A Year in the Merde. Despite fierce opposition from his mother, Queen Victoria, Edward VII was always passionately in love with France. He had affairs with the most famous Parisian actresses, courtesans and can-can dancers. He spoke French more elegantly than English. He was the first ever guest to climb the Eiffel Tower with Gustave Eiffel, in defiance of an official

English ban on his visit. He turned his French seduction skills into the diplomatic prowess that sealed the Entente Cordiale. A quintessentially English king? Pas du tout! Stephen Clarke argues that as 'Dirty Bertie', Edward learned all the essentials in life from the French.

The third book in a brilliantly funny new series for 6+ readers from bestselling Dirty Bertie author Alan MacDonald, about a boy and his incredible talking dog. Sam had a very ordinary life, until Oscar the dog arrived on his doorstep. Because Oscar has a big secret - he can talk! Oscar usually has a lot to say on any subject, but in this book something makes him speechless . . . a CAT has

moved in next door! And Carmen the pampered feline is almost as much of a nightmare neighbor as her owner, Mrs Bentley-Wallop. But Sam and Oscar have bigger things to worry about. When a jewel thief strikes, it's time for the daring duo to turn detective . . . Can they sniff out the culprit before it's too late?

Horsing Around Millbrook Press

When Sophie Sayers' plans for a cozy English country Christmas are interrupted by the arrival of her ex-boyfriend, her troubles are only just beginning. Before long, the whole village stands accused of murder. Damian says he's come to direct the village Nativity play, but Sophie thinks he's up to no good. What are those noises coming from his van? Who is the stranger lurking in the shadows? And whose baby, abandoned in the manger, disappears in plain sight? Enjoy the fun of a traditional Cotswold festive season, as Sophie seeks a happy ending for her latest village mystery - and for her new romance with charming local bookseller Hector Munro.
