In this comprehensive response to the education crisis, the author of *Teaching as a Subversive Activity* returns to the subject that established his reputation as one of our most insightful social critics. Postman presents useful models with which schools can restore a sense of purpose, tolerance, and a respect for learning.

In this definitive work, two-time Pulitzer finalist Jason DeParle, author of *A*

Good Provider Is One Who Leaves, cuts between the mean streets of Milwaukee and the corridors of Washington to produce a masterpiece of literary journalism. At the heart of the story are three cousins whose different lives follow similar trajectories. Leaving welfare, Angie puts her heart in her work. Jewell bets on an imprisoned man. Opal guards a tragic secret that threatens her kids and her life. DeParle traces their family history back six generations to slavery

and weaves poor people, politicians, reformers, and rogues into a spellbinding epic. With a vivid sense of humanity, DeParle demonstrates that although we live in a country where anyone can make it, generation after generation some families don't. To read American Dream is to understand why.
