Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the

unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works

her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else.

Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

Jake hated it when his parents argued and yelled at each other. He often sought refuge at his safe place in the woods behind his

house. There he meets the kindest, most compassionate, and loving companion – a Golden Labrador Retriever named Joe. Together, they visit an extraordinary garden filled with kindhearted, affectionate, and fun-loving animals. After spending the day with his new friends, Jake experiences the peace and love within the garden.

**A Garden of Peace, a Medley in Quietude**

Nabu Press  
NEW YORK TIMES BESTSELLER • An “outstanding new intellectual biography of John Maynard Keynes [that moves] swiftly along currents of lucidity and wit” (The New York Times), illuminating the world of the influential economist and his transformative ideas

“A timely, lucid and compelling portrait of a man whose enduring relevance is always heightened when crisis strikes.”—The Wall Street Journal WINNER: The Arthur Ross Book Award Gold Medal • The Hillman Prize for Book Journalism FINALIST: The National Book Critics Circle Award • The Sabew Best in Business Book Award NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY AND ONE OF THE BEST BOOKS OF THE YEAR BY Jennifer Szalai, The New York Times • The Economist • Bloomberg • Mother Jones At the dawn of World War I, a young academic named John Maynard Keynes hastily folded his long legs into the sidecar of his brother-in-law’s motorcycle for

an odd, frantic journey that would change the course of history. Swept away from his placid home at Cambridge University by the currents of the conflict, Keynes found himself thrust into the halls of European treasuries to arrange emergency loans and packed off to America to negotiate the terms of economic combat. The terror and anxiety unleashed by the war would transform him from a comfortable obscurity into the most influential and controversial intellectual of his day—a man whose ideas still retain the power to shock in our own time. Keynes was not only an economist but the preeminent anti-authoritarian thinker of the twentieth century, one who

devoted his life to the belief that art and ideas could conquer war and deprivation. As a moral philosopher, political theorist, and statesman, Keynes led an extraordinary life that took him from intimate turn-of-the-century parties in London's riotous Bloomsbury art scene to the fevered negotiations in Paris that shaped the Treaty of Versailles, from stock market crashes on two continents to diplomatic breakthroughs in the mountains of New Hampshire to wartime ballet openings at London's extravagant Covent Garden. Along the way, Keynes reinvented Enlightenment liberalism to meet the harrowing crises of the twentieth century. In

the United States, his ideas became the foundation of a burgeoning economics profession, but they also became a flash point in the broader political struggle of the Cold War, as Keynesian acolytes faced off against conservatives in an intellectual battle for the future of the country—and the world. Though many Keynesian ideas survived the struggle, much of the project to which he devoted his life was lost. In this riveting biography, veteran journalist Zachary D. Carter unearths the lost legacy of one of history's most fascinating minds. The Price of Peace revives a forgotten set of ideas about democracy, money, and the good life with transformative

implications for today's debates over inequality and the power politics that shape the global order. **LONGLISTED FOR THE CUNDILL HISTORY PRIZE**

Our continuing alphabet journey takes us to North Dakota, the home to such wide-eyed wonders as bison, mosasaurs and the Red River. Every letter in the alphabet is another chapter of a land rich in history, people and nature. Look to the skies for a bald eagle

or to the horizon for a Wild Prairie Rose, the state flower. But no matter where children look in P is for Peace Garden, they're sure to find beauty and state pride on every page.

This homespun tour of the Roughrider State uses folksy rhymes and in-depth text to share North Dakota's heritage with everyone. One just needs to open its pages to be taken on tour that will take them to Fargo, Bismarck and beyond. Paying special attention to the flora and fauna as well as the folklore that makes North Dakota a shining jewel in our nation's crown makes this book as important to its people as readers everywhere. Roxane Salonen uses her North Dakota roots to focus on the aspects of the

state others rarely hear about. Share in North Dakota's glory and landscape through her glowing prose and illustrator Joanna Yardley's exquisite renderings of a vision rarely seen. P is for Peace Garden: A North Dakota Alphabet is sure to inspire and impress generations of reader for years to come.

Epic historical novel by Leo Tolstoy, originally published as *Voyna i mir* in 1865-69. This panoramic study of early 19th-century Russian society, noted for its mastery of realistic detail and variety of psychological analysis, is generally regarded as one of the world's greatest novels. *War and Peace* is primarily concerned with the histories of five aristocratic families--particularly the Bezukhovs, the Bolkonskys, and the Rostovs--the members of which are portrayed against a vivid background of Russian social life during the

war against Napoleon (1805-14). The theme of war, however, is subordinate to the story of family existence, which involves Tolstoy's optimistic belief in the life-asserting pattern of human existence. The novel also sets forth a theory of history, concluding that there is a minimum of free choice; all is ruled by an inexorable historical determinism. Includes unique illustrations.

As an emerging leader in positive thinking, New York Times best selling author Dodinsky weaves the words of contentment and self-empowerment. In his second book, Dodinsky takes his readers on a journey to the garden of happiness. Within this garden, Dodinsky gives his readers the wisdom and support to find power within themselves to lead a happy life. Words from Dodinsky: You get angry. You get depressed. You worry. But never let these feelings consume your life. You owe it to yourself not to burden

your soul with sorrows. You have to leave the past behind and STRIVE TOWARD HAPPINESS

Central to this story is a young Sikh boy, who explores what it means to be "different just like you". The first page turn encourages deeper conversations about identity and belonging with the question: "Do you know who I am?" Join this little human's quest of self-discovery through the metaphor of a lion's mane. The narrative's rhythm flows alongside the red fabric of a dastar (turban worn by members of the Sikh community), strengthening the character's identity with each new word stitched into the

dastaar."When we learn something new, it makes each of us stronger."Skipping Stones Honor Book Award Winner for Multicultural and International Awareness.

An exciting and refreshing call to arms, The Planthunter is a new generation of gardening book for a new generation of gardener that encourages readers to fall in love with the natural world by falling in love with plants.

**Finding Peace One Day at a Time**

Random House

Placemaker is a call to tend our souls, our land, and our homes--to cultivate comfort, beauty, and peace in the places God has us. Images of comfortable kitchens and flower-filled gardens stir something deep within us--we instinctively long for home. In a world of chaos and

conflict, we want a place of comfort and peace. In *Placemaker*, Christie Purifoy invites us to notice our soul's desire for beauty, our need to create and to be created again and again. As she reflects on the joys and sorrows of two decades as a placemaker and her recent years living in and restoring a Pennsylvania farmhouse, Christie shows us that we are all gardeners. No matter our vocation, we spend much of our lives tending, keeping, and caring. In each act of creation, we reflect the image of God. In each moment of making beauty, we realize that beauty is a mystery to receive. Weaving together her family's journey with stories of botanical marvels and the

histories of the flawed yet inspiring placemakers who shaped the land generations ago, Christie calls us to cultivate orchards and communities, to clap our hands along with the trees of the fields, to step into our calling to create, to make a place in the place God made for us.

*Placemaker* is a timely yet timeless reminder that the cultivation of good and beautiful places is not a retreat from the real world but a holy pursuit of a world that is more real than we know.

Hailed as one of the greatest novels of all time and a classic of world literature, *War and Peace* is a tale of strivers in a world fraught with conflict,

social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in

Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

**A Lion's Mane** Hci  
There may be war and destruction in certain parts of the world, but peace can still prevail! Peace is within all of us, it sits waiting to wake up and grow, then amazing things can happen. Based on

a vision the author had when she was 16 years old. Children and adults will enjoy reading this book. The colorful images tell the story. Seeds of Peace has been translated into Arabic, French, German, Japanese and Spanish. We hope to reach all the children of the world, to spread the seeds of peace.

Employing proven flower-growing techniques used by commercial greenhouses the world over, the growing of cannabis plants is demystified in this helpful gardening book. The natural cycles and growth of the plant are explained, as is how to sprout seedlings, manage growth and soil, how and when to

use nutrients, what to look for when it is flowering and finishing, how to cure, and a little about what cannabis can be used for in day-to-day living. Advising to grow the crop patiently, take notes, and observe results, the book also includes a growth journal that makes keeping track a breeze. Plans for an herb hut are provided to make it easy to build an outdoor greenhouse. Easy-to-use and efficient methods, materials that are inexpensive and easy to find, and explanations that suit the simple truth of the environment are all presented in this all-in-one guide to growing a successful crop of cannabis.  
WestBow Press  
We live in a day and

age characterized by an extraordinary amount of agitation and lack of peace. This tendency manifests itself in our spiritual as well as our secular life. In our search for God and holiness, in our service to our neighbor, a kind of restlessness and anxiety take the place of the confidence and peace which ought to be ours. What must we do to overcome the moments of fear and distress which assail us all too often in our lives? How can we

learn to place all our confidence in God and abandon ourselves into his loving care? This is what is taught in this simple, yet profound little treatise on peace of heart. Taking concrete examples from our everyday life, the author invites us to respond in a Gospel fashion to the upsetting situations we must all confront. Since peace of heart is a pure gift of God, it is something we should seek, pursue and ask him for without cease. This book is here to help us in that pursuit.
